Rights Of Women Understanding Social Issues S:

Women's Rights Lynn Walter, 2000-10-30 Are women fighting over the same issues and for the same rights all around the world What are the gains that have been made for women in different cultures over the past 200 years Students will find answers to these and similar questions in this unique resource of fifteen case studies exploring the problems surrounding the fight for women's rights in different countries ranging from Argentina to Zimbabwe The history the public perceptions contemporary problems the future of women's rights and the roles of activists concerning these rights are examined The detailed explorations provide readers with the opportunity to discover the different cultural attitudes toward women In order to facilitate comparisons each chapter follows a similar outcome The countries were chosen to represent every region of the world and to provide as broad a picture as possible of the issues presented by women's struggles for equality Each case study asks how national cultural class racial and religious differences have influenced women's rights These different views of ways in which women have sought their rights around the world will help students to understand the fight for women's rights in a broad sense as a social issue that affects all of humanity , Understanding How Women Vote Kelly L.

Winfrey, 2018-11-09 Uncovering the psychological and sociological reasons for the gender gap in American politics this fascinating volume explores how such factors influence women and lead to their political beliefs and behaviors Based on original research with women voters of varying ages around the United States from 2008 to the present the book delves into differences between voting women and men and indeed among women themselves The gender gap the author argues exists because women's social identity is tied to their group memberships and gender role beliefs Thus rather than grouping all women into one voting bloc the book examines how gender identity influences various sub groups of women It begins with a discussion of the gender gap in voting preferences throughout history then goes on to explore the roles of feminism and women's connectedness to their gender group as a primary cause of the gender gap in voting The remaining chapters discuss how these factors influence women's political engagement policy positions and candidate preferences **Sex Crimes and**

Offenders Mary Clifford, Alison Feigh, 2022-05-02 For decades and in some cases centuries individuals families and friends of victims sought out ways to help heal the hurts caused by sexual abuse and implement some way to protect against future harms The recent very public conversations about victims standing up to perpetrators has expanded the reach and public platform of sexual violence prevention efforts in critical ways What might appear a relatively simple task on the surface to define healthy and harmful sexual practices inevitably raises even more questions When the questions and answers are framed and defined through historical cultural social and individual lenses solutions may seldom be simple Structured in five parts *Sex Crimes and Offenders Exploring Questions of Character and Culture* uses healthy sexuality as a back drop for exploring the complicated issue of identifying and punishing sex crimes defining the parameters of sexualized violence and sexual violence prevention The goal is to prevent harm address hurts hold perpetrators accountable and eventually eliminate

to the degree possible all future harms The information presented explores individual treatment efforts as well as the social and political responses designed to hold perpetrators accountable and help support victims Essential resources made visible throughout this text are provided to help inform young people families faith communities and future practitioners to raise important reflective questions and to serve as a resource for anyone of any age who has suffered harm or perpetrated harm and is in need of support and healing Finally the book concludes by shining a light on the efforts each of us can take to identify reduce and work toward eliminating sexual violence and harms Additional resources for Instructors including PowerPoint Lecture Notes and Test Banks are provided

New Perspectives on Human-Animal Interactions Sarah Knight, Harold Herzog, Rick H. Hoyle, 2009-09-01 Animals are important in human psychological and cultural life and our relationships with other species are psychological and morally complicated This special issue presents a series of original research articles concerning attitudes towards animals the ethics of their treatment the effects of companion animals on human health and psychological well being and the role that culture plays in our interactions with other species The articles illustrate the scope of the new field of human animal relationships the variety of research approaches and the implications of research findings for social policy

One World Health Lord Nigel Crisp, 2016-09-19 This brand new textbook presents a new approach to the teaching and understanding of global health It describes the shared opportunities but also the problems that we all face wherever we live and the particular needs of the poorest people in every society Covering subjects from epidemics and climate change the need to staff and resource health services appropriately the rich potential of science and technology and the impacts of social and political change in the world around us all is presented at a level appropriate for the student looking to gain an understanding of this broad and developing area

Christian Theology in Practice Bonnie J. Miller-McLemore, 2012-02-02 For the past fifty years scholars in both pastoral and practical theology have attempted to recapture human religious experience and practice as essential sites for theological engagement redefining in the process what theology is how it is done and who does it In this book Bonnie J Miller McLemore shows how this trend in scholarship has led to an expanded subject matter alternative ways of knowing and richer terms for analysis in doing Christian theology Tracing more than two decades of her own search for a more inclusive discipline one that truly grapples with theology in the midst of life Christian Theology in Practice shows not only where Miller McLemore herself has traveled in the field but also how pastoral and practical theology has developed during this time Looking forward Miller McLemore calls on the academy and Christian congregations to disrupt conventional theological boundaries and to acknowledge the multiplicity of shapes and places in which the wisdom of God appears

Women and Citizenship in Central and Eastern Europe Jasmina Lukić, Joanna Regulska, Darja Zaviršek, 2006 The essays debate women s active citizenship in Central and Eastern Europe in light of transformations in the region since the fall of communism at the end of the 1980s Case studies show that social and political discrimination between genders still exists

Feminism Seduced Hester Eisenstein, 2015-12-03 In a pioneering

reinterpretation of the role of mainstream feminism Eisenstein shows how the ruling elites of developed countries utilize women's labor and the ideas of women's liberation and empowerment to maintain their economic and political power both at home and abroad Her explorations range from the abolition of welfare as we know it and the ending of the family wage in the United States to the creation of export processing zones in the global South that depend on women's nimble fingers and from the championing of microcredit as a path to women's empowerment in the global South to the claim of women's presumed liberation in the West as an ideological weapon in the war on terrorism Eisenstein challenges activists and intellectuals to recognize that international feminism is at a fateful crossroads and argues that it is crucial for feminists to throw in their lot with the progressive forces that are seeking alternatives to globalized corporate capitalism Congressional Record United States.
