Early Childhood Education Kimberly A. Gordon Biddle,Ana Garcia-Nevarez,Wanda J. Roundtree Henderson,Alicia Valero-Kerrick,2013-01-02 Turning passion into practice as a professional early childhood educator Early Childhood Education Becoming a Professional is an inspiring introduction to the world of early childhood education preparing the teachers of tomorrow to reach their full potential in their schools and communities Written by a diverse and experienced author team this text engages readers to connect contemporary educational and developmental theory and research to developmentally appropriate practices and applications that are easily implemented in the classroom In response to today s ever changing educational environment the text focuses on both the importance of taking personal and professional responsibility as well as today s issues in diversity from supporting children with exceptionalities to supporting children and families in broader cultural contexts

Beginnings & Beyond Ann Miles Gordon,Kathryn Williams Browne,2004 Beginnings Beyond is the tool students need to develop vital skills necessary to become successful teachers and caregivers They will come to thoroughly understand the fundamentals of early childhood education through a discussion of the topic from an historical perspective present day issues and future trends In this sixth edition the authors have emphasized multiculturalism and NAEYC s developmentally appropriate practice to support the viewpoint that there is more than one correct way to care for and educate young children

At A Loss For Words Betty Bardige,2011-02-07 Drawing on the latest research on development among toddlers and preschoolers At a Loss for Words lays out the importance of getting parents policy makers and child care providers to recognize the role of early literacy skills in reducing the achievement gap that begins before three years of age Readers are guided through home and classroom settings that promote language contrasting them with the merely mediocre child care settings in which more and more young children spend increasing amounts of time Too many of our young children are not receiving the level of input and practice that will enable them to acquire language skills the key to success in school and life Bardige explains how to build better community support systems for children and better public education in order to ensure that toddlers learn the power of language from their families and teachers
