to address the above questions and much much more Moon Signs Donna Cunningham,1988-12-13 If you think your astrological fate is sealed by your Sun sign think again Your emotions instincts intuition and most private passions are dominated by your Moon sign In this eye opening volume world famous astrologer and therapist Donna Cunningham unravels the often bewildering effects of lunar influence a person s potential for intimacy sense of security family ties susceptibility to indulgence in food or drink career ambition as well as how men and women respond differently to the same lunar promptings in love and life Cunningham provides all the information you need to determine your own and others Moon signs and analyze their power Moon Signs also charts the daily monthly and yearly courses of the moon which create those predictable mood swings our emotional weather The time honored tradition of astrology has come into its own as a resource for human development and spiritual insight For astrological novices and veterans alike Cunningham s invaluable guide will pave the way to a more profound understanding of the uncharted and sometimes dark side of the soul The Astrological Grimoire Beatrix Gravesguard,Shewolfe,2019-04-09 From the co hosts of Astral Projection Radio Hour on BFF fm a guide to understanding your natal chart with practices to help you tap into your intuition This unique astrological perspective invites readers to discover themselves in every sign of the zodiac Divided into twelve chapters one for each sign the book offers horoscopes based on moon phase and mood phase emotions and life events so readers can always find a horoscope that speaks to their current life moment The Astrological Grimoire guides readers in understanding their birth chart so they can learn how all the signs impact their lives and find the right horoscope for any situation This holistic and individualized book is ultimately an uplifting way to find meaning in the movements of the universe Your Astrological Moon Sign David Wells,2012-01-02 You may think of yourself as a Gemini but would you be surprised to discover that emotionally you are a Scorpio Most of us are familiar with our Sun sign but many people are unaware of the insights that our Moon sign can give us into our emotional self and our relationships with family friends and even would be partners This book combines your personal Sun and Moon signs offering you a personality profile with 144 different combinations Written in David s typical light hearted and humorous style it is a fun read but still contains some very hard hitting observations It will help you better understand your home life your career and your love life enabling you to make changes that suit your emotional nature better And if there s someone new in your life wouldn t it be useful to know their Moon sign as well as their Sun sign Are they a werewolf angel vampire or saint **The Force Is with You Always!** Richard Koepke,2011-05-10 This book teaches people how Spirit operates directly in our lives today and what we must do to live life to the fullest and with malice toward none It teaches spiritual principles on how to live life with gratitude acceptance joy abundance and wellness It connects us with our eternal being within and encourages us to create our own soul music without Have we lost our way as a society In the wake of humans murdering over 100 million other humans in the past century many of us are seeking answers to the ever increasing cultural violence surrounding us From capital punishment to going postal we live in a very violent society Hardly a

day passes without news of government torture prisons drive by shootings a ten year old boy murdering his father or a congresswoman being shot in the head Shocking revelations such as American government doctors using unsuspecting American citizens as human guinea pigs for decades of medical experiments further alienate the government from the people that they are supposed to serve It seems to me that we need a new vision of humanity that our faltering institutions have failed to provide I believe that we need to replace institutional blight with greater spirituality We need a new spirit of integrity that replaces the often deceitful and violent leadership we currently embrace We need to challenge the don't get mad get even mentality in our society with greater understanding for one another We need to be role models for positive reinforcement learning rather than the punishment that only teaches more violence and hatred and like the Montagues and Capulets the never ending need to seek revenge This book addresses how to live a life of health and wellness in the midst of a truly sick society
