Digby,2010-07-23 *Past Present and Future in Poetry* Robert Stevens,2022-02-17 This is a book of poems put into verse from memories and events starting in the 1930 s through the war years and beyond There are many stories that will take you back to the slums of Liverpool from walking the streets in bare feet or clogs wearing donated clothes and

D'Aprile,2009-03 Through my journey in life I have met many people Everyone has a story to tell sometimes our lives take us into so many directions that at the end of the journey you look back and wonder where have all the years gone by The pathway that led me to this book took me in many directions in my life Writing Poetry has always been a passion of mines As I take you into my soul you will come to realize that deep within ourselves we are all the same From my years in Hawaii to the love of a United States Marine
