Path of the Golden Heart Cindy Jarrett, 2015-11-05 Path Of The Golden Heart Conscious Dating In An Unconscious World

the first book in Cindy Jarrett's Conscious Relationships Series is based on Cindy's pioneering work into the necessity for emotional maturity as the key for healthy and sustaining love relationships to succeed. It is an in-depth training that brings truth back into the dating process where single men and women can fully be their authentic selves while getting to know each other. It brings an end to the suffering that has long been associated with dating. It is a modern approach to dating that dispels the myths about the games in dating many authorities try to promote. This training brings single people the necessary education as to why love has become so difficult to attain and what stands in the way of effortlessly entering into love relationships. Readers are provided easy and accessible actions to take that makes Conscious Dating a welcomed relief. Love, what we all desire, it matters most to us and drives us to do the most courageous to craziest of things. Love is what gives us our supreme experiences and challenges. It is our most powerful expression. Love heals all things. And love is our greatest teacher. Yet love eludes us. It is everywhere and missing in so many hearts. We fear it. We run from it. We long for it. We deserve it. It is our birthright. And it is this desire for love that brings us to the dating ritual again and again. And love is not enough. We need more than just love to build and sustain a healthy relationship. We also need commitment, clarity, honesty, character, an inner life, consistency, maturity, an open heart, forgiveness, training, guidance, consciousness, more maturity, healthy communications, sensitivity. Have I said maturity yet and much, much more. We don't usually relate to love or love relationships with maturity in mind. We don't necessarily declare that these elements are also what loving another requires.
