Oscars Hijack:

Hijack Bernice Rubens, 1993 **Hijacking the Runway** Teri Agins, 2014-10-09 A fascinating chronicle of how celebrity has inundated the world of fashion realigning the forces that drive both the styles we covet and the bottom lines of the biggest names in luxury apparel From Coco Chanel's iconic tweed suits to the miniskirt's surprising comeback in the late 1980s fashion houses reigned for decades as the arbiters of style and dictators of trends Hollywood stars have always furthered fashion's cause of seducing the masses into buying designers clothes acting as living billboards Now forced by the explosion of social media and the accelerating worship of fame red carpet celebrities are no longer content to just advertise and are putting their names on labels that reflect the image they or their stylists created Jessica Simpson Jennifer Lopez Sarah Jessica Parker Sean Combs and a host of pop sports and reality show stars of the moment are leveraging the power of their celebrity to become the face of their own fashion brands embracing lucrative contracts that keep their images on our screens and their hands on the wheel of a multi billion dollar industry And a few celebrities like the Olsen Twins and Victoria Beckham have gone all the way and reinvented themselves as bonafide designers Not all celebrities succeed but in an ever more crowded and clamorous marketplace it's increasingly unlikely that any fashion brand will succeed without celebrity involvement even if designers like Michael Kors have to become celebrities themselves Agins charts this strange new terrain with wit and insight and an insider's access to the fascinating struggles of the bold type names and their jealousies insecurities and triumphs Everyone from industry insiders to fans of Project Runway and America's Next Top Model will want to read Agins's take on the glitter and stardust transforming the fashion industry and where it is likely to take us next

Hijacking Sustainability Adrian Parr, 2012-02-10 How the sustainability movement has been co-opted from ecobranding by Wal Mart to the greening of the American military The idea of sustainability has gone mainstream Thanks to Prius driving movie stars it's even hip What began as a grassroots movement to promote responsible development has become a bullet point in corporate ecobranding strategies In *Hijacking Sustainability* Adrian Parr describes how this has happened how the goals of an environmental movement came to be mediated by corporate interests government and the military Parr argues that the more popular sustainable development becomes the more commodified it becomes the more mainstream culture embraces the sustainability movement's concern over global warming and poverty the more sustainability culture advances the profit maximizing values of corporate capitalism And the more issues of sustainability are aligned with those of national security the more military values are conflated with the goals of sustainable development Parr looks closely at five examples of the hijacking of sustainability corporate image greening Hollywood activism gated communities the greening of the White House and the incongruous efforts to achieve a sustainable army Parr then examines key challenges to sustainability waste disposal disaster relief and environmental refugees slum development and poverty Sustainability Parr says offers an alternative narrative of the collective good an idea now compromised and endangered by corporate military and government

interests **Hijacking History** Liane Tanguay,2013-01-01 In *Hijacking History* Liane Tanguay unravels the ideology behind an American enterprise unprecedented in scope ambition and brazen claim to global supremacy the War on Terror She argues that the fears anxieties and even the hopes encoded in American popular culture account for the public s passive acceptance of the Bush administration s wars overseas and violation of many of the rights privileges and freedoms they claimed to defend In her analysis Tanguay critically examines the neoconservative contention that the current system of liberal democratic capitalism represents the peak of human evolution a claim that creates the impression of a post historical age Establishing a continuity between the post historical imaginary and the attacks of 9 11 the book examines the links between shifting justifications for the war renewed militarism and capitalist globalization Reviewing a wide range of media including Hollywood films network television and presidential rhetoric Tanguay calls for a revival of politics in popular culture and rejects the politics of fear as disseminated by mass media A timely retrospective on the War on Terror *Hijacking History* examines popular representations of US military action and dissects both the logic and the aesthetics by which the dominant discourses strive to justify war while revealing how some of those forces can ultimately contribute to an ideology of resistance *Behind the Oscar : the Secret History of the Academy Awards* Anthony Holden,1993 [Head & Heart](#) Kirstin Ferguson,2023-09-05 Winner of the Thinkers50 2023 Leadership Award One of Thinkers50 s Ten Best Management Books of 2023 A timely actionable book on the virtues that every great leader needs to learn ADAM GRANT 1 New York Times bestselling author of *Think Again* and host of the TED podcast *WorkLife Leadership* is simply a series of moments and this book gives you the tools to turn each moment into an opportunity to leave a positive legacy for those you lead In this ground breaking book award winning leadership expert and business leader Kirstin Ferguson has written a much needed practical guide for every modern leader Whether you are the head of one of the largest companies in the world supervising a small team or guiding your family it will be your ability to integrate your head and heart that will influence your success in leading others and navigating our complex world Combining studies from leading thinkers in the field with her own research and more than three decades of personal experience Kirstin explains the 8 key attributes of a head and heart leader and provides the tools to measure your own approach Along the way she shares her conversations with modern leaders from a broad range of backgrounds whose stories will surprise you challenge your thinking and inspire you to be the type of leader the world needs More Honors for *Head Heart* Royal Society of Arts Career Book Award Next Big Idea Club Must Read Shortlisted in the 2023 Porchlight Business Book Awards Shortlisted in the 2023 Australian Business Book Awards Named in HR Magazine Winter Reading list [As Texas Goes...: How the Lone Star State Hijacked the American Agenda](#) Gail Collins,2012-05-29 Discusses the conservative political agenda that began in Texas and how it became a national movement with far reaching social and economic consequences [U.S. and Foreign Registered Aircraft Hijackings](#) ,1981 **Aircraft Hijacking** United States. Congress. House. Committee on Foreign Affairs,1970 *Hijacked by Jesus (eBook)* Stephan Joubert,2011-11-02 After

having been the victim of a hijacking Stephan Joubert realized that he had a second chance to truly live for God From that point on he has allowed Jesus to totally and gracefully transform his life Stephan explains that a Jesus hijacking is about people who have been touched by the story of Jesus People who have been hijacked by the grace of God spread goodness around like wildfire They constantly infect other people with the right virus grace They are highly contagious and beautifully dangerous They set wildfires of mercy alight that spread from person to person and to the rest of God s creation HIJACKED BY JESUS will inspire readers to walk much closer to the Savior and equip them to be grace distributors in their homes churches and the world around them
