Puzzles And Perplexities Collected Essays:

Puzzles & Perplexities Steven M. Cahn, 2007-01-01 A revised edition of Steven Cahn's book of short philosophical essays

Moral Puzzles and Legal Perplexities Heidi M. Hurd, 2019 Engages with the life and work of Larry Alexander to explore puzzles and paradoxes in legal and moral theory

The Road Traveled and Other Essays Steven M. Cahn, 2018-12-26 The Road Traveled and Other Essays presents the recent work of philosopher and educator Steven M Cahn This book offers his latest reflections on the nature of well being the rationality of religious belief and the aims of higher education Also included are a selection of his challenging philosophical puzzles The work concludes with a detailed account of his career as a faculty member foundation executive and university administrator

[A Philosopher's Journey](#) Steven M. Cahn, 2020-06-22 For over fifty years Steven M Cahn has been a prolific contributor to discussions of philosophical and educational issues In this volume he has chosen his favorite articles from the 1960s to the present reflecting his long standing interests in the concept of free will the rationality of religious belief the insights of John Dewey the affirmative action debate the aims of higher education and the nature of living well Also included are several philosophical puzzles Professor Cahn is a noted teacher and lecturer and these essays reflect his skills at explaining complex ideas with clarity and defending challenging positions with cogency His work demonstrates how philosophical inquiry can be both engaging and enlightening

A Teacher's Life Robert B. Talisse, Maureen Eckert, 2021-08-24 Steven M Cahn belongs to that exclusive class of professors who have not only contributed influentially to the leading debates of their discipline but have also written insightfully about the academic vocation itself This volume comprises thirteen essays authored by Cahn's colleagues and former students presented in his honor on the occasion of his twenty fifth year as professor of philosophy at the City University of New York Graduate Center The essays focus on topics that have been central to Cahn's philosophical work such as the teaching of philosophy the responsibilities of philosophy professors the nature of happiness and the concept of the good life

CONTRIBUTORS Norman Bowie Steven M Cahn Randall Curren Maureen Eckert Alan Goldman Tziporah Kasachkoff Peter Markie John O Connor David Rosenthal David Shatz George Sher Robert Simon Douglas Stalker Robert B Talisse Christine Vitranò

The World of Philosophy Steven M. Cahn, 2019 This comprehensive reader includes standard Western philosophical readings alongside selections from Chinese Japanese Indian Arabic African South American and other sources Offering a distinctive blend of traditional and non traditional perspectives all selections have been edited to make them more accessible to undergraduate students

Religion Within Reason, Second Edition Steven M. Cahn, 2025-02-27 Most believers and their critics agree that religious commitment relies on the acceptance of supernaturalism Steven M Cahn argues to the contrary He maintains that theism is neither necessary nor sufficient for adherence to a religious outlook He writes in a nonpolemical spirit about morality the problem of evil faith miracles heaven mystical experience and religious diversity His book develops a strong case for the reconciliation of science and religion

Professors as Teachers Steven M. Cahn, 2022-07-15 Too many professors view themselves primarily not as teachers but researchers How can the system be changed so that success in the classroom will be promoted and receive greater emphasis Noted philosopher and educator Steven M Cahn presents proposals to achieve that end including changes in graduate education the appointment process the evaluation of teaching the tenure system and the choice of administrators Filled with actual examples from academic life the book is jargon free and compellingly argued **Pathways Through Academia** Steven M. Cahn, 2025-06-19 Philosopher Steven M Cahn the author of numerous works about higher education here offers his most recent thoughts about life in academia Among the issues he discusses are building a professorial career motivating one's students making strong faculty appointments choosing effective administrators and maintaining a commitment to academic ethics His approach is principled and practical his writing clear and concise his illustrations realistic and illuminating The book is at once a mirror of the academic world as it is and a map to what it should be Correcting the Scholarly Record for Research Integrity M. V. Dougherty, 2018-11-09 This volume is the first book length study on post publication responses to academic plagiarism in humanities disciplines It demonstrates that the correction of the scholarly literature for plagiarism is not a task for editors and publishers alone each member of the research community has an indispensable role in maintaining the integrity of the published literature in the aftermath of plagiarism If untreated academic plagiarism damages the integrity of the scholarly record corrupts the surrounding academic enterprise and creates inefficiencies across all levels of knowledge production By providing case studies from the field of philosophy and related disciplines the volume exhibits that current post publication responses to academic plagiarism are insufficient It catalogues how humanities disciplines fall short in comparison with the natural and biomedical sciences for ensuring the integrity of the body of published research This volume provides clarity about how to conceptualize the scholarly record surveys the traditional methods for correcting it and argues for new interventions to improve the reliability of the body of published research The book is valuable not only to those in the field of philosophy and other humanities disciplines but also to those interested in research ethics meta science and the sociology of research
