Seeing is believing: find proverbs relevant to every aspect of life in this entertaining and informative collection ***Tourism, Travel, and Blogging*** Deepti Ruth Azariah, 2016-11-10 Travel often inspires the creation of narratives about journeys and destinations, more so with the increasing availability of online platforms, applications for smartphones and tablets, and various other social media technologies. This book examines travel blogs and their associated social media as a form of self-presentation that negotiates the tensions between discourses of travel and tourism. As such, it addresses how contemporary travellers use online platforms to communicate their experiences of journeys and destinations and how the traveller-tourist dichotomy finds expression in these narratives. Addressing the need for more in-depth analysis through a study of blogs, this exploration of networked narratives of an individual's travel experience considers personal motivations, self-promotion, and self-presentation as key factors in the creation of both personal and commercial travel blogs. As this text applies concepts such as self-presentation and heteroglossia, it will be of interest to both students and scholars of tourism, new media, sociology, cultural studies, and discourse studies *Music*, 1991-01-01 Each morning as we hum or chant or strum, we can celebrate the renewal of our path with our own humble offering of the glorious gift called music. This book offers a panorama of ways music can nourish our lives. Paul Winter, award-winning musician and composer. As ancient peoples knew, music profoundly affects body, mind, and spirit. It can speed recovery from disease, heal psychological wounds, and open us to the ultimate mystery of life. Celebrated author and educator Don Campbell presents an impressive anthology of essays

exploring the latest scientific research about the healing use of sound in traditional cultures Contributors include composers musicians and music therapists doctors and psychologists pioneers in neuroscience and biophysics and teachers in diverse spiritual traditions They address such fascinating topics as Why chanting increases energy The therapeutic use of sacred music Gender differences in healing with sound How sonic resonance positively affects heart rate and brain activity

First among Friends H. Larry Ingle, 1996-01-04 In *First Among Friends* the first scholarly biography of George Fox 1624-91 H. Larry Ingle examines the fascinating life of the reformation leader and founding organizer of the Religious Society of Friends more popularly known today as the Quakers Ingle places Fox within the upheavals of the English Civil Wars Revolution and Restoration showing him and his band of rude disciples challenging the status quo particularly during the Cromwellian Interregnum Unlike leaders of similar groups Fox responded to the conservatism of the Stuart restoration by facing down challenges from internal dissidents and leading his followers to persevere until the 1689 Act of Toleration It was this same sense of perseverance that helped the Quakers to survive and remain the only religious sect of the era still existing today This insightful study uses broad research in contemporary manuscripts and pamphlets many never examined systematically before Firmly grounded in primary sources and enriched with gripping detail this well written and original study reveals unknown sides of one who was clearly *First Among Friends*
