Mixedrace Postrace:

Mixed-Race, Post-Race Suki Ali, 2020-05-27 Social scientists claim that we now live in a post race society where race has been replaced by ethnicity Yet racism is endemic to British society and people often think in terms of black and white With a marked rise in the number of children from mixed parentage there is an urgent need to challenge simplistic understandings of race nation and culture and interrogate what it means to grow up in Britain and claim a mixed identity Focusing on mixed race and inter ethnic families this book not only explores current understandings of race but it shows using innovative research techniques with children how we come to read race What influence do photographs and television have on childrens ideas about race How do children use memories and stories to talk about racial differences within their own families How important is the home and domestic culture in achieving a sense of belonging Ali also considers through data gathered from teachers and parents broader issues relating to the effectiveness of anti racist and multicultural teaching in schools and parental concerns over the social mobility and social acceptability of their children Rigorously researched this book is the first to combine childrens accounts on race and identity with contemporary cultural theory Using fascinating case studies it fills a major gap in this area and provides an original approach to writing on race Global Mixed Race Rebecca C.

King-O'Riain, Stephen Small, Minelle Mahtani, Miri Song, Paul Spickard, 2014-03-14 Patterns of migration and the forces of globalization have brought the issues of mixed race to the public in far more visible far more dramatic ways than ever before Global Mixed Race examines the contemporary experiences of people of mixed descent in nations around the world moving beyond US borders to explore the dynamics of racial mixing and multiple descent in Zambia Trinidad and Tobago Mexico Brazil Kazakhstan Germany the United Kingdom Canada Okinawa Australia and New Zealand In particular the volume s editors ask how have new global flows of ideas goods and people affected the lives and social placements of people of mixed descent Thirteen original chapters address the ways mixed race individuals defy bolster speak and live racial categorization paying attention to the ways that these experiences help us think through how we see and engage with social differences The contributors also highlight how mixed race people can sometimes be used as emblems of multiculturalism and how these identities are commodified within global capitalism while still considered by some as not pure or inauthentic A strikingly original study Global Mixed Race carefully and comprehensively considers the many different meanings of racial mixedness
