Our Search for Belonging Howard J. Ross,JonRobert Tartaglione,2018-05-08 Gold Nautilus Award Winner A must read for anyone who wants to understand the mess we are in today and what we need to do George Halvorson former CEO Kaiser Permanente We are living in a time of mounting political segregation that threatens to tear us apart as a unified society As we become increasingly tribal the narratives of life that we get exposed to on a daily basis have become echo chambers in which we hear our beliefs reinforced and others beliefs demonized At the core of tribalism exists a paradox As humans we are hardwired with the need to belong which ends up making us deeply connected with some yet deeply divided from others When these tribes are formed out of fear of the other on topics such as race immigration status religion or partisan politics we resort to an us versus them attitude Especially in the digital age when we are all interconnected in one way or another these tensions seep into our daily lives and we become secluded with our self identified tribes In this book global diversity and inclusion expert Howard J Ross with JonRobert Tartaglione explores how our human need to belong is the driving force behind the increasing division of our world Drawing upon decades of leadership experience Ross probes the depth of tribalism examines the role of social media in exacerbating it and offers tactics for how to combat it Filled with tested practices for opening safe and honest dialogue in the workplace and challenges to confront our own tendencies to bond automatically with those who are like us or seem to be Our Search for Belonging is a powerful statement of hope in a disquieting time

Surviving Collapse Christina Ergas,2021 As environmental crises loom Surviving Collapse makes an argument for radical changes in the ways in which people live to avoid a dystopian future To foster readers imagination Christina Ergas reveals real utopian stories that counter climate apocalypse narratives Two eco communities offer examples of alternative futures with small environmental footprints and more egalitarian social practices They model solutions to the interconnected problems of rising social inequalities and environmental degradation Each case engages in community oriented practices direct democracy and ecological agricultural forms that attend to whole ecosystems These practitioners recognize the value of whole biotic communities human and nonhuman and practice reciprocity

Baseball and the American Dream Robert Elias,2016-04-15 A fascinating look at how America s favorite sport has both reflected and shaped social economic and

The Autobiography of a Schizoid Personality Larry Polin,2019-09-18 This is the remarkable story of an individual who experienced severe stress starting in the womb Growing up in a highly dysfunctional family he used intellectualization as a defense against overwhelming emotional pain A high academic achiever this young man was on the Dean s List at Brown University when he suffered a catastrophic neurological collapse Labeled as schizophrenic he was on the verge of death as his twentieth birthday approached Starting to jog he avoided his demise Four years later this individual

found psychoanalyst Erich Fromm's *The Sane Society* while browsing in a bookstore. Unable to work or communicate normally with people, he began a long intellectual odyssey which ultimately involved the reading of thousands of books about American society. Miraculously transformed by a bodywork technique developed by Moshe Feldenkrais, he continued to live with severe stress due to his lack of social skills and the crazy-making institutions of an aggressive society. Nine years after relearning to use his body properly, this man discovered psychoanalyst Alice Miller's *For Your Own Good: Hidden Cruelty in Child Rearing and The Roots of Violence*. Reading many other books about child abuse and human development, he began to understand the reasons which had caused his ordeal. This engrossing story is a unique combination of memoir and academic study. People interested in psychology, education, human development, American culture, and social criticism will find much to ponder in it.

[A Dream Deferred](#) Philip Slater, 1992-09-30. America's Discontent and the Search for a New Democratic Ideal. Convincingly demonstrates that democratic processes, however messy and confusing, ultimately yield the most intelligent and flexible responses to a complex world.

New Families Constance Margaret Hall, 1994. Family has always been an important aspect of a healthy life. *New Families* is a new handbook on how to create more meaningful bonds within families. With over twenty-two years of experience in private practice, author C. Margaret Hall shows readers how to make family bonds come to life in creative and flexible ways rather than becoming tight and restrictive. *New Families* presents not only real-life family experiences but also suggests ways families can become stronger through more meaningful interaction with other family members. For readers searching for ideas on how to help clients improve their family ties, they'll find it in this book. Compile a family history and locate lost relatives; learn creative strategies for knowing family history and using that to move forward; cope with family crises and learn to grow from them; participate in and benefit from special celebrations and life transitions like births, marriages, and even funerals; take the drudgery out of family obligations. This new book guides readers to use their emotional resources and imagination to improve our family relationships and cooperation to develop families that work.

[The Origins and Dynamics of Inequality](#) Jon D. Wisman, 2022-05-24. In *The Origins and Dynamics of Inequality*, Jon Wisman provides a re-interpretation of economic history and society. He argues that the struggle over income, wealth, and privilege inequality has been the principal defining issue in human history and provides a novel framework for understanding inequality today.

[The Vaxxed](#) Shawn A. McCastle, 2022-01-31. A deeply reported examination of why the COVID-19 vaccine terminations represent a flawed practice by American corporations driven by the same corporate exploitation that has carried news headlines pushing more employees into depressed labor. You received sweet talk in the job interview but obtained sour grapes and pink slips for something basic as following through on your constitutional guarantee your right to make personal decisions about your own bodily integrity. In *The Vaxxed: Culture War in the Workplace*, Shawn A. McCastle, a preeminent voice on business, I/O psychology, inequality, labor, and non-death grief, examines the gritty posterior issues of the COVID-19 pandemic and the mass terminations that rock the United States. Told through the lived experience of

McCastle as he shares his own termination and removal from two major organizations Allied Universal Security Services and the World Bank Group headquartered in Washington D C McCastle makes comparisons of the COVID 19 pandemic and the AIDS epidemic showing how society is no better off today than yesterday by terminating the employment of employees who refused to provide their vaccination status or submit to COVID 19 vaccination at all McCastle shows how ineffective CEOs copied and pasted other corporations policies and how the lack of corporate creativity policies and vision drove one of the most destructive labor practices in American history McCastle argues corporations need to develop effective people strategies to minimize disruptions and friction within the workplace McCastle also shows how organizations have been propped up by employees but in crunch time employees do not receive identical returns
