## **Modality And The Japanese Language:**

**Modality and the Japanese Language** Yuki Johnson, 2003 In English the concept of modality has been the subject of studies crucial to the understanding and functioning of the language Modality and the Japanese Language is innovative as an English language text that examines a wide range of grammatical categories in terms of both modal and propositional content namely modal auxiliaries aspectual categories and conditionals and reveals a new approach to Japanese modality that relies more centrally on concepts developed in studies of English modality Johnson finds many practical and theoretical similarities between English and Japanese modal auxiliaries and argues that modality can be thought of as an expression of the degree of a speaker's conviction concerning a proposition's truth or realization in the form of possible non actual words Such a definition provides practical and applicable perspective to the study of Japanese modality propositions for example become objects of that study in the form of conditional sentences and aspectual categories

**Discourse Modality** Senko K. Maynard, 1993-04-21 The emotional aspects of language have so far not received the attention they deserve This study focuses on nonpropositional i.e. expressive and interactional meanings of Japanese signs with special emphasis on understanding their cognitive psychological and social meanings It shows how the Japanese language is richly endowed to express personal voice and emotive nuances and confronts the theoretical issues related to this The author proposes a new theoretical framework for Discourse Modality a primary concern for Japanese speakers to analyze the expressiveness of language

**Japanese Modality** B. Pizziconi, M. Kizu, 2009-10-15 This book explores the nature and scope of modality in Japanese It contains a review of the history of Japanese modality studies as well as theoretical and empirical research and is the first collection of studies on Japanese modality written in English and offers a stimulating contrast to existing studies on Western languages

**Modality in Japanese** Heiko Narrog, 2009-02-18 Hierarchical clause structure is an important feature of most theories of grammar While it has been an indispensable part of formal syntactic theories functional theories have more recently discovered for themselves a layered structure of the clause A major focus of the current discussion on semanto syntactic clause structure is the hierarchical ordering of grammatical categories such as tense aspect and modality However there are very few empirical studies yet to provide systematic evidence for presumably universal hierarchical structures This book presents a systematic corpus based study of the semantic and morphosyntactic interaction of modality with tense aspect negation and modal markers embedded in subordinate clauses The results are critically compared with extant theories of hierarchies of grammatical categories including those in Functional Grammar Role and Reference Grammar and the Cartography of Syntactic Structures Also provided is an extensive description of the expression of modality and related categories in Modern Japanese

**Discourse modality** Senko K. Maynard, 1993

**Japanese Mood and Modality in Systemic Functional Linguistics** Ken-Ichi Kadooka, 2021-03-15 This book is a cross linguistic and interdisciplinary exploration of modality within systemic functional linguistics SFL Drawing upon the broad SFL notion of

modality that refers to the intermediate degrees between the positive and negative poles the individual papers probe into the modality systems in English and Japanese The papers cover issues such as the conceptual nature of modality in both languages the characterization of modulation in Japanese the trans grammatical aspects of modality in relation to mood and grammatical metaphor in both languages and the modality uses and pragmatic impairment by individuals with a developmental disorder from a neurocognitive perspective The book demonstrates a functional account of Japanese within an SFL model of language with a fresh perspective to Japanese linguistics It also refers to cross linguistic issues concerning how the principles and theories of SFL serve to empirically elaborate descriptions of individual languages which will lead to the enrichment of the theory and practice of linguistics and beyond

### **Handbook of Japanese Semantics and Pragmatics**

Wesley M. Jacobsen, Yukinori Takubo, 2020-10-12 The volume on Semantics and Pragmatics presents a collection of studies on linguistic meaning in Japanese either as conventionally encoded in linguistic form the field of semantics or as generated by the interaction of form with context the field of pragmatics representing a range of ideas and approaches that are currently most influential in these fields The studies are organized around a model that has long currency in traditional Japanese grammar whereby the linguistic clause consists of a multiply nested structure centered in a propositional core of objective meaning around which forms are deployed that express progressively more subjective meaning as one moves away from the core toward the periphery of the clause The volume seeks to achieve a balance in highlighting both insights that semantic and pragmatic theory has to offer to the study of Japanese as a particular language and conversely contributions that Japanese has to make to semantic and pragmatic theory in areas of meaning that are either uniquely encoded or encoded to a higher degree of specificity in Japanese by comparison to other languages such as conditional forms forms expressing varying types of speaker modality and social deixis

### **Modality and Diachronic Construction Grammar**

Martin Hilpert, Bert Cappelle, Ilse Depraetere, 2021-10-15 This volume explores how Diachronic Construction Grammar can shed new light on changes in a central and well researched domain of grammar namely modality Its main goal is to show how constructional analyses can help us address some of the long standing questions that have informed discussions of modal expressions and their development and to illustrate the processes that are involved in these developments on the basis of data from languages such as English Finnish French Galician German and Japanese The studies in this volume are organized around three interrelated topics The first of these concerns the organization of modal constructions in a network A second focus area of the studies in this volume concerns the developmental pathways that modal constructions follow diachronically The third topic that ties the contributions of this volume together is the contrast between constructionalization and constructional change

### **International Perspectives on Translation, Education and Innovation in Japanese and Korean Societies**

David G. Hebert, 2018-03-08 This book studies the three concepts of translation education and innovation from a Nordic and international perspective on Japanese and Korean societies It presents findings from pioneering research into

cultural translation Japanese and Korean linguistics urban development traditional arts and related fields Across recent decades Northern European scholars have shown increasing interest in East Asia Even though they are situated on opposite sides of the Eurasia landmass the Nordic nations have a great deal in common with Japan and Korea including vibrant cultural traditions strong educational systems and productive social democratic economies Taking a cross cultural and interdisciplinary approach and in addition to the examination of the three key concepts the book explores several additional intersecting themes including sustainability nature humour aesthetics cultural survival and social change discourse and representation This book offers a collection of original interdisciplinary research from the 25th anniversary conference of the Nordic Association for Japanese and Korean Studies 2013 Its 21 chapters are divided into five parts according to interdisciplinary themes Translational Issues in Literature Analyses of Korean and Japanese Languages Language Education Innovation and New Perspectives on Culture and The Arts in Innovative Societies

**Usage-based Approaches to Japanese Grammar** Kaori Kabata, Tsuyoshi Ono, 2014-06-15 This volume brings together papers that take usage based approaches to study the nature of human language with a focus on the grammar of Japanese The 12 chapters provide a rich array of data and methodologies with topics ranging from phonology modality and grammatical morphemes to sentential construction and discourse level phenomena such as turn taking speech register and language change As a whole they demonstrate that usage based linguistics illuminates various phenomena in the language that could not have been well accounted for by resorting solely to a formal theory such as the Universal Grammar based approach Reflecting theoretical methodological and technological advancements made in and outside the field of cognitive functional linguistics in recent years the papers contained in this volume both individually and collectively have significant implications towards linguistics in general and Japanese linguistics in particular as we as Japanese language teaching

**The Grammaticalization of Tense, Aspect, Modality and Evidentiality** Kees Hengeveld, Heiko Narrog, Hella Olbertz, 2017-09-11 This book brings together a series of contributions to the study of grammaticalization of tense aspect and modality from a functional perspective All contributions share the aim to uncover the functional motivations behind the processes of grammaticalization under discussion but they do so from different points of view

**Recent Advances in the Syntax and Semantics of Tense, Aspect and Modality** Louis de Saussure, Jacques Moeschler, Genoveva Puskás, 2008-09-25 It is a fact that tense aspect and modality together form one of the most recurring and active areas of research in contemporary syntax and semantics as well as in other disciplines of linguistics A large number of syntactic and semantic phenomena are concerned by the temporal aspectual modal level of representation information about time aspect and modality is part of virtually all sentences inflexion is quite widely considered as the core of syntactic projections Because of this very crucial situation and role in the sentence structure temporal aspectual and modal information concerns virtually any part of the sentence and this information has scope over the whole characterization of the eventuality denoted by the sentence This book is an up to date

milestone for the studies of temporality and language in particular regarding syntax and semantics but with incidental hints to pragmatics and theories of human natural language understanding Through this very tight selection of 15 papers originally delivered during the 6th Chronos colloquium tenses aspect and modality are investigated both at the descriptive and theoretical levels involving many different Indo European and non Indo European languages The volume sheds light on a wide array of phenomena that remained too little explored until now These include the following modal subordination in Japanese epistemic modals in Dutch and English in Free Indirect Speech contexts aspectual readings of idioms adverb licensing with the German perfect French imperfective past compared with English progressive past infinitival perfect in English Adult Root Infinitives economy constraints on temporal subordinations future modality past interpretation of present tense in embedded clauses and time without tenses in Mandarin and Navajo The book is of interest to scholars and advanced students in the fields of linguistics general linguistics semantics syntax as well as philosophy and logic     Modality, Subjectivity, and Semantic Change Heiko Narrog, 2012-07-19 This book is a cross linguistic exploration of semantic and functional change in modal markers With a focus on Japanese and to a lesser extent Chinese the book is a countercheck to hypotheses built on the Indo European languages It also contains numerous illustrations from other languages     **The Languages of Japan and Korea** Nicolas Tranter, 2012-06-25 The Languages of Japan and Korea provides detailed descriptions of the major varieties of languages in the region both modern and pre modern within a common format producing a long needed introductory reference source Korean Japanese Ainu and representative members of the three main groupings of the Ryukyuan chain are discussed for the first time in a single work The volume is divided into language sketches the majority of which are broken down into sections on phonology orthography morphology syntax and lexicon Specific emphasis is placed on those aspects of syntactic interest such as speech levels honorifics and classifiers which are commonly underplayed in other descriptions of Modern Japanese and Korean Each language is represented in Roman based transcription although its own script where there is such an orthography and IPA transcriptions are used sparingly where appropriate The dialects of both the modern and oldest forms of the languages are given extensive treatment with a primary focus on the differences from the standard language These synchronic snapshots are complemented by a discussion of both the genetic and areal relationships between languages in the region     *Japanese Communication* Senko K. Maynard, 1997-06-01 In an accessible and original study of the Japanese language in relation to Japanese society and culture Senko Maynard characterizes the ways of communicating in Japanese and explores Japanese language associated modes of thinking and feeling Japanese Communication Language and Thought in Context opens with a comparison of basic American and Japanese values via cultural icons the cowboy and the samurai before leading the reader to the key concept in her study rationality Writing for those who have a basic knowledge of Japanese language and culture Maynard examines topics such as masculine and feminine speech swearing expressions of ridicule and conflict adverbs of emotional attitude and the eloquence

of silence Maynard provides a refreshing and entertaining perspective for interpreting contemporary Japan sometimes in contrast to the United States

**Handbook of Japanese Syntax** Masayoshi Shibatani, Shigeru Miyagawa, Hisashi Noda, 2017-10-23 Studies of Japanese syntax have played a central role in the long history of Japanese linguistics spanning more than 250 years in Japan and abroad More recently Japanese has been among the languages most intensely studied within modern linguistic theories such as Generative Grammar and Cognitive Functional Linguistics over the past fifty years This volume presents a comprehensive survey of Japanese syntax from these three research strands namely studies based on the traditional research methods developed in Japan those from broader functional perspectives and those couched in the generative linguistics framework The twenty four studies contained in this volume are characterized by a detailed analysis of a grammatical phenomenon with broader implications to general linguistics making the volume attractive to both specialists of Japanese and those interested in learning about the impact of Japanese syntax to the general study of language Each chapter is authored by a leading authority on the topic Broad issues covered include sentence types declarative imperative etc and their interactions with grammatical verbal categories modality polarity politeness etc grammatical relations topic subject etc transitivity nominalizations grammaticalization word order subject scrambling numeral quantifier configurationality case marking ga no conversion morphology and syntax modification adjectives relative clause and structure and interpretation modality negation prosody ellipsis Chapter titles Introduction Chapter 1 Basic structures of sentences and grammatical categories Yoshio Nitta Kansai University of Foreign Studies Chapter 2 Transitivity Wesley Jacobsen Harvard University Chapter 3 Topic and subject Takashi Masuoka Kobe City University of Foreign Studies Chapter 4 Toritate Focusing and defocusing of words phrases and clauses Hisashi Noda National Institute for Japanese Language and Linguistics Chapter 5 The layered structure of the sentence Isao Iori Hitotsubashi University Chapter 6 Functional syntax Ken Ichi Takami Gakushuin University and Susumu Kuno Harvard University Chapter 7 Locative alternation Seizi Iwata Osaka City University Chapter 8 Nominalizations Masayoshi Shibatani Rice University Chapter 9 The morphosyntax of grammaticalization Heiko Narrog Tohoku University Chapter 10 Modality Nobuko Hasegawa Kanda University of International Studies Chapter 11 The passive voice Tomoko Ishizuka Tama University Chapter 12 Case marking Hideki Kishimoto Kobe University Chapter 13 Interfacing syntax with sounds and meanings Yoshihisa Kitagawa Indiana University Chapter 14 Subject Masatoshi Koizumi Tohoku University Chapter 15 Numeral quantifiers Shigeru Miyagawa MIT Chapter 16 Relative clauses Yoichi Miyamoto Osaka University Chapter 17 Expressions that contain negation Nobuaki Nishioka Kyushu University Chapter 18 Ga No conversion Masao Ochi Osaka University Chapter 19 Ellipsis Mamoru Saito Nanzan University Chapter 20 Syntax and argument structure Natsuko Tsujimura Indiana University Chapter 21 Attributive modification Akira Watanabe University of Tokyo Chapter 22 Scrambling Noriko Yoshimura Shizuoka Prefectural University

**Handbook of Japanese Contrastive Linguistics** Prashant Pardeshi, Taro Kageyama, 2018-02-19 The Handbook of

Japanese Contrastive Linguistics is a unique publication that brings together insights from three traditions Japanese linguistics linguistic typology and contrastive linguistics and makes important contributions to deepening our understanding of various phenomena in Japanese as well other languages of the globe Its primary goal is to uncover principled similarities and differences between Japanese and other languages of the globe and thereby shed new light on the universal as well as language particular properties of Japanese The issues addressed by the papers in this volume cover a wide spectrum of phenomena ranging from lexical to syntactic and discourse levels The authors of the chapters leading scholars in their respective field of research present the state of the art research from their respected field

*Modality-aspect Interfaces* Werner Abraham, Elisabeth Leiss, 2008 The main topics pursued in this volume are based on empirical insights derived from Germanic logical and typological dispositions about aspect modality links These are probed in a variety of non related languages The logically establishable links are the following Modal verbs are aspect sensitive in the selection of their infinitival complements embedded infinitival perfectivity implies root modal reading whereas embedded infinitival imperfectivity triggers epistemic readings However in marked contexts such as negated ones the aspectual affinities of modal verbs are neutralized or even subject to markedness inversion All of this suggests that languages that do not or only partially bestow upon full modal verb paradigms seek to express modal variations in terms of their aspect oppositions This typological tenet is investigated in a variety of languages from Indo European German Slavic Armenian African Asian Amerindian and Creoles Seeming deviations and idiosyncrasies in the interaction between aspect and modality turn out to be highly rule based

East Asian Sign Linguistics Kazumi Matsuoka, Onno Crasborn, Marie Coppola, 2022-12-05 This book is one of the first references of linguistic research of sign languages in East Asia including China Korea Japan Taiwan and Hong Kong The book includes the basic descriptions of aspects of Chinese Shanghai Tianjin sign language Hong Kong Sign Language Japanese Sign Language Korean Sign Language Taiwanese Sign Language and Tibetan Sign Language Table of contents Introduction Kazumi Matsuoka Onno Crasborn and Marie Coppola Part 1 Manuals Numerals classifiers modal verbs Historical relationships between numeral signs in Japanese Sign Language South Korean Sign Language and Taiwan Sign Language Keiko Sagara Phonological processes in complex word formation in Shanghai Sign Language Shengyun Gu Classifiers and gender in Korean Sign Language Ki Hyun Nam and Kang Suk Byu Causative alternation in Tianjin Sign Language Jia He and Gladys Tan Epistemic modal verbs and negation in Japanese Sign Language Kazumi Matsuoka Uiko Yano and Kazumi Maegawa Part 2 Non manuals and space The Korean Sign Language KSL corpus and its first application on a study about mouth actions Sung Eun Hong Seong Ok Won Hyunhwa Lee Kang Suk Byun and Eun Young Lee Negative polar questions in Hong Kong Sign Language Felix Sze and Helen Le Analyzing head nod expressions by L2 learners of Japanese Sign Language A comparison with native Japanese Sign Language signers Natsuko Shimotani Composite utterances in Taiwan Sign Language Shiou fen Su Time and timelines in Tibetan Sign Language TSL interactions in Lhasa Theresia Hofer

Involvement and Attitude in Japanese Discourse Naomi Ogi, 2017-01-19 This book addresses the long discussed issue of Japanese interactive markers traditionally called sentence final particles in a new light and provides the comprehensive linguistic documentation of the interactional functions of seven interactive markers ne na yo sa wa zo and ze By adopting three key notions involvement formality and gender the study not only reveals the functions and pragmatic effects of each marker but also sheds light on some fundamental issues of the nature of spoken discourse in general including how speakers collaborate with each other to create and sustain their conversations and how linguistic functions of verbal forms interface with sociocultural norms This book will be of interest to students and scholars in a wide range of linguistic fields such as Japanese linguistics pragmatics sociolinguistics discourse analysis and applied linguistics and to teachers and learners of Japanese and of a second foreign language

## **Modality And The Japanese Language Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Modality And The Japanese Language has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Modality And The Japanese Language has opened up a world of possibilities. Downloading Modality And The Japanese Language provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Modality And The Japanese Language has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Modality And The Japanese Language. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Modality And The Japanese Language. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Modality And The Japanese Language, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Modality And The Japanese Language has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Modality And The Japanese Language Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Modality And The Japanese Language is one of the best book in our library for free trial. We provide copy of Modality And The Japanese Language in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Modality And The Japanese Language. Where to download Modality And The Japanese Language online for free? Are you looking for Modality And The Japanese Language PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Modality And The Japanese Language. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Modality And The Japanese Language are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Modality And The Japanese Language. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Modality And The Japanese Language

To get started finding Modality And The Japanese Language, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Modality And The Japanese Language So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Modality And The Japanese Language. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Modality And The Japanese Language, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Modality And The Japanese Language is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Modality And The Japanese Language is universally compatible with any devices to read.
