to acknowledge the significance of desire abandon resignation and embark on an adventure he calls our heart's most important journey Eldredge writes There is a secret set within each of our hearts It is the desire for life as it was meant to be Yet how do we uncover our desires and learn to decipher them As Eldredge says We all share the same dilemma we long for life and we're not sure where to find it We wonder if we ever do find it can we make it last We must journey to find the life we prize And the guide we have been given is the desire set deep within the desire we often overlook or mistake for something else or even choose to ignore The greatest human tragedy is to give up the search Many good people have been told that the path to a holy life requires us to kill our hearts desires And call it sanctification But in this release of one of Eldredge's most inspiring works we discover that God is the author of our deepest desires He has given us desire and he loves to fulfill our hearts desires For as the Psalms declare Delight yourself in the Lord and he will give you the desires of your heart 37 4 God is calling to you through the desires of your heart How you respond will set the course for the rest of your life Desire is a profound and winsome call to walk into the heart of God and hear Him sing to your soul about His love In a world of frenzy and clamor about desire we often miss the ache that lifts our face to look into His eyes This book will stir your heart and invite you to know the one desire that captures all passion for His purpose Drink in this work and your life will not be the same Dan Allender Author *The Healing Path* *Eldredge 2 in 1: Waking the Dead & Desire* John

Eldredge, 2008-04-16 **Realist Ecstasy** Lindsay V. Reckson, 2020-01-28 Honorable Mention Barnard Hewitt Award from the American Society for Theater Research Explores the intersection and history of American literary realism and the performance of spiritual and racial embodiment Recovering a series of ecstatic performances in late nineteenth and early twentieth century American realism *Realist Ecstasy* travels from camp meetings to Native American ghost dances to storefront church revivals to explore realism's relationship to spiritual experience In her approach to realism as both an unruly archive of performance and a wide ranging repertoire of media practices including literature photography audio recording and early film Lindsay V Reckson argues that the real was repetitively enacted and reenacted through bodily practice *Realist Ecstasy* demonstrates how the realist imagining of possessed bodies helped construct and naturalize racial difference while excavating the complex shifting and dynamic possibilities embedded in ecstatic performance its production of new and immanent forms of being beside Across her readings of Stephen Crane James Weldon Johnson and Nella Larsen among others Reckson triangulates secularism realism and racial formation in the post Reconstruction moment *Realist Ecstasy* shows how post Reconstruction realist texts mobilized gestures especially the gestures associated with religious ecstasy to racialize secularism itself Reckson offers us a distinctly new vision of American realism as a performative practice a sustained account of how performance lives in and through literary archives and a rich sense of how closely secularization and racialization were linked in Jim Crow America **The Hidden Handshake** Aleš Debeljak, 2004-09-27 *The Hidden Handshake* uses four distinct yet intertwined essays to address the questions surrounding our notions of citizenship national

identity and cosmopolitan belonging The violent disintegration of Yugoslavia and the undercurrent of EU enlargement stand out as two contrasting movements that highlight the importance of having a national identification while also defying it to avoid both the rigidity of nationalist exclusivism and the blithe nonsense of global citizenship Through the exploration of sociohistorical material and artistic visions as well as the author's layered identity as a Slovene a Yugoslav a Central European and a European Ale_ Debeljak tries to show that it is possible to remain faithful to geography history and community even as one fosters links to global cultural movements Not surprisingly the book itself shares some of this hybrid identity It uses not only theoretical concepts and empirical data but also historical sketches on art national life and society along with poetic autobiographical reminiscences and personal anecdotes Ultimately the book calls for an adoption of liberal nationalism which is commensurate with democratic order and for a more ecumenical understanding of artistic visions that does not discriminate on the grounds of one's place of origin

meditate on the processes behind biography **The A to Z of Slovenia** Leopoldina Plut-Pregelj, Carole Rogel, 2010-05-20 For more than 1 300 years Slovenes had lived in Eastern Europe without having a separate Slovene state but in December of 1990 they voted for independence or put more appropriately for disassociation from Yugoslavia Unfortunately Slovenia had to fight for its independence which it did not fully achieve until 1995 after its bloody disintegration with Yugoslavia was over Since independence however Slovenia has prospered its economy is far ahead of other former communist states and in 2004 Slovenia acceded to both NATO and the European Union the only republic of former Yugoslavia to do so The A to Z of Slovenia covers the history of Slovenia and its struggle to gain independence from communism This is done through a detailed chronology an introduction appendixes a bibliography and hundreds of cross referenced dictionary entries on some of the more significant persons places and events institutions and organizations and political economic social cultural and religious facets **The New Orleans of Fiction** James A. Kaser, 2014-07-29 The importance of New Orleans in American culture has made the city s place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on New Orleans centered fiction are available they are of little use to scholars researching works written before the 1980s In The New Orleans of Fiction A Research Guide James A Kaser provides detailed synopses for more than 500 works of fiction significantly set in New Orleans and published between 1836 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included Bait David Albahari, 2001-06-20 David Albahari is one of the most prominent writers to emerge from the former Yugoslavia in the last twenty years His serious understated explorations of the self have influenced many writers of his native land s younger generation The narrator of Bait has just exiled himself to Canada after the collapse of Yugoslavia and the death of his mother As he listens to a series of audio tapes recorded by the mother years before the narrator ponders her life and their relationship while simultaneously trying to come to terms with a new life of his own one of exile and the confusion of a new language and culture Bait is an exquisitely crafted novel that exhibits the wit and raw honesty Albahari s readers have long admired Slovenia John K. Cox, 2004-06 This book examines Slovenia s transition from a collection of provinces in the south of the Habsburg Empire to a republic within Yugoslavia to an independent state It also analyses political and economic developments since 1991 **The Ninth** Ferenc Barnas, 2009-04-10 The narrator is the ninth child of a family distinguished by its size poverty faith and abundance of
