Baggett,2013-06-25 When his son was diagnosed with a disabling mental illness John F Baggett experienced a journey of grief unlike any other a grief for the loss of all his son would

never be and that he as a father would never experience Through that difficult period he learned that grief by whatever definition and for whatever reason can be a time of momentous spiritual struggle it is no smooth sailing even for faithful Christians How then can believers navigate the struggles of faith that so often accompany personal tragedy Finding the Good in Grief is both a practical and inspirational guide that teaches readers to learn change and grow through their grief In five stages Baggett demonstrates how to Trust God and rely on others Choose reality instead of illusion Resist the temptation to get stuck Recognize moments of grace Discover new meaning and purpose Finding the Good in Grief will help Christians successfully negotiate faith struggles that often accompany the different stages of grief and will encourage them to find and develop spiritual resources to survive their darkest days of emotional turmoil Most of all it will guide to them understand that God does have the power to transform events of radical suffering and use them for good in our lives *Finding God in the Universe* Guy Consolmagno,2022-04-19 How does a scientist find God in the universe Finding God in the Universe is the personal reflection of a Jesuit brother and astronomer the director of the Vatican Observatory Br Guy Consolmagno SJ insists that science is more than observing the universe it s learning how to pay attention how to concentrate on one aspect while setting aside at least momentarily all the other interesting aspects that can distract us from a deeper knowledge of the universe or of God In his telling joy is our compass truth is our goal and imagination weaves the story where we situate the joy that leads us to truth Most importantly both science and theology are done within a community of fellow seekers where we share the stories that teach us how to explore and with whom we can try to make sense of what we think we have found In the My Theology series the world s leading Christian thinkers explain some of the principal tenets of their theological beliefs in concise pocket sized books **Finding God in the Seasons of Divorce** Richard D. Crooks,2013-07-31 This daily devotional addresses the emotions and difficulties of divorce While autumn and winter dealt with divorces difficult early days the promise of spring and summer addresses emerging hope and the reordering of life in a new context This volume deals with the tough questions of priorities and life directions as well as haunting issues of the past and inevitable future complications Author Richard Crooks brings Scripture to bear on the issues and helps the reader explore the possibilities of reconciliation singleness or remarriage The seasonal approach of the book allows readers to identify progress in healing from the trauma of divorce or other loss Readings may either be done daily or at ones own pace using the topical index to seek out devotions addressing specific topics and concerns Writing in warm conversational style Richard shares his insights and experiences through them you can discover that life can move on in healthy and godly ways while love and joy can be renewed even after a divorce This book is a powerful resource for those struggling with divorce and a great tool not only for pastors and counselors but for any who desire to help a divorcing friend or family member **The Blessing and The Curse** Robert Lee,2022-08-24 Why are we here What is our purpose Do we have a choice in what direction to go in life or is everything preordained or left up to fate Within the span of eleven months Robert Lee asked these questions and received

the answers through reading the Bible and praying to God Precipitated by a divorce and subsequent move from Ottawa to Chilliwack the answers were revealed to him through the Bible his experiences and the people he met How we got to where we are in life is not the focus nor is it important Acceptance is important Accepting God others and oneself is the starting point From there forgiveness is possible and necessary to find God inner peace and to continue life s journey with the assurance of God s salvation *Finding the Path to God* T. Montisé Peterson,2018-03-10 In this book I share my personal testimony of how I was born raised and baptized as one of Jehovahs Witnesses I spent my entire youth going door to door conducting Bible studies converting people to the Jehovah Witness faith I served at various Kingdom Halls and even helped build Kingdom Halls As one of Jehovahs Witnesses I was happy and believed I had the truth until I was literally Tapped on the Shoulder by God told to leave the Kingdom Hall and I started down The Path He paved for me **Soul Murder God Priest and Me** Sara Atman,2007-03 SOUL MURDER God Priest and Me is a compelling account of adult clergy sex abuse and the denial and cover up over 4 decades by the Catholic Church et al Through sheer determination Sara was instrumental in finally bringing about the priest s expulsion By this time he was 80 yrs old Clergy sex abuse is more than an abuse of trust it is more than a crime It is SOUL MURDER Soul Murder is a betrayal by God and by clergy God s representative This type of abuse challenges faith and forces victims to ask Does a God of love really exist Sara s struggles with this profound betrayal weave through the story in the form of God Conversations that take her on a roller coaster journey towards healing The genuine quest for answers and the need to apportion blame are expressed in a powerful way ironically hopefully despairingly and tongue in cheek The book also addresses the issue of enforced celibacy and its consequences repression emotonal immaturity etc
