Heist began organizing at the age of five while cleaning up her room with her older sister She started her professional organizing business after years of being asked to organize the homes of her family and friends Organize This Practical Tips Green Ideas and Ruminations about your CRAP began as a collection of the organizing columns she wrote for a local newspaper CRAP is Vali's acronym that means Clutter that Robs Anyone of Pleasure The book includes numerous tips on how to organize green ways to recycle unwanted CRAP success stories from clients and further ruminations about CRAP Vali helps her readers explore why they have so much CRAP in their homes why they don't throw it out and why they don't want to deal with it She helps the reader answer those questions and provides practical easy tips to organize their homes and help them live the life they really want In addition her book is chock full of organizing resources is fun to read and makes a great gift for the organized person as well as the organizationally challenged Vali's insight helps readers learn the difference between belongings and CRAP and empowers them to discover that less is more Her book also proposes how to live a more green life and help save the planet in the process Her passion is to find simple easy to implement ways to organize life at home and at work and pass them on to her readers Bob Rios of Bob Rios Visual Strategies created unique cartoons for the book to illustrate the dilemmas many readers face as they organize and unclutter their lives Bob is a graphic designer website developer and of course a talented illustrator who lives in Lebanon Pennsylvania with his wife and five children Bob uses his creativity and design expertise to further the business goals of his clients Through consultation and conversation he gathers content colors type illustrations and shapes to capture and convey a company's message You'll find his self portrait on page 99 of the book Donna Smallin Certified Professional Organizer and author of Organizing Plain Simple and several other books on organization describes Vali's book as Simultaneously witty and practical Organize This is the intelligent person's guide to a simpler more organized life Look for Donna's latest eBook entitled How to Declutter and Make Money Now by Donna Smallin Kuper Chris Crouch is president and founder of DME Training and Consulting author of several books on improving productivity and developer of the GO System training course He describes Vali's book Stuff or as Vali calls it CRAP can and will easily find its way into your life The challenge is to limit the inflow and purge the unnecessary items that

somehow remain stuck in your environment Vali's insightful book will help you accomplish those two life-changing goals. Chris continues to research and study both the mental and physical aspects of living a more joyful and productive life and pass them on to his readers. Debbie Lillard, Certified Professional Organizer and author of *Absolutely Organize Your Family* and *Absolutely Organized: A Mom's Guide*, describes Vali's book. Vali writes with an environmentally responsible attitude towards ridding the world of CRAP. She understands the causes of disorganization, leaves judgment at the doorstep, and jumps right in to tackle the problems. Her resources are valuable; this is a book you'll want to recycle and reuse again and again. Debbie owns an organizing business in Broomall, Pennsylvania, and shares her expert advice on various media channels. Vali wants readers to know that the goal of organizing isn't to have a perfect Better Homes and Garden house; hers isn't, but rather to provide order to enjoy the space you have, handle the tough times with grace, and aspire to live the best life possible.

**Designing a World-Class Architecture Firm** Patrick MacLeamy, 2020-03-13. Offers architects and creative services professionals exclusive insights and strategies for success from the former CEO of HOK. *Designing a World-Class Architecture Firm: The People, Stories, and Strategies Behind HOK* tells the history of one of the largest design firms in the world and draws lessons from it that can help other architects, interior designers, urban planners, and creative services professionals grow bigger or better. Former HOK CEO Patrick MacLeamy shares the revolutionary strategies HOK's founders deployed to create a brand-new type of architecture firm. He pulls no punches, revealing the triple crisis that almost bankrupted HOK and describes how any firm can survive and thrive. *Designing a World-Class Architecture Firm* tells the inside story of many of HOK's most iconic buildings, including the National Air and Space Museum, Moscone Convention Center, Oriole Park at Camden Yards, the Houston Galleria, and the reimagined LaGuardia Airport. Each chapter conveys lessons learned from HOK's successes and failures, including the importance of diversifying to depression and recession-proof your firm, the benefit of organizing your firm around specialized leaders and project types, the difference between leading and managing your people, the value of simple financial metrics to ensure your firm's health and profitability, the run-toward-trouble strategy which prevents problems from ballooning. MacLeamy delivers his advice via inspirational stories such as how HOK survived when its home office in St. Louis went up in flames and humorous stories like the time an HOK executive was mistaken for royalty on a trip to Saudi Arabia. In this tell-all guide, the driven architecture or design professional will find the tools needed to evolve or grow any firm.

**Frugal Minimalist! Discover This Guide About How To Effectively Use Minimalist Techniques For Beginner's** Old Natural

Ways,2021-08-30 What is minimalism At its core minimalism involves the use of only the most basic essential elements in design and art In other words minimalism involves art that utilizes the barest of essentials nothing more nothing less So what is minimalism exactly The short answer is that it s an art style entirely on a minimalist level minimalism can be viewed as an aesthetic principle or even a guiding principle for artistic creation For some artists minimalism comes easy the result is a type of art where everything is simply added to the background enhancing the piece instead of subtracting from it For others minimalism can be a difficult frustrating way to express yourself because it requires the artist to not only pay attention to the appearance of their work but also to pay attention to the subtleties of form and color Still others think of minimalism in a more philosophical way claiming it to be the foundation for all creative endeavor Regardless of how one views minimalism it s apparent that it can add tremendous value to your home When you live with minimalism in your home it allows you to appreciate the simple pleasures of life You re less stressed out have more time to enjoy family and friends and don t waste money or energy trying to make art or literature out of everyday objects Because you re living a minimalist lifestyle you re able to appreciate simple pleasures like spending time with friends going for a walk in the park or enjoying that new cookbook you picked up at the local library This allows you to live a more enjoyable less stressful life
