Reference Work In The University Library:

Reference Work in the University Library Rolland E. Stevens, Linda C. Smith, 1986 Introduction to Reference Work: Reference services William A. Katz, 1969 This standard textbook divided into two volumes Basic Information Sources and Reference Processes covers all aspects of reference sources and services The Seventh edition is totally updated and places new emphasis on electronic resources CD ROM online and Internet WWW Katz predicts that in a decade most reference works will be electronic format and in this edition print is secondary **Introduction to Reference Work: Reference services and reference processes** William A. Katz, 1978 **Introduction to Reference Work** Margaret Hutchins, 1949 **Reference and Information Services** Melissa A. Wong, Laura Saunders, 2024-08-22 Written as a textbook for LIS students taking reference courses this fully updated and revised seventh edition of Reference and Information Services An Introduction also serves as a helpful handbook for practitioners to refamiliarize themselves with particular types and formats of sources and to refresh their knowledge on specific service topics The first section grounds the rest of the textbook with an overview of the foundations of reference and an introduction to the theories values and standards that guide reference service The second section provides an overview of reference services and techniques for service provision establishing a foundation of knowledge on reference service and extending ethical and social justice perspectives The third part offers an overview of the information life cycle and dissemination of information followed by an in depth examination of information sources by type as well as by broad subject areas Finally the concluding section guides the reader through the process of developing and maintaining their own vision of reference practice This textbook is essential reading for all preservice and working librarians particularly those concerned with ethical and social justice perspectives on reference work **Library Reference Services and Information Literacy: Models for Academic Institutions** Cordell, Rosanne M., 2013-06-30 As classrooms and universities strive to adapt their instructional methods to an ever progressing technological age it is imperative that academic libraries also revisit the ways in which reference and instruction services are organized and implemented Library Reference Services and Information Literacy Models for Academic Institutions not only advocates for a more intentional integration of reference and instructional services but it also provides organizational background staff objectives and various successes and challenges that have already been experienced by real institutions This publication is an important reference source for librarians practitioners and university leaders who wish to maximize the current utilization of their resources **Rothstein on Reference- with Some Help from Friends** Samuel Rothstein, 1989 Now library professionals can enjoy the convenience of having 16 of Sam Rothstein s most memorable papers spanning over three decades all in one lively book Samuel Rothstein practitioner teacher and scholar has influenced the thinking and practice of more reference librarians who are currently practicing than has any other single individual In his honor the editors of Rothstein on Reference not only feature Rothstein s seminal writing but they have also included essays written by

Rothstein's colleagues including Charles Curran Robert Hauptman Marilyn Domas White and Mary Biggs that explore important issues confronting reference librarians today Reference librarians and library historians will gain insights into the development of reference service in American libraries the evaluation of reference services the training and education of reference librarians and much more Both beginners and experts in the reference field will find much here for inspiration and enlightenment

Reference Work James Ingersoll Wyer, 1927 **Documents of the Senate of the State of New York** New York (State). Legislature. Senate, 1915 **New York State Education Department Bulletin**, 1910 **Evaluation of Reference Services** Linda S Katz, 2013-10-18 Library authorities address the increasing significance of reference services and the increasing need for evaluation of those services to further ensure professionalism and efficiency *A Handbook of Private Schools for American Boys and Girls*, 1924 Classics of American Librarianship: The library within the walls, comp. by K.T. Moody Arthur Elmore Bostwick, 1929 **Opportunities for Reference Services** Bill Katz, 2019-12-06 This book first published in 1991 explores the changing roles of reference services and offers advice and practical ideas to guide librarians through the increasingly tangled maze of duties being thrust upon the reference staff Although the everyday work of the reference librarian is often taken for granted these insightful chapters illuminate the essential service performed by the reference librarians as they facilitate access to information for a wide variety of users Furthermore this book helps reference librarians face the future by examining the technological and service developments that will challenge their profession It addresses unique reference problems such as making use of the telephone as an information gathering tool selecting reference material for the interdisciplinary field of Health Physical Education and Recreation HPER and helping non law students with legal research Topics related to information systems are examined such as the limitations of end user online services and an evaluation of the Library of Congress Information system Authoritative contributors make recommendations on how to design services to coordinate with the new technology and how to change librarians roles so they can assist people in using these systems *Guide to Reference* Jo Bell Whitlatch, Susan E. Searing, 2014-08-06 Ideal for public school and academic libraries looking to freshen up their reference collection as well as for LIS students and instructors conducting research this resource collects the cream of the crop sources of general reference and library science information Encompassing internet resources digital image collections and print resources it includes the full section on LIS Resources from the Guide to Reference database which was voted a 1 Best Professional Resource Database by Library Journal readers Organized by topic and thoroughly indexed this guide makes it a snap to find the right sources It offers an appealing introduction to reference work and resources for LIS students and also serves as an affordable course book to complement online Guide to Reference access Library Instruction in Universities, Colleges, and Normal Schools, 1914 *New York State Library School Register 1887-1926* New York State Library School Association, 1928 New Hampshire Public Libraries, 1923 New Directions in Reference Bryon D. Anderson, 2012-12-06 Design and deliver traditional

reference services in new and innovative ways Librarians work in an environment of constant change created by new technology budget restraints inflationary costs and rising user expectations New Directions in Reference examines how they can use new and innovative methods to design and deliver traditional reference services in a wide range of settings The book's contributors relate first hand experiences in libraries large and small public and academic and urban and rural dealing with a variety of changes including virtual reference music reference self service interlibrary loan e mail reference and copyright law Change isn't new to libraries but the accelerated pace of change is Traditional lines that have existed between library departments have been erased and traditional notions about general and specialized reference services have been reconsidered New Directions in Reference documents how librarians are re thinking their roles and responsibilities to keep pace with the ongoing process of evolution that borders on revolution New Directions in Reference examines the skills needed to manage and evaluate virtual reference services the basics of modern copyright law and the Digital Millennium Copyright Act DMCA the changes in users sources and modes of access in music reference services the use of interlibrary loan management software that allows patrons to request track and renew borrowed materials online the Ask A Librarian e mail reference service the Government Printing Office and government information online and much more New Directions in Reference also includes case studies involving the new Martin Luther King Jr Library in San Jose California and the impact of Personal Digital Assistants PDAs in providing reference services for medical libraries This important book is an essential professional resource for public academic and special librarians especially those providing reference services **Report**
