Q Squared Star Trek The Nest Generation:

Q-Squared Peter David,1995-08-01 In all of his travels Captain Jean Luc Picard has never faced an opponent more powerful than Q a being from another continuum that Picard encountered on his very first mission as Captain of the Starship Enterprise In the years since Q has returned again and again to harass Picard and his crew Sometimes dangerous sometimes merely obnoxious Q has always been mysterious and seemingly all powerful But this time when Q appears he comes to Picard for help Apparently another member of the Q continuum has tapped into an awesome power source that makes this being more powerful than the combined might of the entire Q continuum This renegade Q is named Trelane also known as the Squire of Gothos who Captain Kirk and his crew first encountered over one hundred years ago Q explains that armed with this incredible power Trelane has become unspeakably dangerous Now Picard must get involved in an awesome struggle between super beings And this time the stakes are not just Picard s ship or the galaxy or even the universe this time the stakes are all of creation

Star Trek: Q Squared Peter David,2012-10-30 In all of his travels Captain Jean Luc Picard has never faced an opponent more powerful than Q a being from another continuum that Picard encountered on his very first mission as Captain of the Starship Enterprise™ In the years since Q has returned again and again to harass Picard and his crew Sometimes dangerous sometimes merely obnoxious Q has always been mysterious and seemingly all powerful But this time when Q appears he comes to Picard for help Apparently another member of the Q continuum has tapped into an awesome power source that makes this being more powerful than the combined might of the entire Q continuum This renegade Q is named Trelane also known as the Squire of Gothos who Captain Kirk and his crew first encountered over one hundred years ago Q explains that armed with this incredible power Trelane has become unspeakably dangerous Now Picard must get involved in an awesome struggle between super beings And this time the stakes are not just Picard s ship or the galaxy or even the universe this time the stakes are all of creation

Into the Nebula Gene DeWeese,2000-09-22 The members of the Starship Enterprise must find the people responsible for destroying the planet before an entire civilization dies out While exploring an unknown region of space the U S S Enterprise encounters a strange nebular dust Upon further investigation they discover a planet called Krantin on which the plant and animal life as well as the civilization are dying A series of explosions and a ship that simply disappears into thin air lead the crew to believe another group is causing the devastation of the planet The leader of the planet s society however is wary of trusting the Starship Enterprise crewmembers and has the away team arrested With time running out Data must find a way to save his crewmates or watch as two worlds are destroyed

Star Trek: The Next Generation: Q&A Keith R. A. DeCandido,2007-09-25 After facing the Borg menace the crew of the U S S Enterprise is looking forward to a little exploration when the enigmatic Q informs them that the universe is at stake if they don t unravel the mystery of a strange planet in this Star Trek The Next Generation novel Nearly two decades ago Jean Luc Picard took command of the U S S Enterprise NCC 1701 D knowing it was an honor without equal On her first

mission the Enterprise was sent to Farpoint Station for a simple straightforward investigation Perfect for a crew that had never served together Then there was Q an omnipotent lifeform that seemed bent on placing obstacle after obstacle in the ship's and in particular in Picard's way And it hadn't ended with that first mission When he was least expected Q would appear Pushing prodding testing At times needling captain and crew with seemingly silly pointless and maddening trifles Then it would turn all too serious and the survival of Picard's crew was in Q's hands Why was it today that Picard was remembering the day he took command of the Enterprise D Now he commanded a new ship the Enterprise E with a different crew But Picard couldn't shake the feeling that something all too familiar was going on All too awful All too Q *The Big Game* Sandy Schofield,2012-12-11 When Quark holds a poker tournament on Deep Space Nine™ someone from almost every sentient race Klingons Cardassians Romulans Vulcans Ferengi shows up for what is sure to be the highest stakes game of all time But when one player is killed the stakes get higher than even these big money players had counted on With the station rocked by subspace waves that threaten its destruction Commander Sisko and Security Chief Odo must hunt down the killer in time to save the players a killer who has information that can save those onboard Deep Space Nine from the invisible enemy they do not even know they face a killer who holds all the cards *Imzadi Forever* Peter David,2000-09-22 A thrilling Star Trek The Next Generation adventure featuring Commander Riker Lieutenant Commander Worf and the USS Enterprise Imzadi to the people of the planet Betazed including Counselor Deanna Troi of the USS Enterprise it means beloved and denotes that which can never be truly broken Yet to whom does Deanna's heart truly belong Commander William Riker was the first Deanna called Imzadi Long before they served together on board the Enterprise they shared a tempestuous love affair back on Betazed And even now many years later Riker will embark on a desperate journey across time and space to save Deanna's life But Riker is not the only Starfleet officer to capture Deanna's heart Lieutenant Commander Worf the fierce Klingon warrior is also drawn to Deanna's gentle and caring nature Brought together by fate he and Deanna share an unexpected passion that tests the bonds between Troi and Riker even as a deadly Romulan conspiracy threatens them all *Theology and Star Trek* Shaun C. Brown,Amanda MacInnis Hackney,2023-05-22 After Star Trek Enterprise concluded in 2005 Star Trek went on hiatus until the 2009 film Star Trek and its sequels With the success of these films Star Trek returned to the small screen with series like Discovery Picard and Strange New Worlds These films and series in different ways reflect cultural shifts in Western society Theology and Star Trek gathers a group of scholars from various religious and theological disciplines to reflect upon the connection between theology and Star Trek anew The essays in part one These are the Voyages explore the overarching themes of Star Trek and the thought of its creator Gene Roddenberry Part two Strange New Worlds discusses politics and technology Part three To Explore and to Seek focuses on issues related to practice and formation Part four To Boldly Go contemplates the future of Star Trek *Foreign Foes* Dave Galanter,Greg Brodeur,2000-09-22 The Hidran race and the Klingon Empire have been at each other's throats for seventy years and Captain

Jean Luc Picard has been asked to do the near impossible take the U S S Enterprise to the planet Velek to mediate a treaty that will end the conflict between these two aggressive species Things get off to a rocky start then turn deadly as the Hidran ambassador mysteriously dies and kills a Klingon delegate as a last act of vengeance When Lt Worf is charged with the ambassador s assassinaton and Commander Riker and Counselor Troi are trapped far below the surface of the planet Captain Picard must not only act to save the Hidranas and Klingons from each other but to save his Klingon officer from a hideous death sentence

The Romulan Stratagem Robert Greenberger,1995 The return of Picard s nemesis means danger for the federation

Imzadi Peter David,2012-12-11 Years before they served together on board the U S S EnterpriseTM Commander William Riker and ship s counselor Deanna Troi had a tempestuous love affair on her home planet of Betazed Now their passions have cooled and they serve together as friends Yet the memories of that time linger and Riker and Troi remain Imzadi a powerful Betazoid term that describes the enduring bond they still share During delicate negotiations with an aggressive race called the Sindareen Deanna Troi mysteriously falls ill and dies But her death is only the beginning of the adventure for Commander Riker an adventure that will take him across time pit him against one of his closest friends and force him to choose between Starfleet s strictest rule and the one he calls Imzadi
