Selected Poems Of Lawrence Durrell:

Selected Poems of Lawrence Durrell Lawrence Durrell, 2011-12-15 In this new selection from the poetry of Lawrence Durrell the first for thirty years Peter Porter has drawn on the full range of the published work from *A Private Country* 1943 to *Vega* 1973 and has provided a long overdue revaluation of Durrell's poetic career In his detailed and generous introduction Porter makes the case for *A Private Country* as one of the most accomplished debut collections of the twentieth century and traces Durrell's preoccupations and poetic personality within the wider scene The selection of poems makes its own strong case for the continuing power and originality of this attractive metropolitan and wholly individual body of work

Lawrence Durrell's Poetry Isabelle Keller-Privat, 2019-04-25 This book offers the first in depth analysis of Lawrence Durrell's entire poetic opus from his early collections in the 1940s up to his last one published in 1973 Thirty years of Durrellian poetry are brought together in order to unveil the genesis of Durrell's writing both poetic and fictional drawing links to his novels and residence books which he kept writing at the same time Durrell thus appears as first and foremost one of the greatest late modernist poets whose literary and epistemological investigations are to be understood in the light of a worldwide network of literary brotherhoods including T S Eliot Michael Fraenkel Henry Miller and David Gascoyne Simultaneously this book shows why Durrell must also be read as the heir to the greatest English romantic poets Byron Shelley Keats and Wordsworth as well as to the French symbolists and modernists from Baudelaire to Nerval Valéry and Cendrars This comparative approach opens up a brand new perspective on Durrell that has not yet been broached by North American and English scholarship The symbolic patterns the stylistic ploys and the aesthetic and philosophic tenets that

characterize Durrell's poetics account for the necessary back and forth reading that connects prose and poetry the fictional and the lyrical the descriptive and the abstract Poetry excerpts extracts from his residence books novels and essays highlight not only Durrell's complex literary strategies but also the ontological quest of a writer who although never at home with the world he lived in strove to create a life world what semiologists call the Umwelt **FRUITFUL DISCONTENT OF THE**
