Selected Poems: in Five Sets Laura (Riding) Jackson, Laura Riding, 1973      **Selected Poems** Laura Riding, 1950

*Laura Riding* Laura (Riding) Jackson, 1993 Laura Riding Jackson is recognized as one of America's great modernist poets although she renounced the writing of poetry in 1941 viewing poetry as blocking truth's ultimate verbal harmonies First published in England in 1970 and long out of print *Selected Poems In Five Sets* includes sixty-one poems personally selected and arranged by the author Drawn from her *Collected Poems* of 1938 this is a remarkable distillation of Laura Riding's poetic achievement The extraordinary preface is perhaps Laura Riding Jackson's most succinct explanation of her renunciation of the writing of poetry and is a provocative commentary on the contemporary poetry scene Persea Books      **The Oxford**

**Handbook of Contemporary British and Irish Poetry** Peter Robinson, 2013-09-26 *The Oxford Handbook of Contemporary British and Irish Poetry* offers thirty-eight chapters of ground-breaking research that form a collaborative guide to the many groupings and movements the locations and styles as well as concerns aesthetic political cultural and ethical that have helped shape contemporary poetry in Britain and Ireland The book's introduction offers an anthropological participant-observer approach to its variously conflicted subjects while exploring the limits and openness of the contemporary as a shifting and never wholly knowable category The five ensuing sections explore a history of the period's poetic movements its engagement with form technique and the other arts its association with particular locations and places its connection with and difference from poetry in other parts of the world and its circling around such ethical issues as whether poetry can perform actions in the world can atone redress or repair and how its significance is inseparable from acts of evaluation in both poets and readers Though the book is not structured to feature chapters on authors thought to be canonical on the principle that contemporary writers are by definition not yet canonical the volume contains commentary on many prominent poets as well as finding space for its contributors' enthusiasms for numerous less familiar figures It has been organized to be read from cover to cover as an ever deepening exploration of a complex field to be read in one or more of its five thematically structured sections or indeed to be read by picking out single chapters or discussions of poets that particularly interest its individual readers      **The Book Lover's Guide to Florida** Kevin M. McCarthy, 1992 Here is the book lover's literary tour of

Florida an exhaustive survey of writers books and literary sites in every part of the state The state is divided into ten areas and each one is described from a literary point of view You will learn what authors lived in or wrote about a place which books describe the place what important movies were made there even the literary trivia which the true Florida book lover will want to know You can use the book as a travel guide to a new way to see the state as an armchair guide to a better understanding of our literary heritage or as a guide to what to read next time you head to a bookstore or library Publisher

**Modernism, the Market and the Institution of the New** Rod Rosenquist, 2009-01-08 This book examines the problems faced by innovative writers working in a late modernist era dominated by Joyce Eliot and Pound      *Writing Not*

*Writing* Tom Fisher, 2017-07 *Writing Not Writing* is both a detailed analysis of four individual poets who left poetry behind and a theoretically provocative exploration of the political and ethical possibilities of silence not doing and disavowal Reading the silences of George Oppen Carl Rakosi and Bob Kaufman the renunciation of Laura Riding and other more contemporary instances and modes of poetic abnegation Tom Fisher explores silence refusal and disavowal as political and ethical modes of response in a time of continuous crisis Through a turn away from writing these poets offer strategies of refusal and departure that leave anagrammatical hollows behind activating the negational capacities of writing and aesthetics to disrupt the empire of sense speech and agency      Textual Practice Christopher Norris, Journal, 1990-12-31 A general issue of *Textual Practice* with the usual combination of scholarly discourse and reviews This book should be of interest to academics and students of literature literary criticism media studies and philosophy      Textual Practice Terence Hawkes, 2005-10-26 First published in 1992 Routledge is an imprint of Taylor Francis an informa company      **The Unthroned Oracle** Jack Blackmore, 2016-11-01 Laura Riding was a major poet whose poems though widely admired and influential have been little understood Throughout the 1920s and 1930s she was a devout advocate of poetry believing that to go to poetry is the most ambitious act of the mind Her subsequent renunciation of poetry in the 1940s gave rise to bemusement Jack Blackmore tackles the causes of the neglect of Riding's poetry and establishes new and productive approaches to the poems His close readings of fifteen poems demonstrate the progress of *Collected Poems* and the remarkable range and scope of her poetry He establishes both the strength and unity of the poems and the continuity between them and her post poetic work in particular her spiritual testament *The Telling* Mark Jacobs's vivid memoir of a visit to the author in later life at her Florida home complements the work on the poems These essays are interesting and you have done well You seem to me fair and just in what you say about her work Robert Nye This is ambitious work full of insights Professor Michael Schmidt      Rational Meaning Laura (Riding) Jackson, Schuyler B. Jackson, 1997 Existing only in manuscript since the 1940s but enjoying an underground reputation among friends and advocates this primary document by one of the most original and influential of American poets and thinkers is now being published as *Rational Meaning* Laura Riding Jackson's testament of the necessity of living for truth Begun as a dictionary and thesaurus in the 1930s the work developed into a fundamental reevaluation of language itself Riding in close collaboration with her husband continued this monumental project over the succeeding decades completing it after his death in 1968 At the core of *Rational Meaning* which aims to restore the truth of language by arguing that meaning inheres in words stands the idea that a total renovation of the knowledge of language is needed not to develop mere verbal sophistication and respectability but fundamentally to reinvigorate the intellectual processes of consciousness The book reveals the disastrous extent to which language has been unlearned and shows how it may be learned again *Rational Meaning* will be essential reading not only for students of literature but for radical minded linguists and lexicographers unhappy with the orthodoxies current in their disciplines      **Other Traditions** John Ashbery, 2025-09-16

John Ashbery appraises the lesser known poets who shaped his own confounding infinitely inventive work In lectures on John Clare Thomas Lovell Beddoes Raymond Roussel John Wheelwright Laura Riding and David Schubert Ashbery shows how these writers shaped both his own poetics and the broader trajectory of twentieth century literature     **The Case of the Persevering Maltese** Harry Mathews,2003 A companion to The Human Country New and Collected Stories this volume contains all of Harry Mathews s nonfiction These astonishing essays cover a wide range of literary topics including discussion of complex musical forms and Oulipian techniques to insightful commentaries on the works of Lewis Carroll Raymond Roussel Italo Calvino Joseph McElroy and Georges Perec Throughout the collection Mathews examines the relationship between form and literature in a lucid intimate voice arguing with intelligence grace and humor for the importance of artifice Publisher s description     **The New Anthology of American Poetry** Steven Gould Axelrod,Camille Roman,Thomas J. Travisano,2003 The book includes over 600 poems by 65 american poets writing in the period between 1900 and 1950

Travisano,1996-01-01 Thirteen original essays on Gertrude Stein H D Marianne Moore Edna St Vincent Millay Laura Riding Jackson Elizabeth Bishop Muriel Rukeyser and Gwendolyn Brooks demonstrate how these women expand the social textual and political boundaries of modernism The collection places these poets in the context of their times examining the conditions that helped shape their vivid and diverse poetic careers and reconsidering some of the assumptions that have led to their exclusion from the main narratives of modernist poetry Ultimately the aim is to enlarge the literary history of the movement for gendered modernism extends backward to the first years of the century and forward to the beginnings of postmodernism in the 1960s     **Writing Back** Robin Peel,2002 Writing Back Sylvia Plath and Cold War Politics explores the relationship between Plath s writing and Cold War discourses and argues that the time 1960 1963 the place England and the global politics are important factors for us to consider when we consider the rhetoric of Plath s later poetry and fiction Based on fresh readings arising from new research this study argues that Plath should not be depoliticized and examines her writing alongside the discourses of the period as expressed in newspaper reporting magazines and BBC radio In contrasting her relationship with institutions in America in the 1950s with her responses in England to church the American arms industry the National Health Service and the Campaign for Nuclear Disarmament it becomes clear that the process of cultural defamiliarization causes Plath to question the model of the individual artist divorced from society a model of the writer that had previously seemed so attractive     *Ted Hughes and Trauma* Danny O'Connor,2016-08-31 This book is a radical re appraisal of the poetry of Ted Hughes placing him in the context of continental theorists such as Jacques Lacan Jacques Derrida and Slavoj Zizek to address the traumas of his work As an undergraduate

Hughes was visited in his sleep by a burnt fox man who left a bloody handprint on his essay warning him of the dangers of literary criticism Hereafter criticism became burning the foxes This book offers a defence of literary criticism drawing Hughes poetry and prose into the network of theoretical work he dismissed as the tyrant s whisper by demonstrating a shared concern with trauma Covering a wide range of Hughes work it explores the various traumas that define his writing Whether it is comparing his idea of man as split from nature with that of Jacques Lacan considering his challenging relationship with language in light of Roland Barthes and Jacques Derrida seeing him in the art gallery and at the movies with Gilles Deleuze or considering his troubled relationship with femininity in regard to Teresa Brennan and Slavoj i ek Burning the Foxes offers a fresh look at a familiar poet Women's Poetry of the 1930s: A Critical Anthology Jane Dowson,2008-02-21 Where were the women of the so called Auden Generation During this era of rapidly changing gender roles social values and world politics women produced a rich variety of poetry But until now their work has largely been lost or ignored in Women s Poetry of the 1930s Jane Dowson finally redresses the balance and recovers women s place in the literary history of the interwar years This comprehensive and beautifully edited collection includes Previously uncollected poems by authors such as Winifred Holtby and Naomi Mitchison Poems which are now out of print such as those by Vita Sackville West and Frances Cornford Poems previously neglected by poets including Ann Ridler and Sylvia Townsend Warner An extensive critical introduction and individual biographies of each poet Poetry lovers students and scholars alike will find Women s Poetry of the 1930s an invaluable resource and a collection to treasure
