Miss Marple Gift Set:

Miss Marple Complete Short Stories Gift Set Agatha Christie, 2005-12-01 This is a beautiful gift pack featuring one of Agatha Christie's most famous creations Miss Marple. Aimed at the Christmas market it contains *The Thirteen Problems* and *Miss Marple's Final Cases* gathering together all the Miss Marple short stories. Described by her friend Dolly Bantry as the typical old maid of fiction Miss Marple has lived almost her entire life in the sleepy hamlet of St Mary Mead. Yet by observing village life she has gained an unparalleled insight into human nature and used it to devastating effect. As her friend Sir Henry Clithering the ex-Commissioner of Scotland Yard has been heard to say 'She's just the finest detective God ever made' and many Agatha Christie fans would agree. Appearing for the first time in *The Murder at The Vicarage* 1930 her crime fighting career spanned over forty years when she solved her final case in 1977 in *Sleeping Murder*. With every tale flawlessly plotted by the Queen of Crime herself these short stories provide a feast for hardened Agatha Christie addicts as well as those who have grown to love the detective through her many film and television appearances.

As the creator of immortal detectives Hercule Poirot and Jane Marple she continues to enthrall readers around the world and is drawing increasing attention from scholars, historians and critics. But Christie wrote far beyond Poirot and Marple. A varied life including war work, archaeology and two very different marriages provided the backdrop to a diverse body of work. This encyclopedic companion summarizes and explores Christie's entire literary output including the detective fiction, plays, radio dramas, adaptations and her little studied non-crime writing. It details all published works and key themes and characters as well as the people and places that inspired them and identifies a trove of uncollected interviews, articles and unpublished material including details that have never appeared in print. For the casual reader looking for background information on their favorite mystery to the dedicated scholar tracking down elusive new
