Brooks,2012-05-09 This story is sure to inspire and give you faith in Gods work In this story you will find that Deborah found that God did hear her prayers As she learns how to be patient while she gets acquainted with her new found friend who is her witty inner voice As she stumbles up on her spiritual cell phone that gives her a direct line to God and into her divine gifts that have been given to all of us However as she goes through Dannys Trauma she started to wonder where God is And after searching for answers and praying and crying for God to bring her out of this awful storm shes in She learned to be still and the Great Teacher whom God is will always be silent during a test She learns some very valuable lessons during the test and that is that every test is a lesson and every lesson is a test and you must be quiet and still for both to pass Especially when the storms of life are raging and God does something extraordinary our faith is tested Sitting and thinking of nothing more encouraging than to look back and think about the things God has done things that only he could do Particularly on April 11th 2011 the day of my Dannys Trauma
