Pushkins Prose:

The Prose Tales of Alexander Pushkin Alexander Pushkin, 2019-02-13 On recovering consciousness I for some time could neither understand nor remember what had happened to me I was lying in bed in a strange room and felt very weak Before me stood Savelitch with a candle in his hand Someone was carefully unwinding the bandages which were wrapped round my chest and shoulder Little by little my thoughts became more collected I remembered my duel and conjectured that I was wounded At that moment the door creaked Pushkin's Prose Абрам Лежнев, 1983 *Novels, Tales, Journeys* Alexander Pushkin, 2016-11-24 Pushkin's masterpieces in prose in sparkling new translations by the award winning Pevear and Volokhonsky The father of Russian literature Pushkin is beloved not only for his poetry but also for his brilliant stories which range from dramatic narratives of love obsession and betrayal to lively comic tales and from satirical epistolary tales to imaginative historical fiction This volume includes all Pushkin's prose in brilliant new translations including his masterpieces *The Queen of Spades* *The Tales of the Late Ivan Petrovich Belkin* and the short novel *The Captain's Daughter* which has been called the most perfect book in Russian literature Novels, Tales, Journeys Alexander Pushkin, 2024-03-05 From the award winning translators the complete prose narratives of the most acclaimed Russian writer of the Romantic era and one of the world's greatest storytellers The father of Russian literature Pushkin is beloved not only for his poetry but also for his brilliant stories which range from dramatic tales of love obsession and betrayal to dark fables and sparkling comic masterpieces from satirical epistolary tales and romantic adventures in the manner of Sir Walter Scott to imaginative historical fiction and the haunting dreamworld of *The Queen of Spades* The five short stories of *The Late Tales of Ivan Petrovich Belkin* are lightly humorous and yet reveal astonishing human depths and his short novel *The Captain's Daughter* has been called the most perfect book in Russian literature **Pushkin's Prose** Abram Lezhnev, 1983 Pushkin: A Comparative Commentary John Bayley, 1971-06-02 In this first critical assessment in English of Pushkin's writing the author examines his achievement in relation to Russian literature and the European tradition Alexander Pushkin A. D. P. Briggs, 1983-01-01 A clear detailed and accessible account of all Pushkin's poetry **Pushkin** The U. S. S. R. Society for Cultural Rel, 2002 He is the greatest artist in the world the beginning of all the beginnings of Russian literature He was the founder of our poetry and always the teacher of all us Maxim Gorky He will always remain great an exemplary master of poetry and teacher of art His poetry possessed the peculiar virtue of being able to develop in people a sense of artistic refinement and a sense of humanity The time will come when he will be held up in Russia as a classical poet whose works will guide the formation and development of not only the aesthetic but also the moral sense Vissarion Belinsky The time Belinsky predicted in 1846 has come for the world **The Prose Tales of Alexander Pushkin** Alexander Pushkin, 2017-07-30 Everyone has read Pushkin's poetry now it's time to read his non poetic stories You will find him to be a amazing writer These are long long stories one is a novel in itself **Romantic Irony** Frederick Garber, 1988-01-01 This is the first

collaborative international reading of irony as a major phenomenon in Romantic art and thought The volume identifies key predecessor moments that excited Romantic authors and the emergence of a distinctly Romantic theory and practice of irony spreading to all literary genres Not only the influential pioneer German British and French varieties but also manifestations in northern eastern and southern parts of Europe as well as in North America are considered A set of concluding syntheses treat the shaping power of Romantic irony in narrative modes music the fine arts and theater innovations that will deeply influence Modernism Thus the cross cultural and interdisciplinary approach elaborated in the twenty chapters of Romantic Irony as lead volume in the five volume Romanticism series establishes a significant new range for comparative literature studies in dealing with a complex literary movement SPECIAL OFFER 30% discount for a complete set order 5 vols The Romanticism series in the Comparative History of Literatures in European Languages is the result of a remarkable international collaboration The editorial team coordinated the efforts of over 100 experts from more than two dozen countries to produce five independently conceived yet interrelated volumes that show not only how Romanticism developed and spread in its principal European homelands and throughout the New World but also the ways in which the affected literatures in reaction to Romanticism have redefined themselves on into Modernism A glance at the index of each volume quickly reveals the extraordinary richness of the series total contents Romantic Irony sets the broader experimental parameters of comparison by concentrating on the myriad expressions of irony as one of the major impulses in the Romantic philosophical and artistic revolution and by combining cross cultural and interdisciplinary studies with special attention also to literatures in less widely diffused language streams Romantic Drama traces creative innovations that deeply altered the understanding of genre at large fed popular imagination through vehicles like the opera and laid the foundations for a modernist theater of the absurd Romantic Poetry demonstrates deep patterns and a sharing of crucial themes of the revolutionary age which underlie the lyrical expression that flourished in so many languages and environments Nonfictional Romantic Prose assists us in coping with the vast array of writings from the personal and intimate sphere to modes of public discourse including Romanticism s own self commentary in theoretical statements on the arts society life the sciences and more Nor are the discursive dimensions of imaginative literature neglected in the closing volume Romantic Prose Fiction where the basic Romantic themes and story types the romance novel novella short story and other narrative forms are considered throughout Europe and the New World This enormous realm is seen not just in terms of Romantic theorizing but in the light of the impact of Romantic ideas and narration on later generations As an aid to readers the introduction to Romantic Prose Fiction explains the relationships among the volumes in the series and carries a listing of their tables of contents in an appendix No other series exists comparable to these volumes which treat the entirety of Romanticism as a cultural happening across the whole breadth of the Old and New Worlds and thus render a complex picture of European spiritual strivings in the late eighteenth and the nineteenth centuries a heritage still very close to our age
