A note on these notes...

- Do you think this PPT can replace an actual classroom, where you gossip with your friends and peacefully sleep during my long-winded antics?
- **Of course, not.**
- Do you think this PPT can replace the texts prescribed in your syllabus?
- **Of course, not. Then what are these notes worth?**
- These notes are just to excite your curiosity for the ideas discussed. To reap most benefits of the notes, read the texts first.
- By the time, you must have noticed there are two inks used here. It's an interactive PPT. The black ink is for me and the red is yours. Pause and think when the **red ink** appears. Wow end-rhyme.
