The Mormon Quest for Glory Melvyn Hammarberg, 2013-07-18 What is it like to be a Mormon in America today Melvyn Hammarberg attempts to answer this question in *The Mormon Quest for Glory* by offering an ethnography of contemporary Mormons

River Notes Wade Davis, 2023-09-19 At a time when the Colorado River and all those who depend on it are in peril this urgent book offers both a love song and a paean of regret to America's most spectacular river Denver Post and a plea to save it before it's too late The Wall Street Journal From bestselling author long time former National Geographic Explorer and anthropologist Wade Davis comes the story of America's Nile how it once flowed freely and how human intervention has left it near exhaustion altering the water temperature volume local species and shoreline of the river Theodore Roosevelt once urged us to leave it as it is Plugged by no fewer than twenty five dams the Colorado is the world's most regulated river drainage providing most of the water supply of Las Vegas Tucson and San Diego and much of the power and water of Los Angeles and Phoenix cities that are home to more than 25 million people If it ceased flowing the water held in its reservoirs might hold out for three to four years but after that it would be necessary to abandon most of southern California and Arizona and much of Colorado New Mexico Utah and Wyoming For the entire American Southwest the Colorado is indeed the river of life which makes it all the more tragic and ironic that by the time it approaches its final destination it has been reduced to a shadow upon the sand its delta dry and deserted its flow a toxic trickle seeping into the sea Yet despite more than a century of human interference Davis writes the splendor of the Colorado lives on in the river's remaining wild rapids quiet pools and sweeping canyons The story of the Colorado River is the human quest for progress and its inevitable effects and an opportunity to learn from past mistakes and foster the rebirth of America's most iconic waterway A beautifully told story of historical adventure and natural beauty *River Notes* is a fascinating journey down the river and through mankind's complicated and destructive relationship with one of its greatest natural resources Published in Partnership with the David Suzuki Institute

of unprecedented suffering of Christians In the gospel restricted world more Christians have been persecuted in the past few years than at any other time while in the free world Christians increasingly face the temptation of corruption immorality and family breakdowns Lee shares his research and suggestions gleaned from his thirty years of ministry both in free and persecuted worlds In the face of growing Christian suffering worldwide this book provides hope and encouragement with stories from difficult mission contexts like a pandemic social unrest and other hostile environments to Christians This is a must read for anyone trying to live a godly life in Jesus Christ Magnificent Surrender Roger Helland,2012-01-25 God's kingdom is our true home but we've picked up a habit of resisting it And when finally we do fall in most of us find we've survived so long outside his kingdom that we've lost all instinct for thriving in it That's where Roger Helland meets us Roger has thought long and studied hard on these matters He has pondered deeply what it means to be fully alive in Christ and for Christ and he's tested his insights in classrooms in churches with denominations but mostly in his own life In Magnificent Surrender he's distilled what he's learned into a field guide for kingdom living But Roger draws from an even deeper source His book derives its force and depth from Paul's letter to the Colossians Indeed Magnificent Surrender is an extended pastoral reflection on and application of that letter Colossians in four brief chapters presents the glory of Jesus Christ and the glory of a life wholly submitted to him It is a manifesto of the rich life Magnificent Surrender heralds that brilliantly It's a wise loving and sometimes stern invitation to read Colossians again with fresh eyes and fierce resolve It's also a challenge to take to heart its promise and its exhortation that we can and must live in through with and for Christ who is all and in all supreme and sufficient Mark Buchanan from the Foreword **The New Era** ,2002 **Translating the Message** Lamin Sanneh,2015-02-25 **Franciscan Message** ,1962 **The Spirit of Missions** ,1893 Includes the proceedings of the annual meeting of the Society *K'oria Misyõn P'ildũ* ,1919 **Women and Missions** Lucia P.
