absorbed in the Christian tradition in which he was born and raised Yet while the atheist Nietzsche is well known the pious Nietzsche is seldom recognized and rarely understood Redeeming Nietzsche examines the residual theologian in the most vociferous of atheists Giles Fraser demonstrates that although Nietzsche rejected God he remained obsessed with the question of human salvation Examining his accounts of art truth morality and eternity Nietzsche's thought is revealed to be

Sexual Hospitality in the Hebrew Bible Thalia Gur-Klein, 2014-10-20 A woman's life in the ancient world was constrained by her social and economic status As a daughter she was firmly under the aegis of her father and brothers who would later allocate the woman to another man as his wife The power of fathers and husbands extended to using their wives and daughters as sexual gifts to gain favour Yet alongside this woman had certain socio economic rights notably concerning inheritance and property which they could use to protect themselves Sexual Hospitality in the Hebrew Bible examines sacred sexuality and ritual fecundity from patronymic marriage where the husband claims exclusive rights over his wife's sexuality and attributes her offspring to his line and kin to metronymic conjugal systems which allow a woman to remain in her home where the male consort joins her and her kin Ranging across abstention promiscuity and holy offering the sexual lives of women in biblical times reveal not only restriction but also female agency and resistance *Sexual Reformation?* Manitza Kotze, Nadia Marais, Nina Muller van Velden, 2022-02-28 Inasmuch as sex and sexuality are not words often spoken from pulpits and in academic theological circles a vast number of utterances have been made in the name of so called Christian values and biblical views on sex and sexuality These are often given from moral ethical perspectives and seemingly very prescriptive who should have sex with whom when sex should take place which purposes sex should serve and especially when sex is wrong Moreover often there is little or no recognition of the complexities surrounding human sexuality resulting in what appears to be a blueprint for sexuality applicable to all persons This volume contains fourteen theological and ethical reflections by South African scholars on human sexuality with the aim of exploring what a sexual reformation within Christian dialogue might entail Presented in three sections namely systematic theological reflections biblical reflections and ethical reflections the essays represent a range of topics from a variety of perspectives Luther and marriage sexual abuse in the Catholic Church body theology and the sexual revolution reproductive technologies sexuality and reproduction reproductive loss hermeneutical choices and gender reformation in South Africa queer engagements with bra Joseph explorations on Paul and sex rape culture and violent deities the church's moral authority and sexual ethics practical theological considerations regarding infertility empirical research on masculinities in Zambia and the lived experience of transgender people in African Independent Churches **The Romance of Innocent Sexuality** Geoffrey Rees, 2011 From the polling place to the pulpit The Romance of Innocent Sexuality investigates the passions that are enacted in debates about same sex marriage In a critique that is at once humorous and unrelenting Geoffrey Rees argues that sexual desire is fundamentally a desire to make sense of oneself as a whole person Through a constructive engagement with the writings of

Saint Augustine on original sin Rees turns on its head the conventional wisdom regarding the goodness of sexual relationship arguing that sin not innocence is the starting point in pursuing justice in sexual ethics To that end Rees boldly reclaims the wisdom of the most disreputable teachings of the Augustinian tradition that original sin is a literal inheritance of all humanity of the singular disobedience of Adam and Eve in Eden and the inherent sinfulness of all human sexuality This work also engages theological readings of nineteenth century fiction and literary readings of contemporary theological writings In so doing Rees shows that debates about same sex marriage are so compelling because the participants are all telling a common story in which they seek to establish the innocence of their own preferred forms of self understanding as defined against some other persons sinful selves In contrast to this Rees argues for the acceptance of responsibility for the sinful exclusions that make possible finding the meaning of embodied personal identity through marriage between any two persons

Military Chaplains' Review ,1988 *Living in Christ* Henrique Pesch,2025-10-28 Life brings a variety of challenges spiritual struggles relational issues professional difficulties and many others that arise over time To navigate and overcome these we must live a life fully grounded in Christ He offers us this abundant life through his presence and his word which provide the guidance and wisdom we need to face each situation This book explores practical areas of life that require reflection and surrender to God allowing him to shape us according to his will God s greatest desire is for us to approach life with a biblical perspective so that we may live with purpose and bring honor to his name Enjoy the journey ahead **Messy Beautiful Love** Darlene Schacht,2014-09-23 *Messy Beautiful Love* delivers an incredible testimony of grace that offers hope for today s marriages and a spark for rekindling love Love gets messy Financial problems sickness aging parents a chronically unhappy spouse trials will inevitably come that threaten your marriage No matter how long you ve been married or how strong your relationship is sooner or later you are going to have a mess to clean up *Messy Beautiful Love* is about cleaning up messes God s way exchanging your ideas for His and being prepared for both the best and the worst that marriage has to offer When you surrender your relationship to God then and only then will you experience the blessing of marriage as He intended This is the blessing of obedience *Messy Beautiful Love* is an invitation to that obedience The cynical world says marriages don t last but God knows better Tune out the world and tune in to Him When you do that a beautiful marriage is not only possible it s inevitable *Holy Sex* Austin L. Leininger,2025-10-03 Christians need a new perspective from which to engage in the question and conversation of human sexuality Writing from an understanding of sexual intimacy as a gift from God that offers humankind the opportunity to transcend our separateness as embodied people this text explores the sacramental aspects of sex as an access point for experiencing God s grace While we may certainly learn things about sex from God there are also things we can learn about our passionate relational and loving God from sex Seeking insight from the existing sacraments of Baptism and Eucharist sex is examined sacramentally as a basis for describing a sacramental approach to sexual ethics The method is then applied to difficult contemporary questions for both Church and

society Specifically applied to the ongoing discussion of the legitimacy and morality of LGBTQIA2S relationships the method demonstrates a significant contribution to the faithful discussion of sex and theology as mutually informing conversation partners

Family Redeemed Joseph Dov Soloveitchik, 2000 Focus on family relationships between husbands and wives parents and children The essays develop a Jewish theory of marriage and sexuality parenthood and the duty to honor and revere one's parents

Saving the Saved Bryan Loritts, 2016-10-11 White knuckling can never get you where you want to go But grace can You already know because you've tried repeated attempts to earn God's love and approval get you nowhere and leave you exhausted When performance taints our relationship with him the Christian life can turn into an unholy hustle It was never meant to be like this In *Saving the Saved* Pastor Bryan Loritts reveals the astonishing truth that God doesn't want your spiritual scorekeeping He simply wants your surrender The punchline of the gospel of Matthew is just that a message of grace and performance free love to do good try harder Jews who thought they had to earn their way into God's favor It's an ancient message yet it can be a lifeline to us today as we live in a world of performance metrics Just as Matthew wrote to the Jews in his gospel we were never meant to flounder under the pressures and anxieties of show Christianity Make no mistake we are called to live in obedience but Jesus wants us to save us from the illusion that our actions can ever earn God's acceptance of us In Pastor Bryan's relevant uncompromising style *Saving the Saved* proclaims

the good news that once the pressure is off to perform we are free to abide Beyond the man made rules and the red tape there is a God who knows you by name Come and meet him as you ve never known him before **Brave New Families**

Judith Stacey,1998-07-15 A study of how the traditional nuclear family has been supplanted by a variety of new relationships that are not defined by blood ties and traditional gender roles The text explores the boundaries of the American family and the relationship between family and work **Suffocating Mothers** Janet Adelman,2012-08-21 An original reading of

Shakespeare s plays illuminating his negotiations with mothers present and absent and tracing the genesis of Shakespearean tragedy and romance to a psychologized version of the Fall **The First Society: The Sacrament of Matrimony and the Restoration of the Social Order** Scott Hahn,2018-06-29 Everyone seems to agree that Western Civilization is in trouble

The problem is that no one agrees on what has gone wrong or what to do about it Some think we have too much government some not enough some think we have too much capitalism some not enough some think we have too much sexual freedom some not enough But what if the problem is much more fundamental What if the problem goes to the very foundations of who we are as human beings in relationship with God In The First Society The Sacrament of Matrimony and the Restoration of the Social Order Scott Hahn makes the startling claim that our society s ills and its cures are rooted in whether we reject or accept the divine graces made available through the Sacrament of Holy Matrimony Man he argues is social in his very nature We were created for community As it was in the beginning so it remains today The family formed through the Sacrament of Matrimony is the most basic building block of every society whether we like it or not We ve corrupted marriage and so we have a corrupt society If we get marriage right our society through God s grace will flourish This is so because Matrimony like all the sacraments heals and elevates human nature Without marriage our ambitions toward a just social order will remain forever foolhardy With it the seemingly impossible a truly peaceful and humane civilization becomes possible
