Franklin, 2018-11-20 A 60 year old mystery ensnares gemologist Kimberley West in a small town's secrets igniting old grievances that lead to murder When her standard poodle digs up a rare emerald stolen in a famous museum heist Kim can't resist investigating how the gemstone disappeared from New York only to reappear in North Carolina But when her friends discover a man's body Kim fears the murder may be connected to the emerald's infamous past With humor wit and a dash of Indiana Jones style adventure The Carolina Emerald will keep you guessing until the very end Join Kim and her charming sidekicks as they uncover buried treasure and trouble in this award winning cozy mystery Books in the series can be read in any order Praise for The Carolina Emerald An EPIC AWARD FINALIST and KINDLE BOOK AWARD SEMI FINALIST this fast paced whodunit features a fascinating location feisty heroine and charming characters Perfect for fans of cozy mysteries and mysteries with dogs Kimberley West Gemstone Mystery Series The Blue Diamond book 1 The Pirate's Ruby book 2 The Carolina Emerald book 3 The Turquoise Treasure book 4 What readers are saying about the series Took me back to that oh so delicious time when I couldn't put a book down 5 star review Wonderful series Warm funny and just delightful 5 star review A perfect whodunit with characters you will love and a plot that keeps you guessing until the end Could not put it down 5 star review These are characters so real you want to call them up and visit And get invited for dinner 5 star review Perfect reading for these very imperfect times 5 star review *The Dime Novel in Children's Literature* Vicki Anderson, 2014-10-16 With their rakish characters sensationalist plots improbable adventures and objectionable language like swell and golly dime novels in their heyday were widely considered a threat to the morals of impressionable youth Roundly criticized by church leaders and educators of the time these short quick moving pocket sized publications were also

inevitably wildly popular with readers of all ages This work looks at the evolution of the dime novel and at the authors publishers illustrators and subject matter of the genre Also discussed are related types of children s literature such as story papers chapbooks broadsides serial books pulp magazines comic books and today s paperback books The author shows how these works reveal much about early American life and thought and how they reflect cultural nationalism through their ideological teachings in personal morality and ethics humanitarian reform and political thought Overall this book is a thoughtful consideration of the dime novel s contribution to the genre of children s literature Eight appendices provide a wealth of information offering an annotated bibliography of dime novels and listing series books story paper periodicals characters authors and their pseudonyms and more A reference section index and illustrations are all included
