The world of 2165 needed co ordinators to link the liaison officers from different broad fields Natasha was a trained nexus officer who became curious about Building 297 All her enquiries reached a blank wall literally Nobody seemed to know what went on inside the tall glass and concrete tower An important security project of some sort but what At last she found a way to enter the building nobody understood only to find a project that had gone unbelievably wrong The original purpose of Building 297 had long since been forgotten The operators no longer directed the research in the bleak laboratories they were in the grip of an unknown power The menace in the sinister tower had reached a crucial stage It threatened to leak through the concrete and engulf the city perhaps far more than the city Natasha had to understand the incredible new force to escape from its citadel and rouse the sceptical complacent population before it was too late The arrival of the Stranger offered her a terrible choice Was he her one hope as a potential ally or had he in some way engineered the menace in the tower The 4-hour Chef Timothy Ferriss, 2012 Building upon Timothy Ferriss s internationally successful 4 hour franchise The 4 Hour Chef transforms the way we cook eat and learn Featuring recipes and cooking tricks from world renowned chefs and interspersed with the radically counterintuitive advice Ferriss s fans have come to expect The 4 Hour Chef is a practical but unusual guide to mastering food and cooking whether you are a seasoned pro or a blank slate novice
