Selected Tang Dynasty Stories:

Selected Tang dynasty stories Jiji Shen, 2000* **Selected Chinese Short Stories of the Tang and Song Dynasties** Zhen Yuan, Xianyi Yang, Gladys Yang, 2001-01 Selected Tang Dynasty Stories JIJI. SHEN, 2016 *Tang dai chuan qi xuan*, 2000 **Tang Dynasty Tales** William H. Nienhauser, 2016 This volume supplements Tang Tales A Guided Reader Volume 1 2010 and presents twelve more Tang tales going beyond the standard corpus of these narratives to include six stories translated into English for the first time The rich annotation and translator's notes for these twelve tales provide insights into many aspects of Tang material culture and medieval thought including Buddhism and Daoism In addition to meticulously annotated translations the book offers original texts with some textual notes and commentaries in the form of translator's notes thereby joining the first volume of Tang tales as the only collections that introduce students to Tang tales while also challenging specialists interested in the field **Tang Dynasty Tales: A Guided Reader - Volume 2** William H Nienhauser, Jr, 2016-01-11 This volume supplements Tang Tales A Guided Reader Volume 1 2010 and presents twelve more Tang tales going beyond the standard corpus of these narratives to include six stories translated into English for the first time The rich annotation and translator's notes for these twelve tales provide insights into many aspects of Tang material culture and medieval thought including Buddhism and Daoism In addition to meticulously annotated translations the book offers original texts with some textual notes and commentaries in the form of translator's notes thereby joining the first volume of Tang tales as the only collections that introduce students to Tang tales while also challenging specialists interested in the field **Tang Dynasty Tales: A Guided Reader** William H Nienhauser, Jr, 2010-07-22 The book begins with a history of previous translations of Tang tales surveying how Chinese scholarship has shaped the reception and rendition of these texts in the West In that context Tang Dynasty Tales offers the first annotated translations of six major tales often called chuanqi transmitting the strange which are interpreted specifically for students and scholars interested in medieval Chinese literature Following the model of intertextual readings that Glen Dudbridge introduced in his *The Tale of Li Wa* Oxford 1983 the annotation points to resonances with classical texts while setting the tales in the political world of their time the Translator's Notes that follow each translation explain how these resonances and topical contexts expand the meaning of the text Each translation is also supported by a short glossary of original terms from the tale and a bibliography guiding the reader to further studies The meticulous scholarship of this book elevates it above all existing collections of these stories and the inclusion of a history of the translation work in the west intended for graduate students researchers and other translators broadens the collections appeal Strange Tales from a Chinese Studio Pu Songling, 2006-05-25 The Strange Tales of Pu Songling 1640 1715 are exquisite and amusing miniatures that are regarded as the pinnacle of classical Chinese fiction With their elegant prose witty wordplay and subtle charm the 104 stories in this selection reveal a world in which nothing is as it seems Here a Taoist monk conjures up a magical pear tree a scholar recounts his previous incarnations a woman outfoxes

the fox spirit that possesses her a child bride gives birth to a thimble sized baby a ghostly city appears out of nowhere and a heartless daughter in law is turned into a pig In his tales of humans coupling with shape shifting spirits bizarre phenomena haunted buildings and enchanted objects Pu Songling pushes back the boundaries of human experience and enlightens as he entertains

Song Dynasty Tales: A Guided Reader Zhenjun Zhang, Jing Wang, 2017-02-07 Together with the noted Tang dynasty tales Song dynasty tales have long been highly valued and widely read in the Chinese world As the first English translations of a selected collection of 12 Song dynasty tales this book opens a window into the world of literature culture and the colorful lives of the royal house and common people in the 10th to 13th centuries In addition to the translation and meticulous annotations it offers a general introduction as well as commentaries on each tale

Shifting Stories Sarah M. Allen, 2020-10-26 Shifting Stories explores the tale literature of eighth and ninth century China to show how the written tales we have today grew out of a fluid culture of hearsay that circulated within elite society Sarah M Allen focuses on two main types of tales those based in gossip about recognizable public figures and those developed out of lore concerning the occult She demonstrates how writers borrowed and adapted stories and plots already in circulation and how they transformed them in some instances into unique and artfully wrought tales For most readers of that era tales remained open texts subject to revision by many hands over the course of transmission unconstrained by considerations of textual integrity or authorship Only in the mid to late ninth century did some readers and editors come to see the particular wording and authorship of a tale as important a shift that ultimately led to the formation of the Tang tale canon as it is envisioned today 唐传奇研究, 2001

History of Chinese Imperial Examination Liu Haifeng, Li Bing, 2025-01-10 This book is a comprehensive and systematic exposition of the history of the emergence development and evolution of Chinese imperial examination system It gathers the author's insights from over thirty years of research on the history of the imperial examination and can be regarded as a summary work on the study of imperial examination history in China It follows the historical sequence taking the development and evolution of the imperial examination as the warp and the characters events activities and thoughts as the latitude It not only narrates the history of the imperial examination system but also pays attention to the actual operation of the imperial examination system At the same time it takes into account the historical development of examination thought And during narration it focuses on the interaction and interdependence between people and the system as well as their interactive influence Therefore it is both academic and readable

Anthology Of Tang And Song Tales: The Tang Song Chuanqi Ji Of Lu Xun Victor H Mair, Zhenjun Zhang, 2020-03-17 This volume is the first complete English rendition of the 45 famous tales in the monumental anthology masterfully selected and edited by Lu Xun 1881-1936 It is the most distinctive authoritative and influential chuanqi collection thus far and many of the pieces are rendered for the first time This is an important contribution to the field of Chinese studies in the English speaking world

Communication, Civilization and China Bin Li, 2020-11-11 Referencing more than 40 ancient works as well as 70 books and papers of contemporary scholars

this book opens up the civilization society culture and communication of the Tang Dynasty The Tang period represented unprecedented prosperity in the ancient world Combining the socio cultural background of ancient China and academic achievements of modern times this book presents an intensive and in depth exploration of the communicative organisations methods and ideas of that period The book looks at Tang methods of communication from the postal delivery system and first newspaper to military communication in times of peace and war It also considers questions of literature poetry and public space as well as the impact of folk culture and communication on the Tang Dynasty and examines the intellectual atmosphere of the time and debates surrounding freedom of speech and thought positioning the Tang Dynasty as the end of the classic world and the beginning of modern society *A Chinese Wonder Book* Norman Hinsdale Pitman,2020-09-28 A collection of fifteen Chinese folk tales **Routledge Handbook of Traditional Chinese Literature** Victor Mair,Zhenjun Zhang,2025-01-30 This Handbook presents a comprehensive overview of 3 000 years of Chinese literature from its earliest beginnings to the end of the Qing 1644 1911 the last empire of China With a focus on well known authors and masterpieces in each important genre this volume covers verses prose drama and fiction arranged in the following thematic groupings Pre Qin and Han poetry poetry of the Six Dynasties poetry of the Tang poetry of the Song and lyrics of the Song Prose of historians prose of philosophers and literati prose Tragedy and romance in Yuan drama southern plays of ethics and chuanqi plays of the Ming and the Qing Classical language tales vernacular short stories heroic romances novels of spirits and devils novels of manners and satire and novels of social exposure and prostitution Featuring both introductions and in depth analyses this Handbook incorporates the most recent scholarly works for each entry and also facilitates future research by providing further readings Authored by a stellar line up of experts in the field of Chinese literature this is an essential reference guide for all students and scholars in the fields of Chinese literature and culture One into Many,2021-11-01 One into Many Translation and the Dissemination of Classical Chinese Literature is the first anthology of its kind in English that deals in depth with the translation of Chinese texts literary and philosophical into a host of Western and Asian languages English French German Dutch Italian Spanish Swedish Hebrew Slovak and Korean After an introduction by the editor in which multiple translations are compared to the many lives lived by the original in its new incarnations thirteen articles are presented in three different sections The first Beginnings comprises three articles that give accounts of how the earliest European translations of Chinese texts were undertaken In Texts four articles examine separately translated classical Chinese texts in the three genres of poetry the short story and the novel Constituting the third section are six articles addressing the different traditions into which Chinese literature has been translated over the centuries Rounding off the whole anthology is a discussion of the culturalist perspective in which translations of the Chinese classics have been viewed in the past decade or so A glossary and an index at the back provide easy reference to the reader interested in the source materials and allow him to undertake research in a rich area that is still not adequately explored **Myth and Violence in**

the Contemporary Female Text V.G. Julie Rajan,2016-12-05 How various mythologies challenge enable and inspire women artists and activists across the globe to communicate personal and historical experiences of violence is the central concern of this collection Beginning with the observation that twentieth and twenty first century female writers and artists often use myth to represent their social and artistic struggles the distinguished international scholars and writers consider mythic fabulations as spaces for contested meanings and resistant readings The identified resistance of the mythic material to repression working as it were in opposition to another celebrated drive role of myth that of containment makes the use of myth particularly stimulating for twentieth century and contemporary female artists and it is an interest in the aesthetic and political consequences of such resistances that animates this book Exemplifying the diverse types of engagement with myth and femininity literary criticism discussions of film and art artwork as well as original creative writing could all be found within the boundaries of this innovative volume Femininity myth and violence are here explored in contexts such as female mythopoiesis in the early twentieth century the politics of representation in contemporary writing revision of old myths and creation of new myths in multicultural female experiences Keeping the focus on the actual works of art the editors and contributors offer scholars and teachers an inclusive way to approach literature and the arts that avoids the limits imposed by genre or national and regional boundaries The Chinese Love Story from the Tenth to the Fourteenth Century Alister D.

Inglis,2023-04-01 Love stories formed a major part of the classical short story genre in China from as early as the eighth century when men of letters began to write about romantic encounters In later centuries such stories provided inspiration for several new literary genres While much scholarly attention has been focused on the short story of both the medieval and late imperial eras comparatively little work has been attempted on the interim stage the Song and Yuan dynasties which spanned some five hundred years from the tenth to the fourteenth centuries Yet this was a crucial developmental period for many forms of narrative literature so much so that any understanding of late imperial narrative should be informed by the earlier tradition The first study of its kind in English The Chinese Love Story from the Tenth to the Fourteenth Century traces the development of the love story throughout this important yet overlooked era Using Tang dynasty stories as a point of comparison Alister D Inglis examines and appraises key new themes paying special attention to period hallmarks gender portrayal and textuality Inglis demonstrates that contrary to received scholarly wisdom this was a highly innovative period during which writers and storytellers laid a fertile foundation for the literature of late imperial China 余英时 Yushu Wang,2005

Immerse yourself in the artistry of words with is expressive creation, Immerse Yourself in **Selected Tang Dynasty Stories** .
