Missing Time:

Missing Time David Bevis, 2013-11-26 A 2000 word short story on a mysterious student and memory loss *Amnesia And Missing Time* Dante X, 2023-10-30 Vivien's husband received the video link in an anonymous email and at first had no idea what he was talking about They had been happily married for over ten years now two lovely children live in a very affluent area and Charles works as a solicitor so are financially secure So imagine my horror when he showed me the video and I saw myself parading up and down the street like a high class hooker and getting into a stranger's car The rest of the video showed me having sex with the driver in his car The quality was not very good as it was dark inside the car and whoever filmed it was doing it discreetly from outside However I had no recollection of it happening whatsoever and was hoping it was a serious case of mistaken identity except for the fact that I was wearing my very unique purple evening dress with a split up the side and a close up of my face showed me wearing the gold and diamond earrings Charles had bought me for our anniversary last year Strictly 18 adults only 7600 words **Economic Time Series** William R.
