Stand Still Like the Hummingbird Henry Miller, 2014-06-10 One of Henry Miller s most luminous statements of his personal philosophy of life Stand Still Like the Hummingbird provides a symbolic title for this collection of stories and essays Many of them have appeared only in foreign magazines while others were printed in small limited editions which have gone out of print Miller s genius for comedy is at its best in Money and How It Gets That Way a tongue in cheek parody of economics provoked by a postcard from Ezra Pound which asked if he ever thought about

money His deep concern for the role of the artist in society appears in An Open Letter to All and Sundry and in The Angel is My Watermark he writes of his own passionate love affair with painting The Immorality of Morality is an eloquent discussion of censorship Some of the stories such as First Love are autobiographical and there are portraits of friends such as Patchen Man of Anger and Light and essays on other writers such as Walt Whitman Thoreau Sherwood Anderson and Ionesco Taken together these highly readable pieces reflect the incredible vitality and variety of interests of the writer who extended the frontiers of modern literature with Tropic of Cancer and other great books

HERmione Hilda Doolittle, 1911-11-17 H D's wit sense of rhythm and control of language prove the inadequacy of the imagist label that is so often applied to this writer Library Journal This autobiographical novel an interior self portrait of the poet H D 1896 1961 is what can best be described as a find a posthumous treasure In writing HERmione H D returned to a year in her life that was peculiarly blighted She was in her early twenties a disappointment to her father an odd duckling to her mother an importunate overgrown unincarnated entity that had no place Waves to fight against to fight against alone I am Hermione Gart a failure she cried in her dementia I am Her Her Her She had failed at Bryn Mawr she felt hemmed in by her family she did not yet know what she was going to do with her life The return from Europe of the wild haired George Lowndes Ezra Pound expanded her horizons but threatened her sense of self An intense new friendship with Fayne Rabb Frances Josepha Gregg an odd girl who was if not lesbian then certainly of bisexual bent brought an atmosphere that made her hold on everyday reality more tenuous This stormy course led to mental breakdown then to a turning point and a new beginning as her own true self as Her the poet H D Perdita Schaffner H D's daughter who can remember back to the time in 1927 when her mother was barricaded with her typewriter behind a locked door working on this very novel has provided a charming and telling introduction

Glass, Irony, and God Anne Carson, 1995 Anne Carson's poetry characterized by various reviewers as short talks essays or verse narratives combines the confessional and the critical in a voice all her own Known as a remarkable classicist Anne Carson in Glass Irony and God weaves contemporary and ancient poetic strands with stunning style This collection includes The Glass Essay a powerful poem about the end of a love affair told in the context of Carson's reading of the Bronte sisters Book of Isaiah a poem evoking the deeply primitive feel of ancient Judaism and The Fall of Rome about her trip to find Rome and her struggle to overcome feelings of a terrible alienation there

Nightwood Djuna Barnes, 2014-01-01 The fiery and enigmatic masterpiece one of the greatest novels of the Modernist era Nightwood Djuna Barnes strange and sinuous tour de force belongs to that small class of books that somehow reflect a time or an epoch Times Literary Supplement That time is the period between the two World Wars and Barnes novel unfolds in the decadent shadows of Europe's great cities Paris Berlin and Vienna a world in which the boundaries of class religion and sexuality are bold but surprisingly porous The outsized characters who inhabit this world are some of the most memorable in all of fiction there is Guido Volkbein the Wandering Jew and son of a self proclaimed baron Robin Vote the American expatriate who marries him and then engages in a series of

affairs first with Nora Flood and then with Jenny Petherbridge driving all of her lovers to distraction with her passion for wandering alone in the night and there is Dr Matthew Might Grain of Salt Dante O Connor a transvestite and ostensible gynecologist whose digressive speeches brim with fury keen insights and surprising allusions Barnes depiction of these characters and their relationships Nora says A man is another persona woman is yourself caught as you turn in panic on her mouth you kiss your own has made the novel a landmark of feminist and lesbian literature Most striking of all is Barnes unparalleled stylistic innovation which led T S Eliot to proclaim the book so good a novel that only sensibilities trained on poetry can wholly appreciate it Now with a new preface by Jeanette Winterson Nightwood still crackles with the same electric charge it had on its first publication in 1936
