family's fragile mental disposition Next the story The Horror at Red Hook marks Lovecraft's outbursts of racial prejudice towards immigrants which came to the fore when he came in contact with the Other during his stay in New York Finally the analysis of the story The Shadow over Innsmouth points out Lovecraft's fear of miscegenation and his obsession with a pure ethnic line Not only did Lovecraft's personal fears dominate his life he also channelled them to become an inspiration for his eldritch weird fiction
