representative as it could be Delmore Schwartz     The Collected Poems of Muriel Rukeyser Janet E. Kaufman, Anne F. Herzog, Jan Heller Levi, 2005-05-22 Muriel Rukeyser held a visionary belief in the human capacity to create social change through language She earned an international reputation as a powerful voice against enforced silences of all kind against the violence of war poverty and racism Her eloquent poetry of witness of the Scottsboro Nine the Spanish Civil War the poisoning of the Gauley Bridge laborers split the darkness covering a shameful world In addition to the complete texts of her twelve previously published books this volume also features new poems discovered by the editors Rukeyser's translations including the first English translations of Octavio Paz's work early work by Rukeyser not previously published in book form and the controversial book length poem Wake Island An introduction by the editors traces Rukeyser's life and literary reputation and complements discerning annotations and textual notes to the poems     **Collected Poems 1912-1944** Hilda Doolittle, 2015-01-12 The Collected Poems 1912 1944 of H D brings together all the shorter poems and poetical sequences of Hilda Doolittle 1886 1961 written before 1945 Divided into four parts this landmark volume now available as a New Directions Paperback includes the complete Collected Poems of 1925 and Red Roses for Bronze 1931 Of special significance are the Uncollected and Unpublished Poems 1912 1944 the third section of the book written mainly in the 1930s during H D's supposed fallow period As these pages reveal she was in fact writing a great deal of important poetry at the time although publishing only a small part of it The later wartime poems in this section form an essential prologue to her magnificent Trilogy 1944 the fourth and culminating part of this book Born in Pennsylvania in 1886 Hilda Doolittle moved to London in 1911 in the footsteps of her friend and one time fianc Ezra Pound Indeed it was Pound acting as the London scout for Poetry magazine who helped her begin her extraordinary career penning the words H D Imagiste to a group of six poems and sending them on to editor Harriet Monroe in Chicago The Collected Poems 1912 1944 traces the continual expansion of H D's work from her early imagistic mode to the prophetic style of her hidden years in the 1930s climaxing in the broader mature accomplishment of Trilogy The book is edited by Professor Louis L Martz of Yale who supplies valuable textual notes and an introductory essay that relates the significance of H D's life to her equally remarkable literary achievement     Second Skin John Hawkes, 2013-06-15 John Hawkes is an extraordinary writer I have always admired his books They should be more widely read Saul Bellow Skipper an ex World War II naval Lieutenant and the narrator of Second Skin interweaves past and present what he refers to as his naked history in a series of episodes that tell the story of a volatile life marked by pitiful losses as well as a more elusive overwhelming joy The past the suicides of his father wife and daughter the murder of his son in law a brutal rape and subsequent mutiny at sea The present caring for his granddaughter on a northern island where he works as an artificial inseminator of cows and attempts to reclaim the innocence with which he faced the tragedies of his earlier life Combining unflinching descriptions of suffering with his sense of beauty Hawkes is a master of nimble and sensuous prose who makes the awful and mundane fantastic and occasionally makes the fantastic surreal     **The Wall**

Jean-Paul Sartre, 2010-07-27 One of Sartre's greatest existentialist works of fiction *The Wall* contains the only five short stories he ever wrote. Set during the Spanish Civil War, the title story crystallizes the famous philosopher's existentialism. *The Wall*, the lead story in this collection, introduces three political prisoners on the night prior to their execution. Through the gaze of an impartial doctor seemingly there for the men's solace, their mental descent is charted in exquisite, often harrowing detail. And as the morning draws inexorably closer, the men cross the psychological wall between life and death long before the first shot rings out. This brilliant snapshot of life in anguish is the perfect introduction to a collection of stories where the neurosis of the modern world is mirrored in the lives of the people that inhabit it. This is an unexpurgated edition translated from the French by Lloyd Alexander.
