Mobilizing For Compassion Moving People Into Ministry:

Mobilizing for Compassion Robert E. Logan, Larry Short, 1994 *Church Administration* Clifford Mushishi, 2010-07-14
This book on church administration is a tool for all pastors and leaders in all churches. It provides ideas, methods, guidelines, and styles of administering and supervising modern day congregations and religious organizations in an easy to follow language. It can be used for any clergy or lay training, retreat, spiritual formation workshops and seminars. Theological or Bible institutions or universities which offer courses in church administration will find this book most helpful. Individuals can use it for their personal spiritual development. It also carries a devotional and motivational aspect which every spiritual leader cannot afford to miss.

Finding a Vision for Your Church Michael A. Milton, 2024-10-18
The church is more than a building; it is an assembly of people joined together across distances and even through time to fulfill God's purposes in the world. Each local gathering of that assembly needs a vision to help its members accomplish the work God has called them to do. But how do you inspire your church to create and follow through on a vision? Mike Milton provides tested biblical ideas to get everyone in the church involved in a plan to help the congregation grow. Each chapter develops an awareness of what needs to be done, provides questions for review, and includes prayers by elders and ministers of churches that have put these ideas to use.

The Mirage Shall Become a Pool Ondrej Hron, 2012-11-01
Few things are as important as our notions of justice and mercy. Yet how are we to make sense of our moral treatment of the poor given all the political, philosophical, and theological voices? While Christian Scripture is not silent on the matters of social justice and charity, even here our variously conditioned presuppositions cause us significant interference. Only a careful hermeneutical reset can move us beyond our personal and cultural situatedness. This requires a thorough exploration of both interpretative strategies and pertinent scriptural witnesses. So how would the New Testament witness have us treat the materially needy? How do we act justly and love mercy in walking humbly with our God?

A Strategy For Reaching Secular People Ernan A. Norman, D. Min., 2007-05-11
Dr. Ernan A. Norman D. Min has identified strategies to implement John 13:35. All people will know that you are my followers if you love each other. An excellent source for the essential principles of discipleship in a postmodern world. This book is written in nontechnical language based on the experiences as a student pastor and professor. I believe that the concepts presented are fundamental and are in harmony with the model demonstrated by Jesus during His ministry on earth. Meeting people at their level, putting their needs ahead of His own, treating people with respect, befriending the nonreligious, and inviting them into a relationship with Himself are some of the concepts that are identified and supported as strategies for reaching secular people. This book is an outstanding and important piece of work and easily readable. I would urge *A Strategy for Reaching Secular People* on members and leaders in every church if they are willing to challenge basic assumptions and embrace change relative to reaching lost people. Strategies that remove the barriers that keep people from hearing about God's love and to create a warm, friendly, uncritical, and non-judgmental attitude of acceptance are clearly presented. Full of

practical how to's and watch out's this book by Ernan Norman is for individuals serious about sharing the love of God As we interact with and minister to secular people matters such as marriage and family academics employment addictions and human rights must be addressed Norman clearly gives strategies for intentional efforts to reach secular postmodern men and women in our day The central concept is the example of Jesus that we should follow A must read Weymouth Spence Ed D President of Washington Adventist University **Enemies with Smiling Faces** Donald C. Posterski, 2009-08 The world is a dangerous place Enemies lurk in all corners in our churches and in the world Their faces are different but they are equally deceptive We must learn to recognize the enemies before our minds are twisted by their ungodly concepts Some enemies come in the form of popular Christian concepts that are not truly biblical such as QUICK FIX FAITH FEELING ONLY FAITH ONE SIDED FAITH SPIRITUAL SUPERIORITY Other enemies are the common notions we absorb from our world such as SELF RELIANCE AFFLUENZA SHALLOW CHARACTER DEVELOPMENT PRIVATIZED FAITH In this book Don Posterski offers sound counsel in learning to be wise as serpents and innocent as doves Ultimately we need not simply to resist but to love our enemies and Posterski helps us find strategies for relating to and living among enemies with smiling faces

approach to ministry the book stimulates how to think not what to think It s written by a local church practitioner for local church practitioners By providing clarity to the confused it helps church leaders find their way By providing practical examples delivered uniquely in multiple church contexts it supports leaders in finding their own way And most of all by re framing the operation of the church around fostering full devotion instead of facilitating consumerism it enables leaders of local churches to reclaim the lifestyle of Jesus among its people It supports churches and leaders to find their Way the Way of Jesus

A Heart for the City John Fuder,2005-11-01 Jesus is still the answer for urban ministries for ministries to the downtrodden poor and distressed in our cities A Heart for the City is a rich compendium of valuable information on city ministries written by people who are currently ministering in the city including pastors Christian school administrators and directors of homeless missions It includes many illustrations and case studies that will prove valuable to any who work in the city or who want to understand how to more effectively help in the city There are 29 chapters divided into the following seven parts Context and History Biblical and Philosophical Foundations Education and Training Local Church Models Ethnic Communities Disenfranchised Subcultures Children and Youth A Heart For the City is a unique treasure of encouragement for those serving in or those with a heart for the inner city You will surely be blessed *The Christian Aim* Sarah Campbell Stern,2025-04-29 The Church today is made up primarily of people who sit in a pew on Sunday and never develop the gifts and calling God has placed on their lives Not only does this lead to personal frustration and disillusionment in their individual walk it also prevents the gospel from being spread to the world as God intended Believers are often exhorted to discover their purpose in God yet they are not given the tools to find out what that calling even is or how then become active in that ministry Now this new book *The Christian AIM Active in Ministry* by Sarah Campbell Stern makes plain God s vehicle and Church wide plan that incorporates every member of every congregation to reach their potential in Christ and that activates releases and mobilizes all into their specific ministry This book includes detailed step by step administrative guidelines and is a manual for evangelism that Pastors and Church administrators could begin to implement immediately *The Christian AIM Active in Ministry* is a new thing The Church at large is so used to being status quo but God has a new direction for the Church God is preparing us all for the greatest harvest of souls America has ever seen Our local communities will be reached and we the Church need to be prepared and ready to receive this harvest Finally a vehicle to put into action what God has put into your heart God s simplistic solution for unity and mobility in the Body of Christ Every Christian leader needs to read this book This book could revolutionize traditional Christianity and help make every saint active in ministry From the foreword by Dr Bill Hamon chairman founder and bishop of Christian International Ministries Network Santa Rosa Beach Florida This book gives a real practical and strategic way to mobilize the saints into works of service as unto the Lord It gave us a model to work with Pastor Pat Dolphus Church of the Risen Messiah Lake Worth Florida Sarah Campbell Stern s vision is to help the church equip people to live a life of no regrets Robert C Wrasse Pastor Prayer and Praise Assembly of God
