Mob Side Mabive:

Mob Boss Jerry Capeci, Tom Robbins, 2013-10-01 A fascinating new book about mafia boss Alfonso D Arco who became the federal government's most successful cooperator. The Village Voice Alfonso Little Al D Arco the former acting boss of the Luchese organized crime family was the highest ranking mobster to ever turn government witness when he flipped in 1991. His decision to flip prompted many others to make the same choice including John Gotti's top aide Salvatore Sammy the Bull Gravano and his testimony sent more than fifty mobsters to prison. In **Mob Boss** award winning news reporters Jerry Capeci and Tom Robbins team up for this unparalleled account of D Arco's life and the New York mob scene that he embraced for four decades. Until the day he switched sides D Arco lived and breathed the old school gangster lessons he learned growing up in Brooklyn and fine tuned on the mean streets of Little Italy. But when he learned he was marked to be whacked D Arco quit the mob. His defection decimated his crime family and opened a window on mob secrets going back a hundred years. After speaking with D Arco the authors reveal unprecedented insights exposing shocking secrets and troublesome truths about a city where a famous pizza parlor doubled as a Mafia center for multi million dollar heroin deals where hit men carried out murders dressed as women and where kidnapping a celebrity newsmen's son was deemed appropriate revenge for the father's satirical novel. Capeci and Robbins spent hundreds of hours in conversation with D Arco and exhausted many hours more fleshing out his stories in this riveting narrative that takes readers behind the famous witness testimony for a comprehensive look at the Mafia in New York City.

Mafia Murders M. A. Frasca, 2015-11-25 Revenge killings gangland shootouts brutal executions and drownings there was no escape from the Mob's hitmen. Mobbed Up James Neff, 2015-04-07 The spellbinding saga of Teamster boss Jackie Presser's rise and fall. In his rise from car thief to president of America's largest labor union Jackie Presser used every ounce of his street smarts and rough edged charisma to get ahead. He also had a lot of help along the way not just from his father Bill Presser a Teamster power broker and thrice convicted labor racketeer but also from the Mob and the FBI. At the same time that he was taking orders from the Cleveland Mafia and New York crime boss Fat Tony Salerno Presser was serving as the FBI's top informant on organized crime. Meticulously researched and dramatically told **Mobbed Up** is the story of Presser's precarious balancing act with the Teamsters the Mafia and the Justice Department. Drawing on thousands of pages of classified files James Neff follows the trail of greed corruption and hubris all

Contributor ,1886 *The Dark Side of Honour* T.L. Newnes,2025-05-16 Too often honour becomes a weapon cloaked in tradition Across time and cultures it has been invoked to justify violence hatred and prejudice In this collection seven poignant stories unravel the ways this noble ideal has been distorted revealing the cost of honour gone awry From the blood stained battlegrounds of 13th century England to the caste divides and religious conflicts of modern day India these stories span continents and centuries Forbidden love Condemned identities Shattered lives All in the name of upholding family race class or faith But amid the darkness hope flickers Young voices rise and courage begins to dismantle centuries of prejudice THE DARK SIDE OF HONOUR is a powerful unflinching collection that challenges readers to rethink what honour truly means and what it should never become **Interstate** D. A. Rally,2010-05 Traveling the interstate alone in the eerie hours of night is a lonely road indeed Clifton Darson had endured many such trips during his brilliant engineering career but none like the one that would violently rip him from the real world and throw him into a living nightmare Awakening in a lost and forgotten land full of salvation and sacrifice Cliff is faced with imprisonment forced labor and the everlasting human question of faith as the shadows of his previous life linger in his every action As the second novel of The Triad Series Interstate touches upon a brand new realm of adversity and survival in the face of false life freedom and death Even more questions arise concerning the Triad its origins and its intent as one man s heart and inner will are pushed to their very limits by an unseen evil that lurks in every corner of the land called Eden **Another Job** G. George,2011-10-31 The news reports were nonstop now and for the rest of the world this must have seemed like they were witnessing a made for television drama One news anchor person said it like this In an unprecedented chain of events tonight the Bethany family has been decimated In three separate but tragic accidents Jo and Eva Bethany have lost their four children in one night After all this family has endured over the past year you would think that they have had their run of bad luck But it seems that this is not the case Remember the scandal involving George the youngest Bethany with the allegations of homosexuality That cost him a lucrative baseball career Then there was the allegation of an extramarital affair by the older brother James That too turned out to be bogus We also all remember the blockbuster trial of the decade in which Destiny Bethany Lorber was found guilty only to be vindicated in open court at her sentencing For years this reporter thought the Bethany family was truly blessed I now believe that they are the modern day version of the Kennedys This family must be cursed How else would you explain this bizarre chain of events Mmmmm Thats my commentary and thats the news for tonight We know you have a lot of choices
