Pursuing The Full Kingdom Potential Of Your Congregation:

Pursuing the Full Kingdom Potential of Your Congregation George W Bullard,2009-08-01 Full Kingdom potential says George Bullard is a journey not a destination To reach your full Kingdom potential its pursuit must be your enduring passion and desire Drawing on his more than four decades of experience in congregational leadership Bullard offers not just another process for congregational redevelopment He learns from the past to take congregations on a spiritual journey that is open ended custom made and locally owned His focus is on capacity building in each congregation calling for a narrative approach to futuring in the life of congregations that responds to new things God is seeking to do in and through members of the congregation From the TCP Leadership Series *Captured by Vision* George W. Bullard Jr.,2017-01-17 Will you keep drowning worms in the pond of possibilities hoping to yank a vision from the water that will feed your church for a day Or will you immerse yourself on a spiritual and strategic journey that will lead to your capture by God s vision for your congregation This book will help your congregation understand what it means to be captured by God s empowering vision Through vision God will empower congregations and pull them forward toward their full Kingdom potential so you don t have to be behind them pushing Through 101 insights this book explains how you do not seek and find a vision as much as you put yourself into a spiritual position to be captured by God s unique empowering vision Does your congregation long to embark on such a journey Do you want to be more than you are Do you want to move beyond good enough to exceptional in meeting the real needs of real people in real time Anyone who is positively passionate about congregations being mobilized by God s empowering vision for their future ought to devour this book If it is important to you that congregations not settle for good enough but seek to move prophetically into God s full Kingdom potential you ought to read this book **Captured by Vision** George W. Bullard, Jr.,2017-01-17 Will you keep drowning worms in the pond of possibilities hoping to yank a vision from the water that will feed your church for a day Or will you immerse yourself on a spiritual and strategic journey that will lead to your capture by God s vision for your congregation This book will help your congregation understand what it means to be captured by God s empowering vision Through vision God will empower congregations and pull them forward toward their full Kingdom potential so you don t have to be behind them pushing Through 101 insights this book explains how you do not seek and find a vision as much as you put yourself into a spiritual position to be captured by God s unique empowering vision Does your congregation long to embark on such a journey Do you want to be more than you are Do you want to move beyond good enough to exceptional in meeting the real needs of real people in real time Anyone who is positively passionate about congregations being mobilized by God s empowering vision for their future ought to devour this book If it is important to you that congregations not settle for good enough but seek to move prophetically into God s full Kingdom potential you ought to read this book **The Process Perspective II** John B. Cobb,2011-03-01 This book begins where the original book left off Retaining its reader friendly question and answer format John B Cobb Jr tackles new questions and misunderstandings about

process theology Divided into three sections metaphysics science and faith a variety of questions on topics of contemporary interest are addressed What is the process view of angels and demons How does process explain free will How does process theology respond to stem cells and ensoulment How does process explain God and suffering What is the relationship between process evangelical and liberal theologies In answering these and other questions Cobb opens our minds to new understandings and gives us new ways to relate to our world and the God at work within it *Your Church in Rhythm* Bruce B. Miller, 2011-01-13 A gentle new way for church leaders to survive stress and burnout Bruce Miller debunks the idea of balance basically trying to have it all all the time Most churches and their pastors try to do everything at once and feel guilty if any one aspect worship ministries outreach etc is neglected He replaces the exhausting concept of balance with the idea of rhythm churches like people need to give attention to different programs and ministries at different times basically by attending to their seasons and cycles Offers an innovative new model for church leaders Miller has been influential in the formation and promotion of Church Based Training as in international movement Offers a proven method for avoiding burnout for church leaders and members by doing the right things at the right time The author offers much needed help to overwhelmed leaders and shows them how to apply Miller's seasonal cyclical approach to church life Christ-Centered Coaching Jane Creswell, 2006-05-01 Creswell draws from her extensive corporate and ministry coaching experience to provide ministers and other church leaders a clear definition of what coaching is and the seven basic benefits an individual church or group can receive through a qualified coach Solidly based in experience each chapter is built upon an actual scenario growing out of Creswell's own coaching experience Along with the illustration she provides scriptural teaching gives explicit information on the purpose and merits of coaching additional resources and tips for coaching **The Calling of Congregational Leadership** Larry L. McSwain, 2013-05-30 Leading is a calling from God but that doesn't mean it is easy There are choices to be made about what your congregation believes how your church organizes for effective ministry and how your church serves the settings of which you are a part The good news is that others have gone before you Author Larry L. McSwain's forty years of experience can help guide you through these choices Rooted in research *The Calling of Congregational Leadership* teaches a three pronged approach to congregational leadership being a good leader the knowledge needed by the leader and the managing of ministry leadership By using this practical holistic approach to leading congregations McSwain shows you how to use your church's potential for conveying the power of God in the lives you touch *The Calling of Congregational Leadership* is for those who seek to enlarge the understanding of their leadership to make their communities of faith more vital and more reflective of the mission of God in the world **Fish Or Cut Bait** John Edmund Kaiser, 2011 Through extensive research Dr John Kaiser shares the best practices of ten successful congregations Focusing explicitly on decision making rather than planning structure relationships or any other host of factors *Fish or Cut Bait* outlines how these congregations boards leaders provide both accountability and support for pastors Kaiser details the

five questions that effective churches use when making healthy decisions to remain true to their mission What must be done Who says so Who takes the lead What s it going to cost What if there is trouble He includes the top ten things that the congregation pastor staff board and tribe need to avoid Regardless of size tongue tribe or style if your congregation wants to go fishing in deeper waters for a spiritual catch this book will fit nicely in your tackle box *Going Global* Gary V Nelson, Gordon W. King, Terry Smith, 2011-05-01 The ways to be effective in global missions have changed The authors believe that content and values must undergird the North American local church s approach to global mission It is not enough to do something It is in fact possible to do all of the right things in all of the wrong ways with negative results It is also possible that mission over there can have as much or more on the church at home This book discusses common principles and practices that inform and energize local churches as they enter the global ministry arena This book will assist church leadership as they look for resources to help them balance the agenda of short term versus long term mission fund raising and the tension between evangelism and compassionate social ministry **Reaching People under 30 while Keeping People over 60** Edward H Hammett, 2015-11-10 Seasoned church consultant Edward H Hammett shares his latest insights and suggestions for churches seeking to serve all generations This is an updated version of Hammett s 2007 book *Reaching People Under 40 while Keeping People Over 60* that expands the reach another decade and emphasizes diversity with insight from new contributors Paul L Anderson and Cornell Thomas A TCP Books title
