I Hated, Hated, Hated This Movie Roger Ebert,2022-05-24 The Pulitzer Prize winning film critics offers up more reviews of horrible films Roger Ebert awards at least two out of four stars to most of the more than 150 movies he reviews each year But when the noted film critic does pan a movie the result is a humorous scathing critique far more entertaining than the movie itself I Hated Hated Hated This Movie is a collection of more than 200 of Ebert s most biting and entertaining reviews of films receiving a mere star or less from the only film critic to win the Pulitzer Prize Ebert has no patience for these atrocious movies and minces no words in skewering the offenders Witness Armageddon 1998 The movie is an assault on the eyes the ears the brain common sense and the human desire to be entertained No matter what they re charging to get in it s worth more to get out The Beverly Hillbillies 1993 Imagine the dumbest half hour sitcom you ve ever seen spin it out to ninety three minutes by making it even more thin and shallow and you have this movie It s appalling North no stars 1994 I hated this movie Hated hated hated hated hated this movie Hated it Hated every simpering stupid vacant audience insulting moment of it Hated the sensibility that thought anyone would like it Hated the implied insult to the audience by its belief that anyone would be entertained by it Police Academy no stars 1984 It s so bad maybe you should pool your money and draw

straws and send one of the guys off to rent it so that in the future whenever you think you're sitting through a bad comedy he could shake his head chuckle tolerantly and explain that you don't know what bad is Dear God 1996 Dear God is the kind of movie where you walk out repeating the title but not with a smile The movies reviewed within I Hated Hated Hated This Movie are motion pictures you'll want to distance yourself from but Roger Ebert's creative and comical musings on those films make for a book no movie fan should miss *New York Magazine*, 1991-01-07 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Women Film Directors** Gwendolyn A.
