Lectures on the New Dispensation Benjamin Fiske Barrett, 1868 **Lectures on the New Dispensation, Called the New Jerusalem** Benjamin Fiske Barrett, 1855 *A Course of Lectures on the Doctrines of the New Jerusalem Church, as Revealed in the Theological Writings of Emanuel Swedenborg: Delivered in the City of New York During the Winter of 1840-41* Benjamin Fiske Barrett, 1842 *Selections from the Memorabilia of Swedenborg, Illustrative of His Doctrines and Disclosures. By George Bush Emanuel Swedenborg*, 1848 *The Swedenborg Concordance* John Faulkner Potts, 1895

Conjugal Love Emanuel Swedenborg, I am aware that many who read the following pages and the Memorable Relations annexed to the chapters will believe that they are fictions of the imagination but I solemnly declare they are not fictions but were truly done and seen and that I saw them not in any state of the mind asleep but in a state of perfect wakefulness for it has pleased the Lord to manifest himself to me and to send me to teach the things relating to the New Church which is meant by the New Jerusalem in the Revelation for which purpose he has opened the interiors of my mind and spirit by virtue of which privilege it has been granted me to be in the spiritual world with angels and at the same time in the natural world with men and this now 1768 for twenty five years On a certain time there appeared to me an angel flying beneath the eastern heaven with a trumpet in his hand which he held to his mouth and sounded towards the north the west and the south He was clothed in a robe which waved behind him as he flew along and was girt about the waist with a band that shone like fire and glittered with carbuncles and sapphires he flew with his face downwards and alighted gently on the ground near where I was standing As soon as he touched the ground with his feet he stood erect and walked to and fro and on seeing me he directed his steps towards me I was in the spirit and was standing in that state on a little eminence in the southern quarter of the spiritual world When he came near I addressed him and asked him his errand telling him that I had heard the sound of his trumpet and had observed his descent through the air He replied My commission is to call together such of the inhabitants of this part of the spiritual world as have come hither from the various kingdoms of Christendom and have been most distinguished for their learning their ingenuity and their wisdom to assemble on this little eminence where you are now standing and to declare their real sentiments as to what they had thought understood and inwardly perceived while in the natural world respecting Heavenly Joy and Eternal Happiness The occasion of my commission is this several who have lately come from the natural world and have been admitted into our heavenly society which is in the east have informed us that there is not a single person throughout the whole Christian world that is acquainted with the true nature of heavenly joy and eternal happiness consequently that not a single person is acquainted with the nature of heaven This information greatly surprised my brethren and companions and they said to me Go down call together and assemble those who are most eminent for wisdom in the world of spirits where all men are first collected after their departure out of the natural world so that we may know of a certainty from the testimony of many whether it be true that such thick darkness or dense ignorance

respecting a future life prevails among Christians The angel then said to me Wait awhile and you will see several companies of the wise ones flocking together to this place and the Lord will prepare them a house of assembly I waited and lo in the space of half an hour I saw two companies from the north two from the west and two from the south and as they came near they were introduced by the angel that blew the trumpet into the house of assembly prepared for them where they took their places in the order of the quarters from which they came There were six groups or companies and a seventh from the east which from its superior light was not visible to the rest When they were all assembled the angel explained to them the reason of their meeting and desired that each company in order would declare their sentiments respecting Heavenly Joy and Eternal Happiness Then each company formed themselves into a ring with their faces turned one towards another that they might recall the ideas they had entertained upon the subject in the natural world and after examination and deliberation might declare their sentiments

De caelo et ejus mirabilibus et de inferno ex auditis et visis Emanuel Swedenborg,1900 *The Swedenborg*

Concordance: a Complete Work of Reference to the Theological Writings of Emanuel Swedenborg John Faulkner Potts, 1888

The Crystal Spheres of the Illuminati Adam Weishaupt, 2013-01-25 700 years ago religion made much more sense to people than it does now. It was part of a coherent worldview linking all of the knowledge of the world then available including the science and cosmology of the time. Religion nowadays seems rather ridiculous because the modern paradigm of scientific materialism has destroyed the link between humanity and the divine order. To be religious in the past wasn't stupid, now it is. This book explores the ancient Greek and medieval cosmology that supported the view that Earth was specially created by God. The crystal spheres of the heavens with Earth at the centre were beautiful, wondrous, and inspiring. They fitted in perfectly with ideas of spirituality, angels, and astrology. This is one of a series of books by the Pythagorean Illuminati designed to reveal the absurdity and untenability of the Abrahamic religions in the modern scientific era. *Heaven and its wonders, the world of spirits...* Emanuel Swedenborg, 1885
