Where Is the Serengeti? Nico Medina, HQ, 2019-07-16 If you've never known what a wildebeest is, you'll find out now in this latest *Where Is* title about the Serengeti. Each year, over 1.5 million wildebeest make a harrowing journey more than one thousand miles between Tanzania and Kenya. They are in search of new land to graze. Even if these creatures avoid vicious attacks from lions and crocodiles, they could still fall prey to thirst, hunger, and exhaustion. This book not only follows the exciting Migration but also tells about the other creatures and peoples that co-exist along these beautiful landscapes of the Serengeti.

African Paleoeecology and Human Evolution Sally C. Reynolds, René Bobe, 2022-06-09 Humans evolved in the dynamic landscapes of Africa under conditions of pronounced climatic, geological, and environmental change during the past 7 million years. This book brings together detailed records of the paleontological and archaeological sites in Africa that provide the basic evidence for understanding the environments in which we evolved. Chapters cover specific sites with comprehensive accounts of their geology, paleontology, paleobotany, and their ecological significance for our evolution. Other chapters provide important regional syntheses of past ecological conditions. This book is unique in merging a broad geographic scope of all of Africa and a deep time framework of the past 7 million years in discussing the geological context and paleontological records of our evolution and that of organisms that evolved alongside our ancestors. It will offer important insights to anyone interested in human evolution, including researchers and graduate students in paleontology, archaeology, anthropology, and geology.

Rediscovering the Role of the Church Andrew Darrah, 2015-08-21 Jesus talked a lot about a kingdom: what is it, where is it, and how does one live in it. These are turbulent times in the world. The idea of living under the influence of another kingdom, a Heavenly one, is a sigh of relief. When Jesus said to all His followers to seek first the kingdom of God and His righteousness as priority for life and all the things such as food, water, shelter, etc., the things most people live to die for, will be added, did He really mean that? If so, then what is this kingdom of God, and how exactly do we seek it? In this book, you will learn that the kingdom of God is an actual government, an alternative government for those who feel trapped under the governments of this world. A Kingdom Government with a King whose authority extends from spiritual to physical realm of life. The insights from this book, inspired by the Holy Spirit and the scriptures, will transform how you view this world and set you free from the system of this world by reconnecting you to a different system, a Heavenly one. May the Lord Jesus open the eyes of your understanding as you read this book in Jesus' name. Amen.
