Longest Cocktail Party:

The Longest Cocktail Party Richard DiLello, 2005 This volume is not only fast paced and funny but also manages to be immensely poignant about the demise of the Fab Four and the death of the sixties dream The Longest Cocktail Party Richard DiLello, 2014-11-05 Apple Records was a noble experiment created in the spirit of the 1960s by four musicians who came to represent everything that was best about those tumultuous experimental and liberating times The Beatles started out with the greatest of intentions but reality soon got in the way Much has been written about this period in the history of The Beatles evolution and dissolution some of it true some of it wildly exaggerated but not much of it first hand The Longest Cocktail Party is a rare exception Written by Richard DiLello who served as Apple Records House Hippie from 1968 to 1970 this unusual first hand glimpse into The Beatles empire humorously chronicles the stranger than life stories that were to become legendary including visits by the Hell's Angels and endless tales of celebrity antics Alfred Music is proud to offer this latest edition which features a new and insightful foreword by the author Originally published by Playboy Press in 1972 The Longest Cocktail Party has proven itself a timeless chronicle of this most colorful period in pop history **The Longest Cocktail Party** Richard DiLello, 1976 *The Longest Cocktail Party* Richard DiLello, 2001 *The Longest Cocktail Party* Richard DiLello, 1997-06-01 The Longest Cocktail Party: an Insider's Diary of The Beatles Richard DiLello, 1972

global phenomenon surrounding four young men from Liverpool The names and the songs are well known but the why is more difficult to assess even with hindsight against the glare of the music industry's powerful myth making apparatus John Astley deploys his forensic skills as a sociologist to develop an original take on the kaleidoscopic landscape that gave birth to The Beatles phenomenon The reader is invited to take a peep back into the recent past at the post War years in England the trembling class structure of an exhausted society and the advent of global communications in the 1960s as the music industry and British culture is unmade and remade Put another way Why Don't We Do It In The Road is question that has gone answered for four decades until now John Astley is a writer and lecturer and is a frequent contributor to journals conferences and radio talks As a sociologist of culture he is also the author of three volumes of collected essays Liberation Domestication Culture Creativity and Professionalism Practice John Astley is currently working on Herbivores and Carnivores a timely investigation into cultural values in contemporary society **The Beatles and Sixties Britain** Marcus Collins, 2020-03-05
