The End of Divine Truthiness: Love, Power, and God Paul Joseph Greene, 2017-08-01 In The End of Divine Truthiness Paul Joseph Greene confronts stark realities of terrifying theologies that make a mockery out of divine love With urgent resolve Greene answers Martin Luther King Jr's pointed challenge to overcome reckless and abusive power without love and sentimental and anemic love without power Too many theologies cast God either as the tyrant whose loveless power lifts up the mighty or the victim whose powerless love sends the poor away empty Wielding Stephen Colbert's word truthiness as a scalpel Greene slices out one perilous theology after another to restore the wholesome truth that God is love Supported by three world religions Buddhism Christianity and Taoism he discovers a remarkably harmonious and revolutionary divine power that is fully aligned with divine love To reunify love and power here in the world as King challenges it is time to abandon ideologies of divine power that devastate divine love and promote atrocities Greene's call for the end of divine truthiness heralds a new day for the God whose love is power and whose power is love

this volume Francesca Martelli outlines some of the main contours of recent current and future research on Ovid Her study looks back to the rehabilitation of Ovid s oeuvre in the 1980s and considers the post modern aesthetic prerogatives and post structuralist theoretical concerns that drove the critical recuperation of his poetry throughout that decade and in the decades that followed But it also looks forward by considering how the themes of this poet s oeuvre answer to a variety of new materialist concerns that are now gaining currency in the humanities and social sciences It highlights the ecopoetic sensibility of the Metamorphoses for example and unpacks the environmental narratives that this poem yields when read in dialogue with the discourses of critical posthumanism And it closes by considering the hauntological aesthetics of Ovid s exile poetry as a comment on the effects of the principate on time space media and art **AB Bookman's Weekly** ,1998
