Richard Strauss A Critical Commentary On His Life Volume Three

Anne-Marie O'Connor

Richard Strauss A Critical Commentary On His Life Volume Three:

Richard Strauss Norman Del Mar, 1978 **Richard Strauss** Norman Del Mar, 2009-04 Norman Del Mar 1919 1994 was universally recognised as a leading authority on the music of Richard Strauss and his masterly three volume study of his life and works remains a classic Volume II spans the years 1912 to 1933 the premiere of *Arabella* taking in the *Ariadne* versions *Die Frau ohne Schatten* the ballets and much incidental music Deploying a well nigh encyclopaedic knowledge Mr Del Mar acquits himself brilliantly of his task of disentangling and reassembling the numerous strands that make up the backcloth of poetry and philosophy which Strauss while not always understanding every intricacy yet needed as a constant reference map for his composing The three volumes of this magnificent book should be studied by all lovers of the late romantic music amateurs and professionals alike a monumental achievement *Times Literary Supplement* A brilliant and copiously analytical study a constant fascination *Guardian* *Richard Strauss and His World* Bryan Randolph Gilliam, 1992-08-30 Strongly influencing European musical life from the 1880s through the First World War and remaining highly productive into the 1940s Richard Strauss enjoyed a remarkable career in a constantly changing artistic and political climate This volume presents six original essays on Strauss's musical works including tone poems lieder and operas and brings together letters memoirs and criticism from various periods of the composer's life Many of these materials appear in English for the first time In the essays Leon Botstein contradicts the notion of the composer's stylistic about face after *Elektra* Derrick Puffett reinforces the argument for Strauss's artistic consistency by tracing in the tone poems and operas the phenomenon of pitch specificity James Hepokoski establishes Strauss as an early modernist in an examination of *Macbeth* Michael Steinberg probes the composer's political sensibility as expressed in the 1930s through his music and use of such texts as *Friedenstag* and *Daphne* Bryan Gilliam discusses the genesis of both the text and the music in the final scene of *Daphne* Timothy Jackson in his thorough source study argues for a new addition to the so called Four Last Songs Among the correspondence are previously untranslated letters between Strauss and his post Hofmannsthal librettist Joseph Gregor The memoirs range from early biographical sketches to Rudolf Hartmann's moving account of his last visit with Strauss shortly before the composer's death Critical reviews include recently translated essays by Theodor Adorno Guido Adler Paul Bekker and Julius Korngold Publisher description **The Cambridge Companion to Richard Strauss** Charles Youmans, 2010-11-18 Richard Strauss is a composer much loved among audiences throughout the world both in the opera house and the concert hall Despite this popularity Strauss was for many years ignored by scholars who considered his commercial success and his continued reliance on the tonal system to be liabilities However the past two decades have seen a resurgence of scholarly interest in the composer This Companion surveys the results focusing on the principal genres the social and historical context and topics perennially controversial over the last century Chapters cover Strauss's immense operatic output the electrifying modernism of his tone poems and his ever popular Lieder Controversial topics are explored

including Strauss's relationship to the Third Reich and the sexual dimension of his works Reintroducing the composer and his music in light of recent research the volume shows Strauss's artistic personality to be richer and much more complicated than has been previously acknowledged *Richard Strauss* Willi Schuh, 1982-07-08 **Richard Strauss** Norman DelMar, 1972 Richard Strauss Derrick Puffett, 1989 The contributions to this handbook bring together a full length study of Elektra in English The volume examines the many facets of one of Richard Strauss's most complex operas First P E Easterling surveys the mythological background while Karen Forsyth discusses Hofmannsthal's adaptation of his sources The second part brings the music to the fore Derrick Puffett offers an introductory essay and synopsis Arnold Whittall considers the tonal and dramatic structure of the composition Tethys Carpenter explores the musical language of the work in detail with special focus given to part of the Klytaemnestra scene The third part of the volume offers two contrasting critical essays Carolyn Abbate provides an interpretation informed by her recent work on narrative and Robin Holloway analyses Strauss's orchestration of the opera The book also contains a discography and an appendix of excerpts from the Strauss Hofmannsthal correspondence *The Cambridge History of Twentieth-Century Music* Nicholas Cook, Anthony Pople, 2004-08-05 Publisher Description Richard Strauss Bryan Gilliam, 1997 As we approach the fiftieth anniversary of Richard Strauss's death scholarly interest in the composer continues to grow Despite what was once a tendency by musicologists to overlook or deny Strauss's importance these essays firmly place the German composer in the musical mainstream and situate him among the most influential composers of the late nineteenth and early twentieth centuries Originally published in 1992 this volume examines Strauss's life and work from a number of approaches and during various periods of his long career opening up unique corridors of insight into a crucial time in German history Contributors discuss Strauss as a young composer steeped in a conservative instrumental tradition as a brash young modernist tone poet of the 1890s as an important composer of twentieth century German opera and as a cultural icon manipulated by the national socialists during the 1930s and early 1940s Individual essays use Strauss's creative work as a framework for larger musicological questions such as the tension between narrative and structure in program music the problem of extended tonality at the turn of the century stylistic choice versus stylistic obligation and conflicting perspectives of progressive versus conservative music This collection will interest Strauss scholars musicologists and those interested in the artistic and cultural life of Germany from 1880 through the Second World War Contributors Kofi Agawu G nter Brosche Bryan Gilliam Stephen Hefling James A Hepokoski Timothy L Jackson Michael Kennedy Lewis Lockwood Barbara A Peterson Pamela Potter Reinhold Schl tterer R Larry Todd *Richard Strauss* Michael Kennedy, 2006-11-02 This book re evaluates a figure whom the author considers to be the greatest composer of the twentieth century Kennedy deals fully with Strauss's life as leading composer and national figure in the Third Reich during which he was both f ted and cold shouldered by the authorities In putting this period into perspective he draws heavily on hitherto ignored material including Strauss's own letters and diaries In addition he reveals much about Strauss's long happy

but tempestuous marriage to the soprano Pauline de Ahna as well as tracing the important relationships to his librettists Hugo von Hofmannsthal Stefan Zweig Joseph Gregor and Clemens Krauss Kennedy reassesses the man and the music revealing a picture of a level headed practical and extremely versatile musician a great conductor as well as a great composer

Music, Structure, Thought: Selected Essays James Hepokoski, 2017-07-05 Among the most original and provocative musicological writers of his generation James Hepokoski has elaborated new paradigms of inquiry for both music history and music theory Advocating fundamental shifts of methodological reorientation within the quest for potential musical meanings his work spans both disciplines and offers substantial challenges for each At its core is the conviction that a close study of musical genres procedures and structures those qualities of a composition that are specifically musical is essential to any responsible hermeneutic enterprise Selected from writings from 1984 to 2008 this collection of essays provides a generous introduction to the author's most innovative and influential work on a wide variety of topics musicological methodology issues of staging and performance Italian opera program music and exemplary studies of individual pieces

The Marks of a Maestro Raymond Holden, Stephen Mould, 2021-03-11 Only recently has it become obvious that conductors annotated scores and marked orchestral parts are of great cultural historical and musical importance In the not so distant past these artefacts had something of an uncertain status with many either languishing unopened in libraries and family archives or simply being dispersed or discarded With the help of institutions such as the Royal Academy of Music Harvard University and the New York Philharmonic Orchestra this has begun to change with their extensive collections of these materials now being made available to scholars and musicians This element examines the emergence of these artefacts as didactic and interpretative tools and explores the ways in which the performance styles of ten iconic conductors active in the nineteenth twentieth and twenty first centuries are reflected in their annotated scores and marked orchestral parts of Mozart's Symphony No 41 K 551 Jupiter

The Lady in Gold Anne-Marie O'Connor, 2015-03-31 National Bestseller The true story that inspired the movie Woman in Gold starring Helen Mirren and Ryan Reynolds Contributor to the Washington Post Anne Marie O Connor brilliantly regales us with the galvanizing story of Gustav Klimt's 1907 masterpiece the breathtaking portrait of a Viennese Jewish socialite Adele Bloch Bauer The celebrated painting stolen by Nazis during World War II subsequently became the subject of a decade long dispute between her heirs and the Austrian government When the U S Supreme Court became involved in the case its decision had profound ramifications in the art world Expertly researched masterfully told The Lady in Gold is at once a stunning depiction of fin de siècle Vienna a riveting tale of Nazi war crimes and a fascinating glimpse into the high stakes workings of the contemporary art world One of the Best Books of the Year The Huffington Post The Christian Science Monitor Winner of the Marfield National Award for Arts Writing Winner of a California Book Award

[Derrick Puffett on Music](#) Kathryn Bailey Puffett, 2017-07-05 I listen to a piece and ask myself what has made the greatest impression on me What has moved me the most about it what has excited me the

most what it is I want to write about what sets my mind working what sets off my imagination Derrick Puffett's description to a group of Cambridge graduate students of his approach to listening and writing about music is clearly evident in the articles reprinted in this collection For the first time the book makes available in one place writings previously widely dispersed amongst many journals and symposia Resonances emerge that cross from essay to essay with the result that a larger coherent project is revealed Insistent on the need of music analysis to be accompanied by a wider historical knowledge Puffett believed strongly that the methods to be adopted on each occasion must be dictated by the music at hand His work on Bruckner Strauss Webern Zemlinsky Delius and Debussy is of enduring importance to the study of music With a prose style distinguished for its elegance and clarity Puffett's writings will enhance the understanding and enjoyment of the music that he discusses amongst students and teachers alike

German Lieder in the Nineteenth Century Rufus

Hallmark, 2009-09-10 German Lieder in the Nineteenth Century provides a detailed introduction to the German lied Beginning with its origin in the literary and musical culture of Germany in the nineteenth century the book covers individual composers including Schubert Schumann Brahms Strauss Mahler and Wolf the literary sources of lieder the historical and conceptual issues of song cycles and issues of musical technique and style in performance practice Written by eminent music scholars in the field each chapter includes detailed musical examples and analysis The second edition has been revised and updated to include the most recent research of each composer and additional musical examples

Song Carol

Kimball, 2006-12-01 Carol Kimball's comprehensive survey of art song literature has been the principal one volume American source on the topic Now back in print after an absence of several years this newly revised edition includes biographies and discussions of the work of 150 composers of various nationalities as well as articles on styles of various schools of composition

Music and Decadence in European Modernism

Stephen Downes, 2010-06-03 Downes presents a detailed examination of the significance of decadence in Central and Eastern European modernist music

Modernist Work John

Attridge, Helen Rydstrand, 2019-07-25 Through a wide ranging selection of essays representing a variety of different media national contexts and critical approaches this volume provides a broad overview of the idea of work in modernism considered in its aesthetic theoretical historical and political dimensions Several individual chapters discuss canonical figures including Richard Strauss Joseph Conrad Virginia Woolf Franz Kafka and Gertrude Stein but Modernist Work also addresses contexts that are chronologically and geographically foreign to the main stream of modernist studies such as Swedish proletarian writing Haitian nationalism and South African inheritors of Dada Prominent historical themes include the ideas of class revolution and the changing nature of women's work while more conceptual chapters explore topics including autonomy inheritance intention failure and intimacy Modernist Work investigates an important but relatively neglected topic in modernist studies demonstrating the central relevance of the concept of work to a diverse selection of writers and artists and opening up pathways for future research

eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Richard Strauss A Critical Commentary On His Life Volume Three full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Richard Strauss A Critical Commentary On His Life Volume Three eBooks, including some popular titles.

FAQs About Richard Strauss A Critical Commentary On His Life Volume Three Books

What is a Richard Strauss A Critical Commentary On His Life Volume Three PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Richard Strauss A Critical Commentary On His Life Volume Three PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Richard Strauss A Critical Commentary On His Life Volume Three PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Richard Strauss A Critical Commentary On His Life Volume Three PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Richard Strauss A Critical Commentary On His Life Volume Three PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any

restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
