*Redburn ; White-Jacket ; Moby-Dick* Herman Melville, 1983      *Herman Melville Collection* Herman Melville, 2020-05-07 Three classics in one Wonderfully spread out in one annotated and illustrated compact volume Many vintage books are increasingly scarce and expensive We published this volume in an affordable modern high quality edition complete with a biography of the author Includes Redburn 1849 White Jacket 1850 Moby Dick 1851      **Redburn, White-Jacket, Moby-Dick** Herman Melville, 1983      **Adumbrations of Moby Dick in Redburn and White Jacket** Jack H. Wilson, 1957

*Moby-Dick* Herman Melville, 2009-06-16 This American masterpiece is a profound inquiry into character faith and the nature of perception and is now available in a Penguin enriched eBook classic      **The Rites of Assent** Sacvan Bercovitch, 2014-01-14 The Rites of Assent examines the cultural strategies through which America served as a vehicle simultaneously for diversity and cohesion fusion and fragmentation Taking an ethnographic cross cultural approach The Rites of Assent traces the meanings and purposes of America back to the colonial typology of mission and specifically in chapters on Puritan rhetoric Cotton Mather Jonathan Edwards and the movement from Revival to Revolution to the legacy of early New England      *Moby-Dick, Or The Whale* Herman Melville, G. Thomas Tanselle, 1988-09-09 In Moby Dick Melville set out to write a mighty book on a mighty theme The editors of this critical text affirm that he succeeded Nevertheless their prolonged examination of the novel reveals textual flaws and anomalies that help to explain Melville's fears that his great work was in some ways a hash or a botch A lengthy historical note also gives a fresh account of Melville's earlier literary career and his working conditions as he wrote it also analyzes the book's contemporary reception and outlines how it finally achieved fame Other sections review theories of the book's genesis detail the circumstances of its publication and present documents closely relating to the story This scholarly edition is based on collations of both editions published during Melville's lifetime it adopts 185 revisions and corrections from the English edition and incorporates 237 emendations by the series editors This is

an Approved Text of the Center for Editions of American Authors Modern Language Association of America     **Redburn, White-Jacket and Moby-Dick** Herman Melville, 1983     **Abstracts of Theses for Higher Degrees** University of Colorado (Boulder campus), 1929     Herman Melville's Moby-Dick Michael J. Davey, 2013-11-19 No book is more central to the study of nineteenth century American literature than Herman Melville's Moby Dick or The Whale First published in 1851 it still speaks powerfully to readers today Combining reprinted documents with clear introductions for student readers this volume examines the contexts of and critical responses to Melville's work It draws together an introduction to the contexts in which Melville was writing and relevant contextual documents including letters chronology of key facts and dates critical history and extracts from early reviews and modern criticism fully annotated key passages from the novel a list of biblical allusions an annotated guide to further reading Extensive cross references link contextual information critical materials and passages from the novel providing a wide ranging view of the work and ensuring a successful and enjoyable encounter with the world of Moby Dick     **Sacred Uncertainty** Brian Yothers, 2015-04-30 Yothers Sacred Uncertainty examines Melville's engagement with religious difference both within American culture and around the world It is impossible to understand Melville's wider engagement with religious and cultural questions however without understanding the fundamental tension between self and society self and others that underlies his work and that is manifested in particular in the way in which he interacts with other writers There is almost certainly no more concrete or reliable way to get at Melville's affirmations of and arguments with these interlocutors than in the markings and annotations that appear in his copies of many of their works so Yothers examines Melville's marginalia for clues to Melville's thinking about self other and difference Sacred Uncertainty provides a much needed exploration of Melville's encounter with and reflection upon religious difference     Now & Then, 1927     **Honoring the Civil War Dead** John R. Neff, 2005 In his estimation Northerners were just as active as Southerners in myth making after the war Crafting a Cause Victorious myth that was every bit as resonant and powerful as the much better known Lost Cause myth cherished by Southerners the North asserted through commemorations the existence of a loyal and reunified nation long before it was actually a fact Neff reveals that as Northerners and Southerners honored their separate dead they did so in ways that underscore the limits of reconciliation between Union and Confederate veterans whose mutual animosities lingered for many decades after the end of the war Ultimately Neff argues that the process of reunion and reconciliation that has been so much the focus of recent literature either neglects or dismisses the persistent reluctance of both Northerners and Southerners to forgive and forget especially where their dead were concerned
