JOEL CROHN, PH.D.

Mixed Matches How To Create Successful Interracial Interethnic And Interfaith Marriages

Kerry M. Olitzky, Joan Peterson Littman

Mixed Matches How To Create Successful Interracial Interethnic And Interfaith Marriages:

Mixed Matches Joel Crohn, 1995 Mixed matches are more complicated relationships than those between people from similar backgrounds. Often the very qualities that attracted us to our partners ultimately lie at the roots of our most difficult problems. For even when partners don't feel a strong identification with their racial, religious, or cultural groups, they discover that their loyalty to the past goes deeper than they realized. Psychotherapist Joel Crohn has learned in years of counseling couples in cross-cultural relationships that how partners negotiate their cultural and religious differences is as important as what the differences are. Over time, the reserve of a Protestant wife can seem like emotional withholding to her Jewish husband whose openness seems intrusive to her. An Asian father may feel his children need more discipline while his American wife thinks they have it harder than she did. A black Trinidadian man is excited about the opportunities in the United States while his Detroit-born black girlfriend thinks he's naive about racism. The methods in *Mixed Matches* have helped these and many other couples approach each other compassionately, teaching them to translate their different styles of expression and negotiate successful resolutions. Dr. Crohn also offers practical advice on how couples can confront prejudice and stereotypes, deal with in-laws, and help children achieve a sense of identity in a bicultural family.

Making a Successful Jewish Interfaith Marriage Kerry M. Olitzky, Joan Peterson Littman, 2003 Straightforward and nonjudgmental advice for dating couples, partners, husbands, and wives in interfaith relationships. Interfaith relationships are commonplace; the challenges that go along with them are not. An interfaith couple will have to confront tough questions yet it's often difficult to find answers, especially when traditional sources of help—family, friends, clergy, and counselors—are unable or unwilling to understand the problems. From a Jewish perspective, this book guides interfaith couples at any stage of their relationship, from dating and engagement to the wedding and marriage, and the people who are affected by their relationship in any way, including their families and counselors who work with interfaith couples. While making no judgments or dictating answers and supporting individual choice, topics covered include: What is an intermarriage? Why do people intermarry? When do you bring up the subject of religion? What is conversion, and is it necessary? When do you discuss and decide how children will be raised, and much more.

The Interracial Experience Ursula M. Brown, 2000-11-30 The number of black-white mixed marriages increased by 504% in the last 25 years. By offering relevant demographic research and sociocultural data as well as a series of intensely personal and revealing vignettes, Dr. Brown investigates how mixed-race people cope in a world that has shoehorned them into a racial category that denies half of their physiological and psychological existence. She also addresses their struggle for acceptance in the black and white world and the racist abuses many of them have suffered. Brown interweaves research findings with interviews of children of black-white interracial unions to highlight certain psychosocial phenomena or experiences. She looks at the history of interracial marriages in the United States and discusses the scientific and social theories that underlie the racial bigotry suffered by mixed people. Questions of racial identity conflict

and self esteem are treated as are issues of mental health An important look at contemporary mixed race issues that will be of particular interest to scholars researchers students and professionals dealing with race family and mental health concerns

Asian American Society Mary Yu Danico, 2014-08-19 Asian Americans are a growing minority population in the United States After a 46 percent population growth between 2000 and 2010 according to the 2010 Census there are 17.3 million Asian Americans today Yet Asian Americans as a category are a diverse set of peoples from over 30 distinctive Asian origin subgroups that defy simplistic descriptions or generalizations They face a wide range of issues and problems within the larger American social universe despite the persistence of common stereotypes that label them as a model minority for the generalized attributes offered uncritically in many media depictions Asian American Society An Encyclopedia provides a thorough introduction to the wide ranging and fast developing field of Asian American studies Published with the Association for Asian American Studies AAAS two volumes of the four volume encyclopedia feature more than 300 A to Z articles authored by AAAS members and experts in the field who examine the social cultural psychological economic and political dimensions of the Asian American experience The next two volumes of this work contain approximately 200 annotated primary documents organized chronologically that detail the impact American society has had on reshaping Asian American identities and social structures over time Features More than 300 articles authored by experts in the field organized in A to Z format help students understand Asian American influences on American life as well as the impact of American society on reshaping Asian American identities and social structures over time A core collection of primary documents and key demographic and social science data provide historical context and key information A Reader's Guide groups related entries by broad topic areas and themes a Glossary defines key terms and a Resource Guide provides lists of books academic journals websites and cross references The multimedia digital edition is enhanced with 75 video clips and features strong search and browse capabilities through the electronic Reader's Guide detailed index and cross references Available in both print and online formats this collection of essays is a must have resource for general and research libraries Asian American ethnic studies libraries and social science libraries

Bar/Bat Mitzvah Basics 2/E Cantor Helen Leneman, 2011-09-08 How to manage the process with grace joy and good sense A practical guide that gives parents and teens the how to information they need to navigate the bar bat mitzvah process and grow as a family through this experience For the first time in one book everyone directly involved offers practical insights into how the process can be made easier and more enjoyable for all Rabbis cantors and Jewish educators from the Reform Conservative and Reconstructionist movements parents and even teens speak from their own experience What's it all about Preparation for Parent and Child Tutoring stress expectations enjoyment planning for children with special needs Negotiating the ceremony and celebration Designing a creative service heightening the spiritual exercise special issues related to divorced and interfaith families planning a party that neither breaks the bank nor detracts from the inherent spirituality of the event

Black Men in Interracial Relationships

Kellina M. Craig-Henderson, Grounded in research interviews and analysis of census data this book examines why relationships between black men and women not of African descent appear to be so popular among the black male elite It provides insight into the continuing ways that race and ethnic status affect people s life choices **Treating Couples** Hilda Kessler,1996-02-14 A Volume in the Jossey Bass Library of Current Clinical Technique Therapists who want to work skillfully with couples are often confronted with a confusing array of theories techniques and myths Treating Couples creatively addresses many of these challenging issues while shining a light to help therapists navigate through this confusing maze Ellyn Bader Ph D co director The Couples Institute Menlo Park California Treating Couples weeds through the treatment trAnds and presents a rational framework for assessing which methods will most effectively meet clients needs and expectations This is an accessible guide for the wide range of professionals who practice couples therapy Treating Couples promotes the clinical functions of evaluation assessment judgment and hypothesis formation and testing and will serve as an invaluable resource for determining which approaches are the most ethical flexible and creative for the effective treatment of couples *Doing Therapy with Intercultural Couples* Sunita Noronha,2022-04-28 Marital concord between couples from different racial and ethnic backgrounds is an issue that needs serious attention to bridge the vast chasms America welcomes people from all over the world People of all religions and ethnic backgrounds come here to study and migrants arrive here to work Interracial marriages are common but the radically different background of each couple can create discords and prove to be bumps on the highway of conjugal life This can have serious repercussions on the offspring and on the couple and their lives as well This book seeks to investigate how cultural realities can be addressed within intercultural premarital couples counseling Using a cultural focus approach couples stories around their particular culture and relationship were analyzed Themes related to relationship family and social ties and parenting bi cultural and bi racial children were examined Issues of religious and social influence money race ethnicity extended family immigration and biases in family of origin are explored as are roles and responsibilities communication respect trust and gender stereotyping The book adopts a pastoral theological approach in working towards a deeper understanding of premarital relationships of partners who represent cultural difference and diversity In conclusion recommendations to therapists and care givers for counseling intercultural couples are made Intercultural Parenting and Relationships Dharam Bhugun,2019-05-10 This book provides understandings of how intercultural racial ethnic national and faith couples and parents in Australia bring up their children and manage their relationships Which challenges and benefits do they encounter and which strategies do they use to negotiate their differences and belongingness In portraying the lived experiences of intercultural couples and parents Bhugun considers contextual and external factors such as individual and personality traits the environment gender and power religion socio economic status extended family friends and diasporic communities Moving the reader from beyond negative stereotypes to a more nuanced representation of both the challenges and benefits of the phenomenon Intercultural Parenting and

Relationships provides intimate testimonies and offers innovations in theory and practice. Scholars, practitioners, students, intercultural couples, parents, families, and the wider community will benefit from the rich insights into the challenges and successes of intercultural relationships and parenting presented in this book. Your Intercultural Marriage Marla Alupoai, 2009-06-24. In an increasingly global and connected world, marriages between spouses of different countries and cultures are on the rise. Marla Alupoai herself wed to a Romanian, helps couples sort through such issues as food, finances, family, and such hidden problems as different understandings of what it means to be on time. Marla combines real life stories with expert perspectives and biblical insight for a helpful guide both for those just starting out on the intercultural adventure and those in the midst of it. You'll get practical and biblical advice for handling the most common intercultural conflicts including Planning your wedding, Communication, Understanding each other's values, Different views of time, Agreeing on food, Managing finances, Intimacy, Raising children, Handling illness and grief. **Clinical Handbook of Couple Therapy** Alan S. Gurman, Jay L. Lebow, Douglas K. Snyder, 2015-06-02. This book has been replaced by *Clinical Handbook of Couple Therapy* Sixth Edition edited by Jay L. Lebow and Douglas K. Snyder, ISBN 978 1 4625 5012 8. *Clinician's Guide to Cultural Psychiatry* Wen-Shing Tseng, 2003-06-07. Increasingly, psychologists are becoming aware of sensitivity needs with respect to treating patients from differing cultures. Culture can play an important role both in what a patient discloses about themselves, how likely they are to follow a therapist's advice, and whether specific therapies are likely to be effective for them. Following on the heels of Tseng's *Handbook of Cultural Psychiatry* comes this *Clinical Application of Cultural Psychiatry*. This more concise book focuses on information most relevant to treating patients. The book discusses how culture plays a role in specific disorders: depression, anxiety, eating and sexual disorders, substance abuse, schizophrenia, etc. Relevant sensitivities to keep in mind in treating specific patient populations: age groups, differing religions, and differing ethnicity's. Written by a nationally and internationally recognized scholar, clinician, and author. Has the proper combination of knowledge, skill, and conceptual discussion for clinical practicalities. Provides comprehensive and systematic coverage of major topics for clinical application. Enhanced by more than 120 tables and figures and nearly 30 case illustrations. Will serve as a major textbook in the training of psychiatric residents and clinical psychologists. *Navigating Interracial Borders* Erica Chito Childs, 2005-05-24. One of the best books written about interracial relationships to date. Childs offers a sophisticated and insightful analysis of the social and ideological context of black-white interracial relationships. Heather Dalmage, author *Tripping on the Color Line*. A pioneering project that thoroughly analyzes interracial marriage in contemporary America. Eduardo Bonilla-Silva, author of *Racism without Racists: Color-Blind Racism and the Persistence of Racial Inequality in the United States*. Is love color-blind or at least becoming increasingly so? Today's popular rhetoric and evidence of more interracial couples than ever might suggest that it is. But is it the idea of racially mixed relationships that we are growing to accept, or is it the reality? What is the actual experience of individuals in these partnerships as they navigate their way through public spheres and intermingle in small

close knit communities In *Navigating Interracial Borders* Erica Chito Childs explores the social worlds of black white interracial couples and examines the ways that collective attitudes shape private relationships Drawing on personal accounts in depth interviews focus group responses and cultural analysis of media sources she provides compelling evidence that sizable opposition still exists toward black white unions Disapproval is merely being expressed in more subtle color blind terms Childs reveals that frequently the same individuals who attest in surveys that they approve of interracial dating will also list various reasons why they and their families wouldn't should'n't and couldn't marry someone of another race Even college students who are heralded as racially tolerant and open minded do not view interracial couples as acceptable when those partnerships move beyond the point of casual dating Popular films Internet images and pornography also continue to reinforce the idea that sexual relations between blacks and whites are deviant Well researched candidly written and enriched with personal narratives *Navigating Interracial Borders* offers important new insights into the still fraught racial hierarchies of contemporary society in the United States

Love's Revolution Maria P. P. Root, 2001 When the Baby Boom generation was in college the last miscegenation laws were declared unconstitutional but interracial romances retained an aura of taboo Since 1960 the number of mixed race marriages has doubled every decade Today the trend toward intermarriage continues and the growing presence of interracial couples in the media on college campuses in the shopping malls and other public places draws little notice *Love's Revolution* traces the social changes that account for the growth of intermarriage as well as the lingering prejudices and false beliefs that oppress racially mixed families For this book author Maria P P Root a clinical psychologist interviewed some 200 people from a wide spectrum of racial and ethnic backgrounds Speaking out about their views and experiences these partners family members and children of mixed race marriages confirm that the barriers are gradually eroding but they also testify to the heartache caused by family opposition and disapproving strangers Root traces race prejudice to the various institutions that were structured to maintain white privilege but the heart of the book is her analysis of what happens when people of different races decide to marry Developing an analogy between families and types of businesses she shows how both positive and negative reactions to such marriages are largely a matter of shared concepts of family rather than individual feelings about race She probes into the identity issues that multiracial children confront and draws on her clinical experience to offer child rearing recommendations for multiracial families Root's Bill of Rights for Racially Mixed People is a document that at once empowers multiracial people and educates those who ominously ask What about the children *Love's Revolution* paints an optimistic but not idealized picture of contemporary relationships The Ten Truths about Interracial Marriage that close the book acknowledge that mixed race couples experience the same stresses as everyone else in addition to those arising from other people's prejudice or curiosity Their divorce rates are only slightly higher than those of single race couples which suggests that their success or failure at marriage is not necessarily a racial issue And that is a revolutionary idea Author note Maria P P Root Ph D is a clinical psychologist and past President of the

Washington State Psychological Association *America and the Challenges of Religious Diversity* Robert Wuthnow, 2011-07-01 Muslims Hindus Buddhists and adherents of other non Western religions have become a significant presence in the United States in recent years Yet many Americans continue to regard the United States as a Christian society How are we adapting to the new diversity Do we casually announce that we respect the faiths of non Christians without understanding much about those faiths Are we willing to do the hard work required to achieve genuine religious pluralism Award winning author Robert Wuthnow tackles these and other difficult questions surrounding religious diversity and does so with his characteristic rigor and style *America and the Challenges of Religious Diversity* looks not only at how we have adapted to diversity in the past but at the ways rank and file Americans clergy and other community leaders are responding today Drawing from a new national survey and hundreds of in depth qualitative interviews this book is the first systematic effort to assess how well the nation is meeting the current challenges of religious and cultural diversity The results Wuthnow argues are both encouraging and sobering encouraging because most Americans do recognize the right of diverse groups to worship freely but sobering because few Americans have bothered to learn much about religions other than their own or to engage in constructive interreligious dialogue Wuthnow contends that responses to religious diversity are fundamentally deeper than polite discussions about civil liberties and tolerance would suggest Rather he writes religious diversity strikes us at the very core of our personal and national theologies Only by understanding this important dimension of our culture will we be able to move toward a more reflective approach to religious pluralism Close Romantic Relationships John H. Harvey, Amy Wenzel, 2001-06 Intended to highlight cutting edge research on the maintenance enhancement of close relationships for researchers in the area or as a supplement for Intimate Relationship courses in psych communication family relations and socio depts **When You Intermarry** Charles Joanides, 2002 *Making Our Way to Shore* Eileen O'Farrell, 2004 Since 1991 members of the Jewish Catholic Couples Dialogue Group in Chicago have celebrated a combination Hebrew Baby Naming and Baptism ceremony as they welcome their children into the world with the support and participation of a Catholic Priest and Reform Rabbi These ceremonies are spiritual moments created in the spirit of finding new pathways for interfaith families to share in their religious traditions For some couples their ceremony makes a statement about the religious identity of their child either in one tradition or another For others it is an expression of thanks to God for new life and the wish to ask for God s blessing on their family In either case the celebration is an authentic manifestation of a Divine presence in their new family In addition to the ceremony this text includes an overview of the current literature regarding Catholic Jewish families a review of Hebrew Rites of Initiation as well as a short course on Catholic sacramentality and Baptism commonly asked questions and answers facing Catholic Jewish couples a lively conversation between a Rabbi and a Priest regarding rites of initiation a resource section of books and websites and a closing chapter on topics of family faith formation **What Are You?** Pearl Fuyo Gaskins, 1999-06-15 Many young people of racially

mixed backgrounds discuss their feelings about family relationships prejudice dating personal identity and other issues

Fighting for Your Marriage Howard J. Markman, Scott M. Stanley, Susan L. Blumberg, 2010-03-18 A thorough revision with a new video of couples in action using the PREP method for strengthening marriage and avoiding divorce court The third edition of the best selling classic on marriage enhancement and divorce prevention features the latest research and changes of heart in our culture and society New and revised Fighting for Your Marriage is based on the widely acclaimed PREP Prevention and Relationship Enhancement Program approach Groundbreaking studies have found that couples can use the strategies of this approach to handle conflict more constructively protect their happiness and reduce the odds of breaking up The book is based on more than twenty years of university research Explores how to apply the PREP approach to any marriage Shows couples how to talk more and fight less deepen and protect their friendship and keep the fun alive Reveals what it takes to have a more intimate sensual relationship and how to clarify and act on priorities The authors have included a wealth of techniques and down to earth guidance for all couples who seek to promote greater character and pleasure in their long term relationships

Mixed Matches How To Create Successful Interracial Interethnic And Interfaith Marriages Introduction

In today's digital age, the availability of Mixed Matches How To Create Successful Interracial Interethnic And Interfaith Marriages books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Mixed

Matches How To Create Successful Interracial Interethnic And Interfaith Marriages books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Mixed Matches How To Create Successful Interracial Interethnic And Interfaith Marriages books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Mixed Matches How To Create Successful Interracial Interethnic And Interfaith Marriages versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Mixed Matches How To Create Successful Interracial Interethnic And Interfaith Marriages books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Mixed Matches How To Create Successful Interracial Interethnic And Interfaith Marriages books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Mixed Matches How To Create Successful Interracial Interethnic And Interfaith Marriages books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Mixed Matches How To Create Successful Interracial Interethnic And Interfaith Marriages books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient

means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Mixed Matches How To Create Successful Interracial Interethnic And Interfaith Marriages books and manuals for download and embark on your journey of knowledge?

FAQs About Mixed Matches How To Create Successful Interracial Interethnic And Interfaith Marriages Books

1. Where can I buy Mixed Matches How To Create Successful Interracial Interethnic And Interfaith Marriages books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
