**Chinese Economists on Economic Reform - Collected Works of Ma Hong** Ma Hong, 2013-12-04 This book is part of a series which makes available to English speaking audiences the work of the individual Chinese economists who were the architects of China's economic reform The series provides an inside view of China's economic reform revealing the thinking of the reformers themselves unlike many other books on China's economic reform which are written by outside observers Ma Hong 1920-2007 was one of the leading advocates for China's market oriented reforms one of the earliest scholars to adopt the concept of a socialist market economy Politically active from the 1930s when he campaigned against the Japanese occupation he held many important posts notably President of the Chinese Academy of Social Sciences in the 1980s He was particularly influential in the field of industrial economics putting to use his own experiences of managing industrial enterprises and a strong advocate of the need for China's economic development to be stable The book is published in association with China Development Research Foundation one of the leading economic and social think tanks in China where many of the theoretical foundations and policy details of economic reform were formulated

**Selected Works of John Calvin** Jean Calvin, 1983 **How the Red Sun Rose** Gao Hua, 2018-11-15 This work offers the most comprehensive account of the origin and consequences of the Yan'an Rectification Movement from 1942 to 1945 The author argues that this campaign emancipated the Chinese Communist Party from Soviet-influenced dogmatism and unified the Party preparing it for the final victory against the Nationalist Party in 1949 More importantly this monograph shows in great detail how Mao Zedong established his leadership through this partywide political movement by means of aggressive intraparty purges thought control coercive cadre examinations and total reorganizations of the Party's upper structure The result of this movement not only set up the foundation for Mao's new China but also deeply influenced the Chinese political structure today The Chinese version of How the Red Sun Rose was published in 2000 and has had nineteen printings since then

**An Anthology of Jewish-Russian Literature** Maxim Shrayder, 2015-03-26 This definitive anthology gathers stories essays memoirs excerpts from novels and poems by more than 130 Jewish writers of the past two centuries who worked in the Russian language It features writers of the tsarist Soviet and post-Soviet periods both in Russia and in the great emigrations representing styles and artistic movements from Romantic to Postmodern The authors include figures who are not widely known today as well as writers of world renown Most of the works appear here for the first time in English or in new translations The editor of the anthology Maxim D Shrayder of Boston College is a leading authority on Jewish Russian literature The selections were chosen not simply on the basis of the author's

background but because each work illuminates questions of Jewish history status and identity Each author is profiled in an essay describing the personal cultural and historical circumstances in which the writer worked and individual works or groups of works are headnoted to provide further context The anthology not only showcases a wide selection of individual works but also offers an encyclopedic history of Jewish Russian culture This handsome two volume set is organized chronologically The first volume spans the nineteenth century and the first part of the twentieth century and includes the editor s extensive introduction to the Jewish Russian literary canon The second volume covers the period from the death of Stalin to the present and each volume includes a corresponding survey of Jewish Russian history by John D Klier of University College London as well as detailed bibliographies of historical and literary sources

**A Panoramic View of the Song Dynasty Through the Lens of Shipbuilding Industry** Chunyan Huang,2024-09-25 This book examines the impact of shipbuilding on the society of the Song Dynasty from multiple perspectives and points out the positive contribution of ancient manufacture industry to social development at that time It explores some virgin territories and presents strong originality such as the inland navigation methods in the Song Dynasty the system of gods and goddesses in the aquatic world and the defense system of the Yangtze River and the sea in the Southern Song Dynasty It includes the markets in the coastal areas the perception and imagery of the sea the maritime disasters and rescues the river courses and sea warfare and the management of private ships in the Song Dynasty On top of that it provides fresh analysis and new perspectives on some issues that have been studied such as Lisheng shapes and sizes of ships and vehicles and ships in the Song Dynasty

*Fundamentals of Political Economy* Xiaohu (Shawn) Wang,George Chung Wang,2017-10-03 This title was first published in 1977 *Fundamentals of Political Economy* is a popular introductory economics text published in the People s Republic of China in 1974 as a part of the Youth Self Education series designed particularly for individual or group study The primary purpose of this series according to the preface is to elevate the cultural level of the youths going down to the countryside to advance their knowledge of the social and natural sciences as well as to arouse their class consciousness It was originally published in two volumes The first volume 11 chapters is a critical review of the historical development of capitalism The second volume 12 chapters deals with Marxist economic principles and the manner in which they are applied in China

**The End of China's Non-Intervention Policy in Africa** Obert Hodzi,2018-10-22 This book gives a compelling analysis and explanation of shifts in China s non intervention policy in Africa Systematically connecting the neoclassical realist theoretical logic with an empirical analysis of China s intervention in African civil wars the volume highlights a methodical interlink between theoretical and empirical analysis that takes into consideration the changing status of rising powers in the global system and its effect on their intervention behaviour Based on field research and expert interviews it provides a rigorous analysis of China s emergent intervention behaviour in some key African conflicts in Libya South Sudan and Mali and broadens the study of external interventions in civil wars to include the intervention behaviour of non Western rising

powers Obert Hodzi is Visiting Researcher at the African Studies Center Boston University USA and Postdoctoral Researcher at the University of Helsinki Finland      *Localizing Governance in India* Bidyut Chakrabarty, 2017-02-17 Participatory governance has a long history in India and this book traces historical intellectual trajectories of participatory governance and how older Western discourses have influenced Indian policymakers While colonial rulers devolved power to accommodate dissenting voices for independent India participatory governance was a design for democratizing governance in its true sense Participation also acted as a vehicle for localizing governance The author draws on both Western and non Western theoretical treatises and the book seeks to conceptualize localizing governance also as a contextual response It also makes the argument that despite being located in different socio economic and political milieu thinkers converge to appreciate localizing governance as perhaps the only reliable means to democratize governance The book aims to confirm this argument by reference to sets of evidence from the Indian experience of localizing governance By attempting a genealogy of participatory governance in the West and in India and an empirical study of participatory governance in India the book sheds light on the exchange of ideas and concepts through space and time thus adding to the growing body of literature in the social sciences on conceptual flow It will be of interest to political scientists and historians in particularly those studying South Asia      *Theories and Practices of Scientific Socialism* Zhao Jiaxiang, 2020-06-09 In the four volumes of The Development Trajectory of Eastern Society and the Theories and Practices of Socialism the author re examines Marx and Engel s theories on the development trajectory of the Eastern societies by integrating theoretical analysis of Marxist theories and a historical investigation of socialist revolution and construction around the world This volume discusses the victories and failures of the 100 year trajectory of socialism Since the Russian Revolution of October 1917 socialism has been practiced for nearly a hundred years in countries at various stages of development The author provides a proper synthesis of the lessons derived from socialism s first hundred years as well as China s reforms and interaction with the world In addition he analyzes Marx and Engels socialist theories and their significance for contemporary social development in Eastern societies Readers who study Marxism Marxist philosophy philosophical history and the history of philosophy will find this volume of immense interest
