Reflections on Romans Dr. Randy L. James, 2021-11-15 Out of the Covid 19 Pandemic something meaningful emerged Beginning at a time when people were locked in their homes while the schools businesses and most of society were under quarantine a desire emerged to do something that would encourage people who were alone This book began as a daily audible devotional message made possible by an email link to friends and family around the world hoping to provide some light during a dark time Though the virus and its variants are still with us and have taken quite a toll on the nations of the world there is hope for a day when this particular sickness will be behind us But even if it lingers or should another such crisis arise we always have the Word of God to give us comfort and provide grace to face whatever challenges may come our way Reflections on Romans will hopefully be a tool that will aid those who continue to look for direction for their lives and a connection to their God amid such times Love Don Baker, 1988 3 1/2 Seconds to Live Kate Thomas Baker, Don Baker, 2017-01-17 From a World War to a personal war this is the profoundly personal story of a preacher with PTSD and major depressive disorder Don Baker shares his journey into the darkness the black hole as he calls it and how its shadow has haunted him for over seventy years Insightful vulnerable and honest this is a human story for human readers for people who have tasted life and found it too often bitter and perplexing **Thoughtful Proclaimer** Elizabeth Wright

Anderson, 2017-10-23 Thoughtful Proclaimer takes you from passage choice to proclamation This book walks with you through message preparation that transforms both your heart and the hearts of your congregation or class Aimed at those who proclaim the Word of God in a variety of church and parachurch settings the Thoughtful Proclaimer method uses a contemplative question based technique to determine the Commander's intent God's purpose for every passage of scripture God's intent for a passage becomes the point for proclamation of a redemptive and relevant message Anderson uses humor and story to teach good communication techniques so that every message brings lasting transformation to your listeners
