Forbidden Desire in Early Modern Europe Noel Malcolm, 2024 *Forbidden Desire* is a pioneering study of the history of male male sex in the whole of Early Modern Europe including the European colonies and the Ottoman world King James VI and I and the History of Homosexuality M. Young, 1999-09-22 James VI and I was the most prominent homosexual figure in the early modern period Young has amassed the evidence surrounding James and related it to the larger history of homosexuality The result is a synthesis of old and new history that illuminates Jacobean politics and challenges many current assumptions about effeminacy manliness sodomy sexual constructs and sexual discourse before the eighteenth century

Pederasts and Others William Peniston, 2012-11-12 Examine how a community of support in Nineteenth Century Paris became a blueprint for modern sexual identity A unique social history *Pederasts and Others Urban Culture and Sexual Identity in Nineteenth Century Paris* is a valuable addition to the growing field of gay and lesbian studies The book examines the interaction between the city s male homosexual subculture and Parisian authority figures who attempted to maintain political and social order during the early years of the French Third Republic by using laws against public indecency and sexual assault to treat same sex sexuality as a crime Faced with a constant cycle of surveillance harassment and arrest the city s gay men survived the hostile urban environment by forming a community of support that had a widespread and lasting influence on the development of modern sexual identities *Pederasts and Others Urban Culture and Sexual Identity in Nineteenth Century Paris* is based on a statistical analysis of more than 800 working class and middle class men who were arrested or investigated by Parisian police between 1873 and 1879 Their stories presented through long and short case studies represent nearly 2 000 names recorded by police in *Pederasts and Others* a ledger detailing the arrests of male homosexuals for public offenses against decency and other minor offenses The term pederast identified those suspected of same sex sexual activity not the modern definition that indicates homosexual relations with a minor The ledger entries reveal specific habits attitudes values and characteristics about these men that set them apart the same traits that identified them as part of a community based on their behavior and relationships *Pederasts and Others Urban Culture and Sexual Identity in Nineteenth Century Paris* examines the forces of authority the laws regarding same sex sexual behavior the role of the police the role of the magistrates the role of the doctors the common characteristics of the city s male homosexual subculture the sexual behaviors of the Paris underground the geography of the subculture and takes an expanded look at three case studies A Decadent Aristocrat and A Delinquent Boy *Pederasts Prostitutes and Pickpockets Love and Death in Gay Paris* *Pederasts and Others Urban Culture and Sexual Identity in Nineteenth Century Paris* also includes tables appendices and maps linked to statistical data The book is an essential resource for historians sociologists sexologists criminologists and other scholars working in the fields of gay and lesbian studies urban studies social and cultural history and French history The

body In considering how literary discourses about male creativity are linked to larger cultural formations this elegant enlightening book offers new insight into sex and gender maleness and masculinity and the intricate relationship between the male body and mind
