The City of Nephi L. Norman Shurtliff, 2018-06-07 This book begins with an introduction of what is hoped to be accomplished within its pages Since the purpose of the Gospel in these latter days is to bring people unto Christ and the Book of Mormon is another testament of Jesus Christ then our challenge is to build on these fundamental truths To bring people closer to the truth and the Gospel of Christ through the Book of Mormon is our quest We hope to not detract from this mission but to enhance it and present evidence that the Book of Mormon is literally true in every sense of the word In fact we believe that the Book of Mormon is the most correct book ever written So we will start with that premise and work backward if you will to collaborate the truth of the Book of Mormon We are not trying to prove the Book of Mormon is true because we already know that but what we are going to do is discover and find evidence and proof from the legends geography history archaeology and some physical attributes that establish the truth We see the Book of Mormon as the absolute truth that all

things are measured against in our study We realize that much has been already written about this most important scriptural text It is hoped that these discoveries are as wonderful for you the reader as they are for those that have already discovered them Concerning the record The Book of Mormon the Prophet Joseph Smith said I told the brethren that the Book of Mormon was the most correct of any book on earth and the keystone of our religion and a man would get nearer to God by abiding by its precepts than by any other book Introduction to the Book of Mormon The Promise In this book we review a unique promise that comes from the ancient Lamanite prophet Samuel to the remnant of the Children of Lehi At the time of this prophecy the Lamanites were more righteous than the Nephites and because of their dedication and devotion they were given this promise 12 Yea I say unto you that in the latter times the promises of the Lord have been extended to our brethren the Lamanites and notwithstanding the many afflictions which they shall have and notwithstanding they shall be driven to and fro upon the face of the earth and be hunted and shall be smitten and scattered abroad having no place for refuge the Lord shall be merciful unto them 13 And this is according to the prophecy that they shall again be brought to the true knowledge which is the knowledge of their Redeemer and their great and true shepherd and be numbered among his sheep Helaman 15 10 13 This great prophecy says that once again these people will be favored of the Lord and come to a knowledge of the truth of the gospel and will embrace it With that knowledge of truth in the latter days will come a realization of who they are where they came from where they lived and who they will become And just like the Lamanites in earlier times these Children of Lehi will again discover their heritage and discard the false teachings of their fore fathers They will come to a knowledge of their Savior and be numbered in His Church This prophecy is literally true and is now coming about and it is the purpose of this book to bring these truths from the Book of Mormon to this chosen people to bring people to Christ There is currently a Marvellous Work and a Wonder happening amongst this people A marvellous miracle is occurring with the Lords children specifically in South America The sole purpose of this book is to increase faith and testimony among all true believers in Jesus Christ and this other testament the Book of Mormon We invite all men everywhere to read the Book of Mormon to ponder in their hearts the message it contains and then to ask God the Eternal Father in the name of Christ if the book is true Those who pursue this course and ask in faith will gain a testimony of its truth and divinity by the power of the Holy Ghost See Moroni 10 3 5 Those who gain this divine witness from the Holy Spirit will also come to know by the same power that Jesus Christ is the Savior of the world that Joseph Smith is his revelator and prophet in these last days and that The Church of Jesus Christ of Latter Day Saints is the Lords kingdom once again established on the earth preparatory to the second coming of the Messiah Introduction to the Book of Mormon Inca Hoots Vicky Brewis,Caius Simmons,2007-12-01 These travel writings capture the excitement and spirit of the South American Andes Our journey starts at the equator and takes us south through Ecuador Peru Bolivia and Chile Wherever possible we leave the beaten track to get a true feel of the cultural geographical and historical diversities of this inspirational
