***Blasphemous Modernism*** Steve Pinkerton, 2017 Blasphemous Modernism argues that blasphemy is a signal mode of modernist literary expression Reading a diverse range of poets Mina Loy Langston Hughes and novelists James Joyce Djuna Barnes Salman Rushdie Pinkerton shows how these writers forged the literature of modernism from the idiom of blasphemy

**Performing Queer Modernism** Penny Farfan, 2017 Focusing on some of the best known and most visible stage plays and dance performances of the late nineteenth and early twentieth centuries Penny Farfan s interdisciplinary study demonstrates that queer performance was integral to and productive of modernism that queer modernist performance played a key role in the historical emergence of modern sexual identities and that it anticipated and was in a sense foundational to the insights of contemporary queer modernist studies Chapters on works from Vaslav Nijinsky s Afternoon of a Faun to Noel Coward s Private Lives highlight manifestations of and suggest ways of reading queer modernist performance Together these case studies clarify aspects of both the queer and the modernist and how their co productive intersection was articulated in and through performance on the late nineteenth and early twentieth century stage Performing Queer Modernism thus contributes to an expanded understanding

of modernism across a range of performance genres the central role of performance within modernism more generally and the integral relation between performance history and the history of sexuality It also contributes to the ongoing transformation of the field of modernist studies in which drama and performance remain under represented and to revisionist historiographies that approach modernist performance through feminist and queer critical perspectives and interdisciplinary frameworks and that consider how formally innovative as well as more conventional works collectively engaged with modernity at once reflecting and contributing to historical change in the domains of gender and sexuality The Longman Anthology of Women's Literature Mary K.  Benstock, 2010-06-28 A valuable and intriguing study of the lives and works of literary women who shaped expatriate Paris  
 NPR Focusing on some two dozen American English and French women whose talent shaped the Paris expatriate experience  
 in the early twentieth century from Anais Nin to Alice B Toklas and beyond this book shines new light on how gender was  
 experienced and expressed during an important moment in modern literary history Shari Benstock weaves together with  
 great skill the histories of an extraordinary group of talented women publishers like Sylvia Beach Caresse Crosby Margaret  
 Anderson and Jane Heap novelists Jean Rhys Gertrude Stein and Edith Wharton She examines in some depth the writing  
 produced by poets journalists and novelists thus combining literary criticism and social history in a seamless running  
 narrative NPR Through their writings including unpublished and newly available documentary sources of the period Djuna  
 Barnes Nancy Cunard Jean Rhys Gertrude Stein Edith Wharton and others are revealed as significant in the development of  
 modernism imagism and other avant garde movements in which they were overshadowed or ignored by their male  
 counterparts Benstock tracks the sexually liberated lifestyles and the creative originality of these women with a wealth of  
 documentation Publishers Weekly An inspiration setting a standard for literary history and feminist criticism that will be  
 difficult to surpass American Literature **Improper Modernism** Daniela Caselli, 2016-12-05 In her compelling  
 reexamination of Djuna Barnes s work Daniela Caselli raises timely questions about Barnes biography and feminist criticism  
 identity and authority and modernist canon formation Through close readings of Barnes s manuscripts correspondence  
 critically acclaimed and little known texts Caselli tackles one of the central unacknowledged issues in Barnes intertextuality

She shows how throughout Barnes's corpus the repetition of texts by other authors from Blake to Middleton and by Barnes herself forces us to rethink the relationship between authority and gender and the reasons for her marginal place within modernism. All her texts linked as they are by correspondences and permutations wage a war against the common sense of the straight mind. Caselli begins by analyzing how literary criticism has shaped our perceptions of Barnes, showing how the various personae assigned to Barnes are challenged when the right questions are posed. Why is Barnes such a famous author when many of her texts remain unread even by critics? Why has criticism reduced Barnes's work to biographical speculations? How can Barnes's hybrid, eccentric and unconventional corpus be read as part of literary modernism when it often seems to sever itself from it? How can an oeuvre reject the labels of feminist and lesbian literature whilst nevertheless holding at its centre the relationships between language, sexuality and the real? How can Barnes's work help us to rethink the relation between simplicity and difficulty within literary modernism? Caselli concludes by arguing that Barnes's complex and bewildering work is committed to a high modernist notion of art as a supremely difficult undertaking whilst refusing to conform to standards of modernist acceptability.

**Smoke, and Other Early Stories** Djuna Barnes, 1982

**Women, Writing, and Fetishism, 1890-1950** Clare L. Taylor, 2003

Clare L. Taylor investigates the problematic question of female fetishism within modernist women's writing, 1890-1950. Drawing on gender and psychoanalytic theory, she re-examines the works of Sarah Grand, Radclyffe Hall, H. D., Djuna Barnes and Anaïs Nin in the context of clinical discourses of sexology and psychoanalysis to present an alternative theory of female fetishism, challenging the perspective that denies the existence of the perversion in women.
