Missing Bridegroom Breanna Cone, 2012-05 The community center reception hall was ablaze with a hundred tiny candles The wedding rehearsal members were milling around waiting for the bridegroom to return Josie checked her watch surreptitiously once again It had been ten minutes since Brian excused himself to take a phone call Her fianc was supposed to be on personal leave not taking FBI calls in the middle of their rehearsal dinner Slipping out the side door Josie went to remind Brian Miller that their guests were waiting The playground area beside the center was empty except for the colored chalk blocks of a hopscotch pattern on the concrete A pair of car keys was lying on the ground at the roots of a rosebush next to the corner of the recreation hall Where on earth could he be The PI strolled briskly around the corner to the parking lot but there was no Federal Agent Miller anywhere in sight and his car was still in the parking lot Taking her cell phone from her jacket pocket Josie hit 1 on her speed dial and waited And waited After the tenth ring with no answer a knot began to form in her stomach This was not Brian s usual behavior If he was getting cold feet he would have just told her which meant something bad could be going down

the SAT Nicholas Henderson,2012      **Missing Person** Mary Jane Staples,2011-10-31 The house in Caulfield Place off Browning Street in Walworth was haunted or at least that's what the street kids said So when two men a woman and a parrot moved in everyone was very interested especially fourteen year old Cassie Ford who was particularly fascinated by the parrot And it was just about this time that Mr Finch Chinese Lady's husband and Boots's stepfather began to get mysterious telephone calls Mr Finch had never told the rest of the Adams family except for Boots the secrets of his past or what kind of work he did for the government and he decided not to tell them about the slightly sinister telephone calls either It was when he took Chinese Lady on a summer's day jaunt in his Morris motorcar that things began to happen For in the Hog's Back Hotel Chinese Lady went to the cloakroom and when she came back Mr Finch had vanished It took all of Boots's ingenuity to discover what had happened and Cassie's knowledge of the Caulfield Place parrot was to prove a vital clue in unravelling the mystery      *List of Films, Reels and Views Examined* Penn. State Board of Censors of Motion Pictures,1918      The Endless Text Edward Dudley,1997-10-02 CHOICE 1998 Outstanding Academic Books The Endless Text is the first study to trace the history of chivalric fiction in Western Europe from the earliest Celtic tales to the conflict between romance and realism in Don Quixote A set of specific rhetorical devices are traced through the development of medieval romance in the works of Chretien de Troyes and a surprising number of these devices survive in Don Quixote the troubled relationship between narrator and hero the consistent image of the hero in contrast to the fluctuating portrayals of women and the ways in which problems of retelling the story become part of the story itself An integral part of this rhetorical migration was the unstable referential value of the lexicon for example fish platters became holy chalices and gods became heroes while goddesses and Otherworld women became evil enchantresses It was this linguistic revolution that created the hermeneutics of romance and forced readers to interpret the unstable signs embedded in the text Fear of how this played out in the reader's consciousness was the basis for the condemnation of romance by church and state Ultimately this critical approach provides a new formula for rereading Don Quixote one that reinterprets the questions of what makes or unmakes a hero what is free will in relation to destiny and how the language of women differs from that of men      *Silas Quinn Omnibus: 1&2* R.N.
