Recognition and Enforcement of Foreign Arbitral Awards in Theory and in Practice Ihab Abdel Salam Amro, 2014-03-26 This book initiates a discussion of the law and practice of recognition and enforcement of foreign arbitral awards in both common law and civil law countries In terms of law this book principally focuses on the New York Convention on the Recognition and Enforcement of Foreign Arbitral Awards of 1958 and the harmony or clash between the New York Convention and national arbitration laws of both

common law and civil law countries including the UK and the USA as common law countries and France Germany and Greece as civil law countries In terms of practice this book deeply and extensively examines the judicial application of the New York Convention in national courts of common law and civil law countries and sheds light on the best practices related to the judicial application of the New York Convention while also highlighting how future disputes can be resolved in national courts As such this book provides solutions for salient and recurring problems arising out of the erroneous judicial application or interpretation of the New York Convention by national courts and encourages the adoption of a more liberal regime in favour of the recognition and enforcement of foreign arbitral awards generally and the adoption of a more liberal interpretation of the New York Convention in national courts of both common law and civil law countries particularly This book which is based on more than 100 courts decisions from common law and civil law countries is a valuable resource for academics arbitrators practicing lawyers corporate counsels law students and researchers interested in international commercial arbitration as well as for business professionals involved in international trade and those who are willing to solve their commercial disputes through arbitration **Arbitration of International Business Disputes** William W.

Park,2012-09-20 Arbitration of International Business Disputes 2nd edition is a fully revised and updated anthology of essays by Rusty Park a leading scholar in international arbitration and a sought after arbitrator for both commercial and investment treaty cases This collection focuses on controversial questions in arbitration of trade financial and investment disputes The essays address some of the most interesting topics in cross border business dispute resolution many of which have endured over several decades and remain subject to radically different views Examples include the proper role of judicial review the allocation of jurisdictional tasks evolution of arbitration s statutory and treaty framework free trade and bilateral investment agreements and the balance between fixed rules and arbitral discretion The book is structured around three themes arbitration s legal framework the conduct of arbitral proceedings and a comparison of arbitration in specific fields such as finance intellectual property and taxation In each of these areas analysis includes the tensions between fairness and efficiency and the accurate application of substantive law as well as the implications of mandatory procedural norms Augmented by more than a dozen new contributions and a revised introduction this 2nd edition retains all of its earlier practical and scholarly relevance and includes a Foreword by V V Johnny Veeder QC The Work of UNCITRAL on

Arbitration and Conciliation Pieter Sanders,2004-01-01 This new edition Pieter Sanders focuses on the ongoing revision of the Model Law on Arbitration including reports on what has been achieved so far and detailed discussion of ten topics for revisions to be addressed in the future This is a book that will be of value to corporate counsel international lawyers business people academics and students in this important field of dispute resolution International Commercial Arbitration and the Arbitrator's Contract Emilia Onyema,2010-04-05 This book examines the formation nature and effect of the arbitrators contract addressing topics such as the appointment challenge removal and duties and rights of arbitrators disputing parties

and arbitration institutions The arguments made in the book are based on a semi autonomous theory of the juridical nature of international arbitration and a contractual theory of the legal nature of these relationships From these premises the book analyses the formation of the arbitrator s contract in both ad hoc and institutional references It also examines the institution s contract with the disputing parties and its effect on the arbitrator s contract under institutional references The book draws from national arbitration laws and institutional rules in various jurisdictions to give a global view of the issues examined in it The arbitrator s contract is analysed from a global perspective of arbitral law and practice with insights from various jurisdictions in Africa Asia Europe North and South America The primary focus of the book is an analysis of the formation of the arbitrator s contract and the terms of this contract and the institution s contract The primary question of the consequences if any of the breaches of the terms of these contracts and its impact on the exclusion or limitation of liability of arbitrators and institutions is also analysed with the conclusion that since these transactions are contractual and the terms can be categorised as in any normal contract then normal contractual remedies can be applied to the breaches of these terms International Commercial Arbitration and the Arbitrator s Contract will be of great value to arbitration practitioners and researchers in arbitration It will also be very useful to students of arbitration on the topics of arbitrators and arbitration institution

Litigation in United States Courts , Recognition and Enforcement of Foreign Arbitral Awards Herbert Kronke, Patricia
 Nacimiento, Dirk Otto, Nicola Christine Port, 2024-12-05 Few instruments in international law have become as clearly and
 successfully established worldwide as the 1958 New York Convention on the Recognition and Enforcement of Foreign
 Arbitral Awards It has continued to prove itself throughout the fourteen years since the publication of the first edition of this
 preeminent commentary a period during which the Convention s scope and application have been greatly augmented by
 numerous court decisions rendered in jurisdictions around the globe and regarding arbitral awards resulting from both
 commercial and investor State disputes as well as by abundant legal scholarship calling for an updated edition The second
 edition retains the book s article by article format both text and detailed analysis including each provision s theoretical
 underpinnings and practical application in a wide variety of jurisdictions around the world The editors have assembled a
 group of authors some already involved in the first edition some new each of them an experienced practitioner in the field of
 international arbitration in their particular country and deeply conversant with the leading and most recent arbitrations and
 relevant court decisions in their domestic case law The commentary includes updated and expanded coverage of such
 aspects of arbitration practice as the following application by domestic courts of the grounds for refusal of recognition and
 enforcement of arbitral awards use of reservations made by Contracting States distinctions between recognition sought at
 the seat of the arbitration and outside the seat safeguarding due process standards the more favourable rights principle
 embodied in Article VII 1 forum shopping and the role of formalities and formalism To continue to provide a truly
 international view of how the Convention functions in practice the analysis thoroughly covers the major recent issues that
 have arisen in its application and their resolutions in diverse cases The end result is an invaluable work that will prove
 enormously useful to all international commercial arbitration practitioners and scholars regardless of location **Due**
Process in International Commercial Arbitration Matti S. Kurkela, Santtu Turunen, Conflict Management Institute

(COMI),2010-04-14 This is the first publication to identify a universal procedural code for international commercial arbitration This informative and well argued discussion of a uniform code for due process is a useful aid for both practitioners and scholars More than just a useful desk reference this publication uncovers a unifying arbitration principle in light of the diversity of national traditions The authors demonstrate how this unifying principle might establish a new standard procedure in arbitration law Guiding the reader through a step by step analysis of due process in international commercial arbitration the book is comprehensive without being esoteric Due Process in International Commercial Arbitration Second Edition thus helps both practitioners new to arbitration procedure and experienced attorneys looking for a cutting edge discussion of due process issues It can be used as a handbook for lawyers engaged in arbitral disputes To provide the necessary guidance for lawyers in need of quick reliable information authors Matti Kurkela and Santtu Turunen update readers on the numerous changes made to arbitration law since the book s 2005 edition Even more helpfully Kurkela and Turunen have added two new chapters to show lawyers what to expect in the midst of an arbitration proceeding a chapter on procedural rules from the New York Convention and a chapter on jurisdiction arising from sources outside the arbitration agreement As corporations engage in more globalized commerce and as arbitrators resolve more international legal disputes this resource provides both the broad background and the quick reference information necessary to understand the complexities of arbitration procedure A thorough Table of Contents Index and Appendix of primary documents facilitate practitioners research in this vital book This new edition s balance of comprehensiveness and concision make it a one stop resource for arbitration attorneys around the world Decision-making in International Construction

Arbitration Haytham Besaiso,2023-10-03 This book contributes to the empirical understanding of how arbitrators make their decisions on the substance of commercial disputes arising from international construction projects It is based on in depth interviews with 28 international construction arbitrators and on the analysis of dozens of international construction arbitration awards The combined experience of those who participated in the author s research amounted to hundreds of international construction arbitrations 300 cases in addition to several hundred international commercial arbitrations It presents the results of the first and largest research to be undertaken in this area and it will be useful to arbitration practitioners and scholars and to the wider audience of dispute resolution students practitioners and theorists In turn the book examines to what extent international arbitrators apply the law as the substantive norm providing an explanation for that and then offers insights into whether arbitrators in fact lean towards commercial and transnational norms to construe the parties contract before discussing to what extent international arbitrators take into account fairness considerations to reach their decisions on the merits of the parties claims The book also examines to what extent international arbitrators apply mandatory rules of foreign law Lastly it provides insight into the effect of arbitrators background characteristics on their decisions Written for arbitration practitioners arbitrators and legal counsel and scholars the book will be useful for both

experienced arbitrators and those starting their arbitration career or studying for their arbitration qualification It will also be useful for project professionals involved in contract management and dispute resolution **The United Nations**
