Qualitative Marketing Research: A Complete Guide - 2020 Edition Gerardus Blokdyk, 2020-05-14

Which is an external marketing metric that other organizations need to monitor? What could have been improved about communications to make it more useful for you? How does a client, an end user or buyer evaluate the quality of your qualitative research? Is the contractor working directly with any other communities? Is the problem clearly defined and free of any bias? Defining, designing, creating and implementing a process to solve a challenge or meet an objective is the most valuable role. In EVERY group, company, organization and department. Unless you are talking about a one-time, single-use project, there should be a process. Whether that process is managed and implemented by humans, AI, or a combination of the two, it needs to be designed by someone with a complex enough perspective to ask the right questions. Someone capable of asking the right questions and step back and say, "What are we really trying to accomplish here?" And is there a different way to look at it? This Self-Assessment empowers people to do just that, whether their title is entrepreneur, manager, consultant, Vice President, CxO, etc. They are the people who rule the future.
